MAKING IN ORDER CONSIDERATION OF VETO MESSAGE ON H.J. RES. 88

Mr. SESSIONS. Mr. Speaker, I ask unanimous consent that when a veto message on House Joint Resolution 88 is laid before the House on this legislative day, then after the message is read and the objections of the President are spread at large upon the Journal, further consideration of the veto message and the joint resolution shall be postponed until the legislative day of Wednesday, June 22, 2016; and that on that legislative day, the House shall proceed to the constitutional question of reconsideration and dispose of such question without intervening motion.

The SPEAKER pro tempore (Mr. GRAVES of Louisiana). Is there objection to the request of the gentleman from Texas?

There was no objection.

NULLIFY DEPARTMENT OF LABOR’S FINAL CONFLICT OF INTEREST RULE—VETO MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 114-140)

The SPEAKER pro tempore laid before the House the following veto message from the President of the United States:

To the House of Representatives:

I am returning herewith without my approval H.J. Res. 88, a resolution that would nullify the Department of Labor’s final conflict of interest rule. This rule is critical to protecting Americans’ hard-earned savings and preserving their retirement security.

The outdated regulations in place before this rulemaking did not ensure that financial advisers act in their clients, best interests when giving retirement investment advice. Instead, some firms have incentivized advisers to steer clients into products that have higher fees and lower returns—costing America's families an estimated \$17 billion a year.

The Department of Labor's final rule will ensure that American workers and retirees receive retirement advice that is in their best interest, better enabling them to protect and grow their savings. The final rule reflects extensive feedback from industry, advocates, and Members of Congress, and has been streamlined to reduce the compliance burden and ensure continued access to advice, while maintaining an enforceable best interest standard that protects consumers. It is essential that these critical protections go into effect. Because this resolution seeks to block the progress represented by this rule and deny retirement savers investment advice in their best interest, I cannot support it. I am therefore vetoing this resolution.

BARACK OBAMA.

THE WHITE HOUSE, June 8, 2016.

The SPEAKER pro tempore. The objections of the President will be spread at large upon the Journal, and the veto message and the joint resolution will be printed as a House document.

Pursuant to the order of the House of today, further consideration of the veto message and the bill are postponed until the legislative day of Wednesday, June 22, 2016, and that on that legislative day, the House shall proceed to the constitutional question of reconsideration and dispose of such question without intervening motion.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on the motion to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

Any record vote on the postponed question will be taken later.
