

Greater love has no man than this, that he lay down his life for his friends.

The now five officers whose lives have been taken in the line of duty have shown that greater love. Our country uplifts to God these five lives lost, those injured or still in medical peril, their families and loved ones who suffer beside them, for comfort and healing. We are more indebted to them all than we can ever express.

HARMONIZE AND MOBILIZE THROUGH TRAGEDY

(Mr. HONDA asked and was given permission to address the House for 1 minute.)

Mr. HONDA. Mr. Speaker, I yield to the gentleman from Missouri (Mr. CLEAVER).

Mr. CLEAVER. I thank the gentleman from California.

Mr. Speaker, when a nation experiences a tragedy like the one we have just witnessed, it can either further polarize, weaponize, and fragmentize, or it can harmonize and mobilize.

The House of Representatives of the United States must choose the latter. When reason fails, as it sometimes does, in my world, it is time to pray. We have multiple religious affiliations in this body, but all of us believe in something that would condemn any kind of violence, even verbal violence. The world is watching what we do, and we shouldn't waste time watching over our ideology.

A little boy closed his finger in the door and began to cry. His name was Bob. He began to cry and cry and cry, and his parents ran in. His other brother, Billy, was also crying. The parents thought both of them were hurt, but when they looked at Billy, they said, "You haven't been hurt. Why are you crying?"

He said, "I am helping Bob cry."

This whole Nation is crying, and those of us here, in our hearts, are helping the people of Dallas cry.

CONGRATULATIONS TO BELLEFONTE HIGH SCHOOL'S RED RAIDERS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise to recognize the players and coaches of the Bellefonte High School Red Raiders baseball team, in Pennsylvania's Fifth District, for their PIAA Class AAA championship 2-0 win over Susquehanna Township.

It is Bellefonte's first State title in baseball in school history. Remarkably, the Red Raiders started this year with a 1-7 record. When most teams would have lost heart and the will to win, these young men served as an inspiration.

At the championship game, Dom Masullo pitched a complete game, allowing five hits and struck out five batters. Colton Burd stole second and scored on a single by Tyler Kreger to give the Red Raiders a 1-0 lead. Bellefonte pushed its lead to 2-0 after Garrett Reiter scored.

Coach Dan Fravel offered this observation, saying, "I don't know why you would play the game if you don't plan on winning every game. That's just my mentality, and it's a compliment to them as a group. I've watched them play the last couple of years. I knew that there were talented kids on the team, and they know how to win."

Congratulations, Red Raiders, on your historic win. We are very proud of you.

THE PREVENTION OF GUN VIOLENCE

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Mr. Speaker, America is hurting. The hearts of Americans are made heavier by the acts of violence that are driven by anger and fear and hate and insensitivity. We need to step up and heal as a nation with lives lost innocently, with the lives of those who protect us day-to-day lost tragically, with those pulled aside for routine traffic stops end up in a scenario where life oozes from them senselessly. America hurts. We need to come together as a nation. We need to understand that there is so much that unites us, far more than what divides us. Respect for each other must drive and compel and challenge us as a society, as a nation, to do far better.

Congress needs to lead in that regard. We need to be part of that coming together to understand through intellect, concern, compassion, through our wisdom—through our hearts that are burning with love—that love conquers hate. We can accomplish that with the prevention of gun violence. Let's come together and heal.

GOLDEN GOOSE AWARD

(Mr. LUCAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LUCAS. Mr. Speaker, I rise to recognize Edward Knipling and Raymond Bushland, who are two scientists who posthumously received this year's Golden Goose Award for their research into the screwworm fly.

No doubt, many people have never heard about the screwworm fly, but my father and grandfather, both cattlemen, often told me stories of how devastating these pests were to their herds. By laying eggs in animal wounds, the screwworm could kill a full-sized cow in less than 2 weeks, costing ranchers millions of dollars in losses each and every year.

Using funds provided by the USDA, Dr. Knipling and Dr. Bushland focused on sterilizing the insects. Thanks to their efforts over 20-plus years, the screwworm population was eradicated in the U.S. by 1982, leading to healthier livestock markets and lower beef prices for consumers after only \$250,000 in basic research.

As vice chairman of the Science, Space, and Technology Committee, I am pleased these men will be honored this year, and I hope my colleagues will keep their story in mind as the House considers how to use scientific research in the Nation's collective interest.

REDUCE GUN VIOLENCE

(Mr. SWALWELL of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SWALWELL of California. Mr. Speaker, we mourn the loss of the police officers in Dallas, and we pray for the recovery of those who are still in the hospital, trying to heal.

As a brother of two police officers and as the son of a police officer, this is every family member's worst nightmare to think that, when you see them off to work, you may never see them come home. So we stand here, this House, with the families.

We think about Sergeant Scott Lungner, back in Hayward, California, who lost his life on July 22 of last year. It is also not inconsistent, as we mourn the deaths of these police officers, to also ask for justice without delay for Alton Sterling of Louisiana and for Philando Castile of Minnesota. That is not inconsistent.

What is inconsistent, though, is to have a moment of silence or to make a call for justice but then to do nothing further in this Chamber—the one place in the world where we can make the greatest difference to reduce gun violence. I hope this House answers that call and does not stand silent any longer but, actually, recognizes why we are here—to keep the public safe and to act.

MOURNING SLAIN DART POLICE OFFICER BRENT THOMPSON

(Mr. BARTON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARTON. Mr. Speaker, the entire Nation is aghast and shocked and in mourning about what happened in Dallas, Texas, last evening.

One of the officers who was killed was an officer named Brent Thompson. He was a constituent of mine from Corsicana, Texas, and was a graduate of Corsicana High School. He was 43 years old. He had just gotten married 2 weeks earlier. He was a Dallas Area Rapid Transit officer, a DART officer, and he was shot—targeted—in cold blood by, apparently, an organized effort to target police officers, perhaps even Anglo police officers, in Dallas.

We need to pray for his family, and we also need to take a look at our society and make a decision that we should respect, admire, and support those who defend us.

Our prayers go out to Officer Thompson's family.

MOURNING THE LOSS OF LIFE IN DALLAS

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, my heart breaks, as do the hearts of my colleagues, over the terrible tragedy that took place last night and for the victims of the horrific violence that we have seen in the last few days and weeks.

We are better than this. We can do better than this. In this body, we must do better than this.

MOTION TO GO TO CONFERENCE ON S. 2943, NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2017

Mr. THORNBERRY. Mr. Speaker, pursuant to House Resolution 809, I offer a motion.

The SPEAKER pro tempore. The Clerk will report the motion.

The Clerk read as follows:

Mr. Thornberry moves that the House take from the Speaker's table the bill S. 2943, with the House amendment thereto, insist on the House amendment, and request a conference with the Senate thereon.

The SPEAKER pro tempore. The gentleman from Texas is recognized for 1 hour.

Mr. THORNBERRY. Mr. Speaker, I yield myself such time as I may consume.

This is a motion to request a conference on S. 2943, the National Defense Authorization Act. This is a procedural motion, which will allow the House and the Senate to conference our differences. The House passed its bill on May 18, by a vote of 277-147. The Senate subsequently passed its bill.

I hope that the House will support this motion and allow us to proceed to conference.

Mr. Speaker, I yield back the balance of my time, and I move the previous question on the motion.

The previous question was ordered.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas.

The motion was agreed to.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Conferees on S. 2943 will be appointed at a later time.

CONFERENCE REPORT ON S. 524, COMPREHENSIVE ADDICTION AND RECOVERY ACT OF 2016

Mr. UPTON. Mr. Speaker, pursuant to House Resolution 809, I call up the

conference report on the bill (S. 524) to authorize the Attorney General to award grants to address the national epidemics of prescription opioid abuse and heroin use, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Pursuant to House Resolution 809, the conference report is considered read.

(For conference report and statement, see proceedings of the House of July 6, 2016, at page H4392.)

The SPEAKER pro tempore. The gentleman from Michigan (Mr. UPTON) and the gentleman from New Jersey (Mr. PALLONE) each will control 30 minutes.

The Chair recognizes the gentleman from Michigan.

GENERAL LEAVE

Mr. UPTON. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous material on the conference report to accompany S. 524.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Michigan?

There was no objection.

Mr. UPTON. Mr. Speaker, I yield myself such time as I may consume.

The simple truth is that we are in the midst of a real epidemic. Nearly every 12 minutes, someone in America dies of a drug overdose. The CDC reports over a quarter billion opioid prescriptions were written in the year 2012. The abuse of prescription painkillers and heroin has impacted, virtually, every single community. It is an epidemic that has no boundaries and does not discriminate. In my State of Michigan, we are seeing 10 times as many deaths today as there were 15 years ago. Sadly, the number continues to surge; but behind every statistic is a person who was loved, part of a family and community, and, yes, who was lost too soon.

□ 1045

It is a frightening reality, but we have to face this epidemic head on, and today's vote is an important step forward. Since the beginning of this process, our focus has been, and continues to be, on attacking this public health crisis from every side, from zeroing in on treatment for addiction and overdoses to reforming prescription practices in the delivery of medicines and working with law enforcement of the Department of Veterans Affairs.

Specifically, this conference report addresses prevention care by requiring HHS to create an interagency task force to address chronic and pain management care and by reauthorizing NASPER, a piece of legislation the House has passed with very large bipartisan support.

The conference report addresses treatment by ensuring opioid reversal medication is accessible to patients, their family members and, yes, first responders as well. These medications are key to stopping the overdose epi-

demical and getting these patients into proper treatment to become productive members of our society.

The conference report also ensures proper oversight and accountability by including the majority leader's OPEN Act.

The conference report, as a whole, touches on the spectrum of issues driving the opioid crisis. While there is no one solution, we are making progress in addressing a problem that has rapidly grown.

So I want to thank all my colleagues—certainly on the Energy and Commerce Committee that I chair and those off—for working to advance these important bipartisan bills that will make a real difference in our communities.

I am also proud that our final package has achieved the support of over 200 of the Nation's leading advocacy groups, groups from across the country that are focused on recovery. These advocates are on the front lines in this epidemic and truly appreciate the positive impact that our solutions will have in every community.

There is an urgency to our work as drug overdose deaths surge in Michigan and beyond. We owe this effort to the past, present, and, sadly, future victims of the opioid epidemic; our neighbors, friends, family across every part of the family in every demographic group. So let's come together and get the job done. What we are doing will save lives.

I reserve the balance of my time.

Mr. PALLONE. Mr. Speaker, I yield myself such time as I may consume.

After much thought, I have decided to support the conference report on S. 524. It is not perfect and does not nearly do enough from a funding perspective, but it makes some important steps that would allow us to begin to address the opioid addiction crisis that is impacting our Nation.

The American people are desperate for relief from the opioid epidemic currently devastating our country, and they are depending on this Congress to act. By now, we have all heard the stories: young people taken from their families in their prime; babies born suffering from the cruel effects of opioid withdrawal; and parents who have lost the ability to care for their families as they battle their addiction.

To treat this epidemic as anything less than a national crisis would be a terrible mistake. And even though we have already lost far too many lives to overdoses, we still have an opportunity to save many more.

This conference report includes many important policies that have bipartisan agreement. For example, we will now allow patients and doctors to choose to partially fill their opioids so that excess medicines are not dispensed unnecessarily. This will reduce the number of unused pills in circulation, which will reduce the risk of misuse, diversion, and overdose.

The conference report also allows nurse practitioners and physician assistants to treat individuals with
