(1) **PRINCIPAL ALIENS.**—The Secretary may grant certified agricultural worker status to an alien who submits a completed application, including the required processing fees, before the end of the period set forth in subsection (c) and who—

(A) performed agricultural labor or services in the United States for at least 1,035 hours (or 180 work days) during the 2-year period preceding the date of the introduction of this Act;

(B) on the date of the introduction of this Act—

(D) is not otherwise ineligible for certified agricultural worker status as provided in subsection (b).

(2) **DEPENDENT SPOUSE AND CHILDREN.**—The Secretary may grant certified agricultural de-

pendent status to the spouse or child of an alien granted certified agricultural worker status under paragraph (1) if the spouse or child is not ineligible for certified agricultural dependent status as provided in subsection (b).

(b) **GROUND FOR INELIGIBILITY.**—

(1) **GROUND OF INADMISSIBILITY.**—Except as provided in paragraph (3), an alien is ineligible for certified agricultural worker or certified agricultural dependent status if the Secretary determines that the alien is inadmissible under section 212(a) of the Immigration and Nationality Act (8 U.S.C. 1182(a)), except that in determining inadmissibility—

(A) paragraphs (4), (5), (7), and (9)(B) of such section shall not apply;

(2) **ADDITIONAL CRIMINAL BARS.**—Except as provided in paragraph (3), an alien is ineligible for certified agricultural worker or certified agricultural dependent status if the Secretary determines that, excluding any offense under State law for which an essential element is the alien's immigration status and any minor traffic offense, the alien has been convicted of—

(B) subparagraphs (A) and (D) of section 212(a)(2) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(2)), unless inadmissibility is based on a conviction that would otherwise render the alien ineligible under subparagraph (A), (B), or (D) of paragraph (2).

“(III) if the application of clause (II) results in a wage that is lower than 110 percent of the applicable Federal or State minimum wage, be more than 4.25 percent higher than the wage in effect for H-2A workers in the applicable State and occupational classification in the immediately preceding calendar year.

“(iii) CALENDAR YEARS AFTER 2031.—For any calendar year after 2031, the applicable wage rate described in paragraph (1)(B) shall be the wage rate established pursuant to paragraph (7)(D). Until such wage rate is effective, the adverse effect wage rate for each State and occupational classification under this subsection shall be the wage calculated under subparagraph (A), except that such wage may not be more than 1.5 percent lower or 3.25 percent higher than the wage in effect for H-2A workers in the applicable State and occupational classification in the immediately preceding calendar year.

“(3) MULTIPLE OCCUPATIONS.—If the primary job duties for the job opportunity described in the petition do not fall within a single occupational classification, the applicable wage rates under subparagraphs (B) and (C) of paragraph (1) for the job opportunity shall be based on the highest such wage rates for all applicable occupational classifications.

“(4) PUBLICATION; WAGES IN EFFECT.—

“(A) PUBLICATION.—Prior to the start of each calendar year, the Secretary of Labor shall publish the applicable adverse effect wage rate (or successor wage rate, if any), and prevailing wage if available, for each State and occupational classification through notice in the Federal Register.

“(B) JOB ORDERS IN EFFECT.—Except as provided in subparagraph (C), publication by the

Secretary of Labor of an updated adverse effect wage rate or prevailing wage for a State and occupational classification shall not affect the wage rate guaranteed in any approved job order for which recruitment efforts have commenced at the time of publication.

“(C) EXCEPTION FOR YEAR-ROUND JOBS.—If the Secretary of Labor publishes an updated adverse effect wage rate or prevailing wage for a State and occupational classification concerning a petition described in subsection (i), and the updated wage is higher than the wage rate guaranteed in the work contract, the employer shall pay the updated wage not later than 14 days after publication of the updated wage in the Federal Register.

“(5) WORKERS PAID ON A PIECE RATE OR OTHER INCENTIVE BASIS.—If an employer pays by the piece rate or other incentive method and requires one or more minimum productivity standards as a condition of job retention, such standards shall be specified in the job order and shall be no more than those normally required (at the time of the first petition for H-2A workers) by other employers for the activity in the area of intended employment, unless the Secretary of Labor approves a higher minimum standard resulting from material changes in production methods.

“(6) GUARANTEE OF EMPLOYMENT.—

“(A) OFFER TO WORKER.—The employer shall guarantee the worker employment for the hourly equivalent of at least three-fourths of the work days of the total period of employment, beginning with the first work day after the arrival of the worker at the place of employment and ending on the date specified in the job offer. For purposes of this subparagraph, the hourly equivalent means the number of hours in the work days as stated in the job offer and shall exclude the worker’s Sabbath and Federal holidays. If the employer affords the worker less employment than that required under this paragraph, the employer shall pay the worker the amount which the worker would have earned had the worker, in fact, worked for the guaranteed number of hours.

“(B) FAILURE TO WORK.—Any hours which the worker fails to work, up to a maximum of the number of hours specified in the job offer for a work day, when the worker has been offered an opportunity to do so, and all hours of work actually performed (including voluntary work in excess of the number of hours specified in the job offer in a work day, on the worker’s Sabbath, or on Federal holidays) may be counted by the employer in calculating whether the period of guaranteed employment has been met.

“(C) ABANDONMENT OF EMPLOYMENT; TERMINATION FOR CAUSE.—If the worker voluntarily abandons employment without good cause before the end of the contract period, or is terminated for cause, the worker is not entitled to the guarantee of employment described in subparagraph (A).

“(D) CONTRACT IMPOSSIBILITY.—If, before the expiration of the period of employment specified in the job offer, the services of the worker are no longer required for reasons beyond the control of the employer due to any form of natural disaster before the guarantee in subparagraph (A) is fulfilled, the employer may terminate the worker’s employment. In the event of such termination, the employer shall fulfill the employment guarantee in subparagraph (A) for the work days that have elapsed from the first work day after the arrival of the worker to the termination of employment. The employer shall make efforts to transfer a worker to other comparable employment acceptable to the worker. If such transfer is not affected, the employer shall provide the return transportation required in subsection (f)(2).

“(7) WAGE STANDARDS AFTER 2031.—

“(A) STUDY OF ADVERSE EFFECT WAGE RATE.—Beginning in fiscal year 2028, the Secretary of Agriculture and Secretary of Labor shall jointly conduct a study that addresses—

“(i) whether the employment of H-2A workers has depressed the wages of United States farm workers;

“(ii) whether an adverse effect wage rate is necessary to protect the wages of United States farm workers in occupations in which H-2A workers are employed;

“(iii) whether alternative wage standards would be sufficient to prevent wages in occupations in which H-2A workers are employed from falling below the wage level that would have prevailed in the absence of H-2A employment;

“(iv) whether any changes are warranted in the current methodologies for calculating the adverse effect wage rate and the prevailing wage rate; and

“(v) recommendations for future wage protection under this section.

“(B) FINAL REPORT.—Not later than October 1, 2029, the Secretary of Agriculture and Secretary of Labor shall jointly prepare and submit a report to the Congress setting forth the findings of the study conducted under subparagraph (A) and recommendations for future wage protections under this section.

“(C) CONSULTATION.—In conducting the study under subparagraph (A) and preparing the report under subparagraph (B), the Secretary of Agriculture and Secretary of Labor shall consult with representatives of agricultural employers and an equal number of representatives of agricultural workers, at the national, State and local level.

“(D) WAGE DETERMINATION AFTER 2031.—Upon publication of the report described in subparagraph (B), the Secretary of Labor, in consultation with and the approval of the Secretary of Agriculture, shall make a rule to establish a process for annually determining the wage rate for purposes of paragraph (1)(B) for fiscal years after 2031. Such process shall be designed to ensure that the employment of H-2A workers does not undermine the wages and working conditions of similarly employed United States workers.

“(e) HOUSING REQUIREMENTS.—Employers shall furnish housing in accordance with regulations established by the Secretary of Labor. Such regulations shall be consistent with the following:

“(1) IN GENERAL.—The employer shall be permitted at the employer's option to provide housing meeting applicable Federal standards for temporary labor camps or to secure housing which meets the local standards for rental and/or public accommodations or other substantially similar class of habitation: Provided, That in the absence of applicable local standards, State standards for rental and/or public accommodations or other substantially similar class of habitation shall be met: Provided further, That in the absence of applicable local or State standards, Federal temporary labor camp standards shall apply.

“(2) FAMILY HOUSING.—Except as otherwise provided in subsection (i)(5), the employer shall provide family housing to workers with families who request it when it is the prevailing practice in the area and occupation of intended employment to provide family housing.

“(3) UNITED STATES WORKERS.—Notwithstanding paragraphs (1) and (2), an employer is not required to provide housing to United States workers who are reasonably able to return to their residence within the same day.

“(4) TIMING OF INSPECTION.—

“(A) IN GENERAL.—The Secretary of Labor or designee shall make a determination as to whether the housing furnished by an employer for a worker meets the requirements imposed by this subsection prior to the date on which the Secretary of Labor is required to make a certification with respect to a petition for the admission of such worker.

“(B) TIMELY INSPECTION.—The Secretary of Labor shall provide a process for—

“(i) an employer to request inspection of housing up to 60 days before the date on which the

employer will file a petition under this section; and

“(ii) annual inspection of housing for workers who are engaged in agricultural employment that is not of a seasonal or temporary nature.

“(f) TRANSPORTATION REQUIREMENTS.—

“(1) TRAVEL TO PLACE OF EMPLOYMENT.—A worker who completes 50 percent of the period of employment specified in the job order shall be reimbursed by the employer for the cost of the worker's transportation and subsistence from the place from which the worker came to work for the employer (or place of last employment, if the worker traveled from such place) to the place of employment.

“(2) TRAVEL FROM PLACE OF EMPLOYMENT.—For a worker who completes the period of employment specified in the job order who is terminated without cause, the employer shall provide or pay for the worker's transportation and subsistence from the place of employment to the place from which the worker, disregarding intervening employment, came to work for the employer, or to the place of next employment, if the worker has contracted with a subsequent employer who has not agreed to provide or pay for the worker's transportation and subsistence to such subsequent employer's place of employment.

“(3) LIMITATION.—

“(A) AMOUNT OF REIMBURSEMENT.—Except as provided in subparagraph (B), the amount of reimbursement provided under paragraph (1) or (2) to a worker need not exceed the lesser of—

“(i) the actual cost to the worker of the transportation and subsistence involved; or

“(ii) the most economical and reasonable common carrier transportation charges and subsistence costs for the distance involved.

“(B) DISTANCE TRAVELED.—For travel to or from the worker's home country, if the travel distance between the worker's home and the relevant consulate is 50 miles or less, reimbursement for transportation and subsistence may be based on transportation to or from the consulate.

“(g) HEAT ILLNESS PREVENTION PLAN.—

“(1) IN GENERAL.—The employer shall maintain a reasonable plan that describes the employer's procedures for the prevention of heat illness, including appropriate training, access to water and shade, the provision of breaks, and the protocols for emergency response. Such plan shall—

“(A) be in writing in English and, to the extent necessary, any language common to a significant portion of the workers if they are not fluent in English; and

“(B) be posted at a conspicuous location at the worksite and provided to employees prior to the commencement of labor or services.

“(2) CLARIFICATION.—Nothing in this subsection is intended to limit any other Federal or State authority to promulgate, enforce, or maintain health and safety standards related to heat-related illness.

“(h) H-2A PETITION PROCEDURES.—

“(1) SUBMISSION OF PETITION AND JOB ORDER.—

“(A) IN GENERAL.—The employer shall submit information required for the adjudication of the H-2A petition, including a job order, through the electronic platform no more than 75 calendar days and no fewer than 60 calendar days before the employer's first date of need specified in the petition.

“(B) FILING BY AGRICULTURAL ASSOCIATIONS.—An association of agricultural producers that use agricultural services may file an H-2A petition under subparagraph (A). If an association is a joint or sole employer of workers who perform agricultural labor or services, H-2A workers may be used for the approved job opportunities of any of the association's producer members and such workers may be transferred among its producer members to perform the agricultural labor or services for which the petition was approved.

“(C) PETITIONS INVOLVING STAGGERED ENTRY.—

“(i) IN GENERAL.—Except as provided in clause (ii), an employer may file a petition involving employment in the same occupational classification and same area of intended employment with multiple start dates if—

“(I) the petition involves temporary or seasonal employment and no more than 10 start dates;

“(II) the multiple start dates share a common end date;

“(III) no more than 120 days separate the first start date and the final start date listed in the petition; and

“(IV) the need for multiple start dates arises from variations in labor needs associated with the job opportunity identified in the petition.

“(ii) LABOR CONTRACTORS.—A labor contractor may not file a petition described in clause (i) unless the labor contractor—

“(I) is filing as a joint employer with its contractees, or is operating in a State in which joint employment and liability between the labor contractor and its contractees is otherwise established; or

“(II) has posted and is maintaining a premium surety bond as described in subsection (l)(1).

“(2) LABOR CERTIFICATION.—

“(A) REVIEW OF JOB ORDER.—

“(i) IN GENERAL.—The Secretary of Labor, in consultation with the relevant State workforce agency, shall review the job order for compliance with this section and notify the employer through the electronic platform of any deficiencies not later than 7 business days from the date the employer submits the necessary information required under paragraph (1)(A). The employer shall be provided 5 business days to respond to any such notice of deficiency.

“(ii) STANDARD.—The job order must include all material terms and conditions of employment, including the requirements of this section, and must be otherwise consistent with the minimum standards provided under Federal, State or local law. In considering the question of whether a specific qualification is appropriate in a job order, the Secretary of Labor shall apply the normal and accepted qualification required by non-H-2A employers in the same or comparable occupations and crops.

“(iii) EMERGENCY PROCEDURES.—The Secretary of Labor shall establish emergency procedures for the curing of deficiencies that cannot be resolved during the period described in clause (i).

“(B) APPROVAL OF JOB ORDER.—

“(i) IN GENERAL.—Upon approval of the job order, the Secretary of Labor shall immediately place for public examination a copy of the job order on the online job registry, and the State workforce agency serving the area of intended employment shall commence the recruitment of United States workers.

“(ii) REFERRAL OF UNITED STATES WORKERS.—The Secretary of Labor and State workforce agency shall keep the job order active until the end of the period described in subsection (c)(2) and shall refer to the employer each United States worker who applies for the job opportunity.

“(C) REVIEW OF INFORMATION FOR DEFICIENCIES.—Within 7 business days of the approval of the job order, the Secretary of Labor shall review the information necessary to make a labor certification and notify the employer through the electronic platform if such information does not meet the standards for approval. Such notification shall include a description of any deficiency, and the employer shall be provided 5 business days to cure such deficiency.

“(D) CERTIFICATION AND AUTHORIZATION OF WORKERS.—Not later than 30 days before the date that labor or services are first required to be performed, the Secretary of Labor shall issue the requested labor certification if the Secretary determines that the requirements set forth in this section have been met.

“(E) EXPEDITED ADMINISTRATIVE APPEALS OF CERTAIN DETERMINATIONS.—The Secretary of Labor shall by regulation establish a procedure for an employer to request the expedited review of a denial of a labor certification under this section, or the revocation of such a certification. Such procedure shall require the Secretary to expeditiously, but no later than 72 hours after expedited review is requested, issue a *de novo* determination on a labor certification that was denied in whole or in part because of the availability of able, willing and qualified workers if the employer demonstrates, consistent with subsection (c)(3)(B), that such workers are not actually available at the time or place such labor or services are required.

“(3) PETITION DECISION.—

“(A) IN GENERAL.—Not later than 7 business days after the Secretary of Labor issues the certification, the Secretary of Homeland Security shall issue a decision on the petition and shall transmit a notice of action to the petitioner via the electronic platform.

“(B) APPROVAL.—Upon approval of a petition under this section, the Secretary of Homeland Security shall ensure that such approval is noted in the electronic platform and is available to the Secretary of State and U.S. Customs and Border Protection, as necessary, to facilitate visa issuance and admission.

“(C) PARTIAL APPROVAL.—A petition for multiple named beneficiaries may be partially approved with respect to eligible beneficiaries notwithstanding the ineligibility, or potential ineligibility, of one or more other beneficiaries.

“(D) POST-CERTIFICATION AMENDMENTS.—The Secretary of Labor shall provide a process for amending a request for labor certification in conjunction with an H-2A petition, subsequent to certification by the Secretary of Labor, in cases in which the requested amendment does not materially change the petition (including the job order).

“(4) ROLES OF AGRICULTURAL ASSOCIATIONS.—

“(A) MEMBER'S VIOLATION DOES NOT NECESSARILY DISQUALIFY ASSOCIATION OR OTHER MEMBERS.—If an individual producer member of a joint employer association is determined to have committed an act that results in the denial of a petition with respect to the member, the denial shall apply only to that member of the association unless the Secretary of Labor determines that the association or other member participated in, had knowledge of, or reason to know of, the violation.

“(B) ASSOCIATION'S VIOLATION DOES NOT NECESSARILY DISQUALIFY MEMBERS.—

“(i) If an association representing agricultural producers as a joint employer is determined to have committed an act that results in the denial of a petition with respect to the association, the denial shall apply only to the association and does not apply to any individual producer member of the association unless the Secretary of Labor determines that the member participated in, had knowledge of, or reason to know of, the violation.

“(ii) If an association of agricultural producers certified as a sole employer is determined to have committed an act that results in the denial of a petition with respect to the association, no individual producer member of such association may be the beneficiary of the services of H-2A workers in the commodity and occupation in which such aliens were employed by the association which was denied during the period such denial is in force, unless such producer member employs such aliens in the commodity and occupation in question directly or through an association which is a joint employer of such workers with the producer member.

“(5) SPECIAL PROCEDURES.—The Secretary of Labor, in consultation with the Secretary of Agriculture and Secretary of Homeland Security, may by regulation establish alternate procedures that reasonably modify program requirements under this section, when the Secretary determines that such modifications are required due to the unique nature of the work involved.

“(6) CONSTRUCTION OCCUPATIONS.—An employer may not file a petition under this section on behalf of a worker if the majority of the worker's duties will fall within a construction or extraction occupational classification.

“(i) NON-TEMPORARY OR -SEASONAL NEEDS.—

“(1) IN GENERAL.—Notwithstanding the requirement in section 101(a)(15)(H)(ii)(a) that the agricultural labor or services performed by an H-2A worker be of a temporary or seasonal nature, the Secretary of Homeland Security may, consistent with the provisions of this subsection, approve a petition for an H-2A worker to perform agricultural services or labor that is not of a temporary or seasonal nature.

“(2) NUMERICAL LIMITATIONS.—

“(A) FIRST 3 FISCAL YEARS.—The total number of aliens who may be issued visas or otherwise provided H-2A nonimmigrant status under paragraph (1) for the first fiscal year during which the first visa is issued under such paragraph and for each of the following two fiscal years may not exceed 20,000.

“(B) FISCAL YEARS 4 THROUGH 10.—

“(i) IN GENERAL.—The total number of aliens who may be issued visas or otherwise provided H-2A nonimmigrant status under paragraph (1) for the first fiscal year following the fiscal years referred to in subparagraph (A) and for each of the following 6 fiscal years may not exceed a numerical limitation jointly imposed by the Secretary of Agriculture and Secretary of Labor in accordance with clause (ii).

“(ii) ANNUAL ADJUSTMENTS.—For each fiscal year referred to in clause (i), the Secretary of Agriculture and Secretary of Labor, in consultation with the Secretary of Homeland Security, shall establish a numerical limitation for purposes of clause (i). Such numerical limitation may not be lower 20,000 and may not vary by more than 12.5 percent compared to the numerical limitation applicable to the immediately preceding fiscal year. In establishing such numerical limitation, the Secretaries shall consider appropriate factors, including—

“(I) a demonstrated shortage of agricultural workers;

“(II) the level of unemployment and underemployment of agricultural workers during the preceding fiscal year;

“(III) the number of H-2A workers sought by employers during the preceding fiscal year to engage in agricultural labor or services not of a temporary or seasonal nature;

“(IV) the number of such H-2A workers issued a visa in the most recent fiscal year who remain in the United States in compliance with the terms of such visa;

“(V) the estimated number of United States workers, including workers who obtained certified agricultural worker status under title I of the Farm Workforce Modernization Act of 2021, who worked during the preceding fiscal year in agricultural labor or services not of a temporary or seasonal nature;

“(VI) the number of such United States workers who accepted jobs offered by employers using the online job registry during the preceding fiscal year;

“(VII) any growth or contraction of the United States agricultural industry that has increased or decreased the demand for agricultural workers; and

“(VIII) any changes in the real wages paid to agricultural workers in the United States as an indication of a shortage or surplus of agricultural labor.

“(C) SUBSEQUENT FISCAL YEARS.—For each fiscal year following the fiscal years referred to in subparagraph (B), the Secretary of Agriculture and Secretary of Labor shall jointly determine, in consultation with the Secretary of Homeland Security, and after considering appropriate factors, including those factors listed in subclauses (I) through (VIII) of subparagraph (B)(ii), whether to establish a numerical limitation for that fiscal year. If a numerical limitation is so established—

“(i) such numerical limitation may not be lower than highest number of aliens admitted under this subsection in any of the three fiscal years immediately preceding the fiscal year for which the numerical limitation is to be established; and

“(ii) the total number of aliens who may be issued visas or otherwise provided H-2A nonimmigrant status under paragraph (1) for that fiscal year may not exceed such numerical limitation.

“(D) EMERGENCY PROCEDURES.—The Secretary of Agriculture and Secretary of Labor, in consultation with the Secretary of Homeland Security, shall jointly establish by regulation procedures for immediately adjusting a numerical limitation imposed under subparagraph (B) or (C) to account for significant labor shortages.

“(3) ALLOCATION OF VISAS.—

“(A) BI-ANNUAL ALLOCATION.—The annual allocation of visas described in paragraph (2) shall be evenly allocated between two halves of the fiscal year unless the Secretary of Homeland Security, in consultation with the Secretary of Agriculture and Secretary of Labor, determines that an alternative allocation would better accommodate demand for visas. Any unused visas in the first half of the fiscal year shall be added to the allocation for the subsequent half of the same fiscal year.

“(B) RESERVE FOR DAIRY LABOR OR SERVICES.—

“(i) IN GENERAL.—Of the visa numbers made available in each half of the fiscal year pursuant to subparagraph (A), 50 percent of such visas shall be reserved for employers filing petitions seeking H-2A workers to engage in agricultural labor or services in the dairy industry.

“(ii) EXCEPTION.—If, after 4 months have elapsed in one half of the fiscal year, the Secretary of Homeland Security determines that application of clause (i) will result in visas going unused during that half of the fiscal year, clause (i) shall not apply to visas under this paragraph during the remainder of such calendar half.

“(C) LIMITED ALLOCATION FOR CERTAIN SPECIAL PROCEDURES INDUSTRIES.—

“(i) IN GENERAL.—Notwithstanding the numerical limitations under paragraph (2), up to 500 aliens may be issued visas or otherwise provided H-2A nonimmigrant status under paragraph (1) in a fiscal year for range sheep or goat herding.

“(ii) LIMITATION.—The total number of aliens in the United States in valid H-2A status under clause (i) at any one time may not exceed 500.

“(iii) CLARIFICATION.—Any visas issued under this subparagraph may not be considered for purposes of the annual adjustments under subparagraphs (B) and (C) of paragraph (2).

“(4) ANNUAL ROUND TRIP HOME.—

“(A) IN GENERAL.—In addition to the other requirements of this section, an employer shall provide H-2A workers employed under this subsection, at no cost to such workers, with annual round trip travel, including transportation and subsistence during travel, to their homes in their communities of origin. The employer must provide such travel within 14 months of the initiation of the worker's employment, and no more than 14 months can elapse between each required period of travel.

“(B) LIMITATION.—The cost of travel under subparagraph (A) need not exceed the lesser of—

“(i) the actual cost to the worker of the transportation and subsistence involved; or

“(ii) the most economical and reasonable common carrier transportation charges and subsistence costs for the distance involved.

“(5) FAMILY HOUSING.—An employer seeking to employ an H-2A worker pursuant to this subsection shall offer family housing to workers with families if such workers are engaged in agricultural employment that is not of a seasonal or temporary nature. The worker may reject such an offer. The employer may not charge the

worker for the worker's housing, except that if the worker accepts family housing, a prorated rent based on the fair market value for such housing may be charged for the worker's family members.

“(6) WORKPLACE SAFETY PLAN FOR DAIRY EMPLOYEES.—

“(A) IN GENERAL.—If an employer is seeking to employ a worker in agricultural labor or services in the dairy industry pursuant to this subsection, the employer must report incidents consistent with the requirements under section 1904.39 of title 29, Code of Federal Regulations, and maintain an effective worksite safety and compliance plan to prevent workplace accidents and otherwise ensure safety. Such plan shall—

“(i) be in writing in English and, to the extent necessary, any language common to a significant portion of the workers if they are not fluent in English; and

“(ii) be posted at a conspicuous location at the worksite and provided to employees prior to the commencement of labor or services.

“(B) CONTENTS OF PLAN.—The Secretary of Labor, in consultation with the Secretary of Agriculture, shall establish by regulation the minimum requirements for the plan described in subparagraph (A). Such plan shall include measures to—

“(i) require workers (other than the employer's family members) whose positions require contact with animals to complete animal care training, including animal handling and job-specific animal care;

“(ii) protect against sexual harassment and violence, resolve complaints involving harassment or violence, and protect against retaliation against workers reporting harassment or violence; and

“(iii) contain other provisions necessary for ensuring workplace safety, as determined by the Secretary of Labor, in consultation with the Secretary of Agriculture.

“(C) CLARIFICATION.—Nothing in this paragraph is intended to apply to persons or entities that are not seeking to employ workers under this section. Nothing in this paragraph is intended to limit any other Federal or State authority to promulgate, enforce, or maintain health and safety standards related to the dairy industry.

“(j) ELIGIBILITY FOR H-2A STATUS AND ADMISSION TO THE UNITED STATES.—

“(1) DISQUALIFICATION.—An alien shall be ineligible for admission to the United States as an H-2A worker pursuant to a petition filed under this section if the alien was admitted to the United States as an H-2A worker within the past 5 years of the date the petition was filed and—

“(A) violated a material provision of this section, including the requirement to promptly depart the United States when the alien's authorized period of admission has expired, unless the alien has good cause for such failure to depart; or

“(B) otherwise violated a term or condition of admission into the United States as an H-2A worker.

“(2) VISA VALIDITY.—A visa issued to an H-2A worker shall be valid for 3 years and shall allow for multiple entries during the approved period of admission.

“(3) PERIOD OF AUTHORIZED STAY; ADMISSION.—

“(A) IN GENERAL.—An alien admissible as an H-2A worker shall be authorized to stay in the United States for the period of employment specified in the petition approved by the Secretary of Homeland Security under this section. The maximum continuous period of authorized stay for an H-2A worker is 36 months.

“(B) REQUIREMENT TO REMAIN OUTSIDE THE UNITED STATES.—In the case of an H-2A worker whose maximum continuous period of authorized stay (including any extensions) has expired, the alien may not again be eligible for such stay until the alien remains outside the

United States for a cumulative period of at least 45 days.

“(C) EXCEPTIONS.—The Secretary of Homeland Security shall deduct absences from the United States that take place during an H-2A worker's period of authorized stay from the period that the alien is required to remain outside the United States under subparagraph (B), if the alien or the alien's employer requests such a deduction, and provides clear and convincing proof that the alien qualifies for such a deduction. Such proof shall consist of evidence including, but not limited to, arrival and departure records, copies of tax returns, and records of employment abroad.

“(D) ADMISSION.—In addition to the maximum continuous period of authorized stay, an H-2A worker's authorized period of admission shall include an additional period of 10 days prior to the beginning of the period of employment for the purpose of traveling to the place of employment and 45 days at the end of the period of employment for the purpose of traveling home or seeking an extension of status based on a subsequent offer of employment if the worker has not reached the maximum continuous period of authorized stay under subparagraph (A) (subject to the exceptions in subparagraph (C)).

“(4) CONTINUING H-2A WORKERS.—

“(A) SUCCESSIVE EMPLOYMENT.—An H-2A worker is authorized to start new or concurrent employment upon the filing of a nonfrivolous H-2A petition, or as of the requested start date, whichever is later if—

“(i) the petition to start new or concurrent employment was filed prior to the expiration of the H-2A worker's period of admission as defined in paragraph (3)(D); and

“(ii) the H-2A worker has not been employed without authorization in the United States from the time of last admission to the United States in H-2A status through the filing of the petition for new employment.

“(B) PROTECTION DUE TO IMMIGRANT VISA BACKLOGS.—Notwithstanding the limitations on the period of authorized stay described in paragraph (3), any H-2A worker who—

“(i) is the beneficiary of an approved petition, filed under section 204(a)(1)(E) or (F) for preference status under section 203(b)(3)(A)(ii); and

“(ii) is eligible to be granted such status but for the annual limitations on visas under section 203(b)(3)(A),

may apply for, and the Secretary of Homeland Security may grant, an extension of such non-immigrant status until the Secretary of Homeland Security issues a final administrative decision on the alien's application for adjustment of status or the Secretary of State issues a final decision on the alien's application for an immigrant visa.

“(5) ABANDONMENT OF EMPLOYMENT.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), an H-2A worker who abandons the employment which was the basis for the worker's authorized stay, without good cause, shall be considered to have failed to maintain H-2A status and shall depart the United States or be subject to removal under section 237(a)(1)(C)(i).

“(B) GRACE PERIOD TO SECURE NEW EMPLOYMENT.—An H-2A worker shall not be considered to have failed to maintain H-2A status solely on the basis of a cessation of the employment on which the alien's classification was based for a period of 45 consecutive days, or until the end of the authorized validity period, whichever is shorter, once during each authorized validity period.

“(k) REQUIRED DISCLOSURES.—

“(1) DISCLOSURE OF WORK CONTRACT.—Not later than the time the H-2A worker applies for a visa, the employer shall provide the worker with a copy of the work contract that includes the disclosures and rights under this section (or in the absence of such a contract, a copy of the job order and proof of the certification described

in subparagraphs (B) and (D) of subsection (h)(2)). An H-2A worker moving from one H-2A employer to a subsequent H-2A employer shall be provided with a copy of the new employment contract no later than the time an offer of employment is made by the subsequent employer.

“(2) HOURS AND EARNINGS STATEMENTS.—The employer shall furnish to H-2A workers, on or before each payday, in one or more written statements—

“(A) the worker's total earnings for the pay period;

“(B) the worker's hourly rate of pay, piece rate of pay, or both;

“(C) the hours of employment offered to the worker and the hours of employment actually worked;

“(D) if piece rates of pay are used, the units produced daily;

“(E) an itemization of the deductions made from the worker's wages; and

“(F) any other information required by Federal, State or local law.

“(3) NOTICE OF WORKER RIGHTS.—The employer must post and maintain in a conspicuous location at the place of employment, a poster provided by the Secretary of Labor in English, and, to the extent necessary, any language common to a significant portion of the workers if they are not fluent in English, which sets out the rights and protections for workers employed pursuant to this section.

“(l) LABOR CONTRACTORS; FOREIGN LABOR RECRUITERS; PROHIBITION ON FEES.—

“(1) LABOR CONTRACTORS.—

“(A) SURETY BOND.—An employer that is a labor contractor who seeks to employ H-2A workers shall maintain a surety bond in an amount required under subparagraph (B). Such bond shall be payable to the Secretary of Labor or pursuant to the resolution of a civil or criminal proceeding, for the payment of wages and benefits, including any assessment of interest, owed to an H-2A worker or a similarly employed United States worker, or a United States worker who has been rejected or displaced in violation of this section.

“(B) AMOUNT OF BOND.—The Secretary of Labor shall annually publish in the Federal Register a schedule of required bond amounts that are determined by such Secretary to be sufficient for labor contractors to discharge financial obligations under this section based on the number of workers the labor contractor seeks to employ and the wages such workers are required to be paid.

“(C) PREMIUM BOND.—A labor contractor seeking to file a petition involving more than one start date under subsection (h)(1)(C) shall maintain a surety bond that is at least 15 percent higher than the applicable bond amount determined by the Secretary under subparagraph (B).

“(D) USE OF FUNDS.—Any sums paid to the Secretary under subparagraph (A) that are not paid to a worker because of the inability to do so within a period of 5 years following the date of a violation giving rise to the obligation to pay shall remain available to the Secretary without further appropriation until expended to support the enforcement of this section.

“(2) PROHIBITION AGAINST EMPLOYEES PAYING FEES.—Neither the employer nor its agents shall seek or receive payment of any kind from any worker for any activity related to the H-2A process, including payment of the employer's attorneys' fees, application fees, or recruitment costs. An employer and its agents may receive reimbursement for costs that are the responsibility and primarily for the benefit of the worker, such as government-required passport fees.

“(3) THIRD PARTY CONTRACTS.—The contract between an employer and any labor contractor or any foreign labor recruiter (or any agent of such labor contractor or foreign labor recruiter) whom the employer engages shall include a term providing for the termination of such contract

for cause if the contractor or recruiter, either directly or indirectly, in the placement or recruitment of H-2A workers seeks or receives payments or other compensation from prospective employees. Upon learning that a labor contractor or foreign labor recruiter has sought or collected such payments, the employer shall so terminate any contracts with such contractor or recruiter.

“(m) ENFORCEMENT AUTHORITY.—

SEC. 301. ELECTRONIC EMPLOYMENT ELIGIBILITY VERIFICATION SYSTEM.

(a) **IN GENERAL.**—Chapter 8 of title II of the Immigration and Nationality Act (8 U.S.C. 1321 et seq.) is amended by inserting after section 274D the following:

"SEC. 274E. REQUIREMENTS FOR THE ELECTRONIC VERIFICATION OF EMPLOYMENT ELIGIBILITY.

"(a) EMPLOYMENT ELIGIBILITY VERIFICATION SYSTEM.—

"(1) IN GENERAL.—The Secretary of Homeland Security (referred to in this section as the 'Secretary') shall establish and administer an electronic verification system (referred to in this section as the 'System'), patterned on the E-Verify Program described in section 403(a) of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (8 U.S.C. 1324a note) (as in effect on the day before the effective date described in section 303(a)(4) of the Farm Workforce Modernization Act of 2021), and using the employment eligibility confirmation system established under section 404 of such Act (8 U.S.C. 1324a note) (as so in effect) as a foundation, through which the Secretary shall—

"(A) respond to inquiries made by persons or entities seeking to verify the identity and employment authorization of individuals that such persons or entities seek to hire, or to recruit or refer for a fee, for employment in the United States; and

"(B) maintain records of the inquiries that were made, and of verifications provided (or not provided) to such persons or entities as evidence of compliance with the requirements of this section.

"(2) INITIAL RESPONSE DEADLINE.—The System shall provide confirmation or a tentative nonconfirmation of an individual's identity and employment authorization as soon as practicable, but not later than 3 calendar days after the initial inquiry.

"(3) GENERAL DESIGN AND OPERATION OF SYSTEM.—The Secretary shall design and operate the System—

"(A) using responsive web design and other technologies to maximize its ease of use and accessibility for users on a variety of electronic devices and screen sizes, and in remote locations;

"(B) to maximize the accuracy of responses to inquiries submitted by persons or entities;

"(C) to maximize the reliability of the System and to register each instance when the System is unable to receive inquiries;

"(D) to protect the privacy and security of the personally identifiable information maintained by or submitted to the System;

"(E) to provide direct notification of an inquiry to an individual with respect to whom the inquiry is made, including the results of such inquiry, and information related to the process for challenging the results, in cases in which the individual has established a user account as described in paragraph (4)(B) or an electronic mail address for the individual is submitted by the person or entity at the time the inquiry is made; and

"(F) to maintain appropriate administrative, technical, and physical safeguards to prevent misuse of the System and unfair immigration-related employment practices.

"(4) MEASURES TO PREVENT IDENTITY THEFT AND OTHER FORMS OF FRAUD.—To prevent identity theft and other forms of fraud, the Secretary shall design and operate the System with the following attributes:

"(A) PHOTO MATCHING TOOL.—The System shall display the digital photograph of the individual, if any, that corresponds to the document presented by an individual to establish identity and employment authorization so that the person or entity that makes an inquiry can compare the photograph displayed by the System to the photograph on the document presented by the individual.

"(B) INDIVIDUAL MONITORING AND SUSPENSION OF IDENTIFYING INFORMATION.—The System shall enable individuals to establish user accounts, after authentication of an individual's identity, that would allow an individual to—

"(i) confirm the individual's own employment authorization;

"(ii) receive electronic notification when the individual's social security account number or

other personally identifying information has been submitted to the System;

“(iii) monitor the use history of the individual’s personally identifying information in the System, including the identities of all persons or entities that have submitted such identifying information to the System, the date of each query run, and the System response for each query run;

“(iv) suspend or limit the use of the individual’s social security account number or other personally identifying information for purposes of the System; and

“(v) provide notice to the Department of Homeland Security of any suspected identity fraud or other improper use of personally identifying information.

“(C) BLOCKING MISUSED SOCIAL SECURITY ACCOUNT NUMBERS.—

“(i) IN GENERAL.—The Secretary, in consultation with the Commissioner of Social Security (referred to in this section as the ‘Commissioner’), shall develop, after publication in the Federal Register and an opportunity for public comment, a process in which social security account numbers that have been identified to be subject to unusual multiple use in the System or that are otherwise suspected or determined to have been compromised by identity fraud or other misuse, shall be blocked from use in the System unless the individual using such number is able to establish, through secure and fair procedures, that the individual is the legitimate holder of the number.

“(ii) NOTICE.—If the Secretary blocks or suspends a social security account number under this subparagraph, the Secretary shall provide notice to the persons or entities that have made inquiries to the System using such account number that the identity and employment authorization of the individual who provided such account number must be re-verified.

“(D) ADDITIONAL IDENTITY AUTHENTICATION TOOL.—The Secretary shall develop, after publication in the Federal Register and an opportunity for public comment, additional security measures to adequately verify the identity of an individual whose identity may not be verified using the photo tool described in subparagraph (A). Such additional security measures—

“(i) shall be kept up-to-date with technological advances; and

“(ii) shall be designed to provide a high level of certainty with respect to identity authentication.

“(E) CHILD-LOCK PILOT PROGRAM.—The Secretary, in consultation with the Commissioner, shall establish a reliable, secure program through which parents or legal guardians may suspend or limit the use of the social security account number or other personally identifying information of a minor under their care for purposes of the System. The Secretary may implement the program on a limited pilot basis before making it fully available to all individuals.

“(5) RESPONSIBILITIES OF THE COMMISSIONER OF SOCIAL SECURITY.—The Commissioner, in consultation with the Secretary, shall establish a reliable, secure method, which, within the time periods specified in paragraph (2) and subsection (b)(4)(D)(i)(II), compares the name and social security account number provided in an inquiry against such information maintained by the Commissioner in order to validate (or not validate) the information provided by the person or entity with respect to an individual whose identity and employment authorization the person or entity seeks to confirm, the correspondence of the name and number, and whether the individual has presented a social security account number that is not valid for employment. The Commissioner shall not disclose or release social security information (other than such confirmation or nonconfirmation) under the System except as provided under this section.

“(6) RESPONSIBILITIES OF THE SECRETARY OF HOMELAND SECURITY.—

“(A) IN GENERAL.—The Secretary of Homeland Security shall establish a reliable, secure meth-

od, which, within the time periods specified in paragraph (2) and subsection (b)(4)(D)(i)(II), compares the name and identification or other authorization number (or any other information determined relevant by the Secretary) which are provided in an inquiry against such information maintained or accessed by the Secretary in order to validate (or not validate) the information provided, the correspondence of the name and number, and whether the individual is authorized to be employed in the United States.

“(B) TRAINING.—The Secretary shall provide and regularly update training materials on the use of the System for persons and entities making inquiries.

“(C) AUDIT.—The Secretary shall provide for periodic auditing of the System to detect and prevent misuse, discrimination, fraud, and identity theft, to protect privacy and assess System accuracy, and to preserve the integrity and security of the information in the System.

“(D) NOTICE OF SYSTEM CHANGES.—The Secretary shall provide appropriate notification to persons and entities registered in the System of any change made by the Secretary or the Commissioner related to permitted and prohibited documents, and use of the System.

“(7) RESPONSIBILITIES OF THE SECRETARY OF STATE.—As part of the System, the Secretary of State shall provide to the Secretary of Homeland Security access to passport and visa information as needed to confirm that a passport or passport card presented under subsection (b)(3)(A)(i) confirms the employment authorization and identity of the individual presenting such document, and that a passport, passport card, or visa photograph matches the Secretary of State’s records, and shall provide such assistance as the Secretary of Homeland Security may request in order to resolve tentative nonconfirmations or final nonconfirmations relating to such information.

“(8) UPDATING INFORMATION.—The Commissioner, the Secretary of Homeland Security, and the Secretary of State shall update records in their custody in a manner that promotes maximum accuracy of the System and shall provide a process for the prompt correction of erroneous information, including instances in which it is brought to their attention through the tentative nonconfirmation review process under subsection (b)(4)(D).

“(9) MANDATORY AND VOLUNTARY SYSTEM USES.—

“(A) MANDATORY USERS.—Except as otherwise provided under Federal or State law, such as sections 302 and 303 of the Farm Workforce Modernization Act of 2021, nothing in this section shall be construed as requiring the use of the System by any person or entity hiring, recruiting, or referring for a fee, an individual for employment in the United States.

“(B) VOLUNTARY USERS.—Beginning after the date that is 30 days after the date on which final rules are published under section 309(a) of the Farm Workforce Modernization Act of 2021, a person or entity may use the System on a voluntary basis to seek verification of the identity and employment authorization of individuals the person or entity is hiring, recruiting, or referring for a fee for employment in the United States.

“(C) PROCESS FOR NON-USERS.—The employment verification process for any person or entity hiring, recruiting, or referring for a fee, an individual for employment in the United States shall be governed by section 274A(b) unless the person or entity—

“(i) is required by Federal or State law to use the System; or

“(ii) has opted to use the System voluntarily in accordance with subparagraph (B).

“(10) NO FEE FOR USE.—The Secretary may not charge a fee to an individual, person, or entity related to the use of the System.

“(I) contains a photograph of the individual, biometric identification data, and other personal identifying information relating to the individual;

“(II) is evidence of authorization for employment in the United States; and

“(III) contains security features to make it resistant to tampering, counterfeiting, and fraudulent use.

“(B) DOCUMENTS ESTABLISHING EMPLOYMENT AUTHORIZATION.—A document described in this subparagraph is—

“(i) an individual’s social security account number card (other than such a card which specifies on the face that the issuance of the card does not authorize employment in the United States); or

“(ii) a document establishing employment authorization that the Secretary determines, by notice published in the Federal Register, to be acceptable for purposes of this subparagraph, provided that such documentation contains security features to make it resistant to tampering, counterfeiting, and fraudulent use.

“(C) DOCUMENTS ESTABLISHING IDENTITY.—A document described in this subparagraph is—

“(D) AUTHORITY TO PROHIBIT USE OF CERTAIN DOCUMENTS.—If the Secretary finds that any document or class of documents described in subparagraph (A), (B), or (C) does not reliably establish identity or employment authorization or is being used fraudulently to an unacceptable degree, the Secretary may, by notice published in the Federal Register, prohibit or place conditions on the use of such document or class of documents for purposes of this section.

“(4) USE OF THE SYSTEM TO SCREEN IDENTITY AND EMPLOYMENT AUTHORIZATION.—

“(A) IN GENERAL.—In the case of a person or entity that uses the System for the hiring, recruiting, or referring for a fee an individual for employment in the United States, during the period described in subparagraph (B), the person or entity shall submit an inquiry through the System described in subsection (a) to seek verification of the identity and employment authorization of the individual.

“(B) VERIFICATION PERIOD.—

“(i) IN GENERAL.—Except as provided in clause (ii), and subject to subsection (d), the verification period shall begin on the date of hire and end on the date that is 3 business days after the date of hire, or such other reasonable period as the Secretary may prescribe.

“(C) CONFIRMATION.—If a person or entity receives confirmation of an individual’s identity and employment authorization, the person or entity shall record such confirmation on the form designated by the Secretary for purposes of paragraph (1).

“(D) TENTATIVE NONCONFIRMATION.—

“(i) IN GENERAL.—In cases of tentative nonconfirmation, the Secretary shall provide, in consultation with the Commissioner, a process for—

The person or entity shall attest, under penalty of perjury, that the person or entity provided (or attempted to provide) such notice to the individual, and the individual shall acknowledge receipt of such notice in a manner specified by the Secretary.

“(iii) NO CONTEST.—

“(I) IN GENERAL.—A tentative nonconfirmation shall become final if, upon receiving the notice described in clause (ii), the individual—

“(aa) refuses to acknowledge receipt of such notice;

“(bb) acknowledges in writing, in a manner specified by the Secretary, that the individual will not contest the tentative nonconfirmation; or

“(cc) fails to contest the tentative nonconfirmation within the 10-business-day period beginning on the date the individual received such notice.

“(II) RECORD OF NO CONTEST.—The person or entity shall indicate in the System that the individual did not contest the tentative nonconfirmation and shall specify the reason the tentative nonconfirmation became final under subclause (I).

“(III) EFFECT OF FAILURE TO CONTEST.—An individual’s failure to contest a tentative nonconfirmation shall not be considered an admission of any fact with respect to any violation of this Act or any other provision of law.

“(iv) CONTEST.—

“(I) IN GENERAL.—An individual may contest a tentative nonconfirmation by using the tentative nonconfirmation review process under clause (i), not later than 10 business days after receiving the notice described in clause (ii). Except as provided in clause (iii), the nonconfirmation shall remain tentative until a confirmation or final nonconfirmation is provided by the System.

“(II) PROHIBITION ON TERMINATION.—In no case shall a person or entity terminate employment or take any adverse employment action against an individual for failure to obtain confirmation of the individual’s identity and employment authorization until the person or entity receives a notice of final nonconfirmation from the System. “(III) CONFIRMATION OR FINAL NONCONFIRMATION.—The Secretary, in consultation with the Commissioner, shall issue notice of a confirmation or final nonconfirmation of the individual’s identity and employment authorization not later than 30 calendar days after the date the Secretary receives notice from the individual contesting the tentative nonconfirmation.

“(ii) COMPENSATION FOR LOST WAGES RESULTING FROM GOVERNMENT ERROR OR OMISSION.—

“(I) IN GENERAL.—If, upon consideration of an appeal of a final nonconfirmation, the Secretary determines that the final nonconfirmation was issued in error, the Secretary shall further determine whether the final nonconfirmation was the result of government error or omission. If the Secretary determines that the final nonconfirmation was solely the result of government error or omission and the individual was terminated from employment, the Secretary shall compensate the individual for lost wages.

“(II) CALCULATION OF LOST WAGES.—Lost wages shall be calculated based on the wage rate and work schedule that were in effect prior to the individual’s termination. The individual shall be compensated for lost wages beginning on the first scheduled work day after employment was terminated and ending 90 days after completion of the administrative review process described in this subparagraph or the day the individual is reinstated or obtains other employment, whichever occurs first.

“(III) LIMITATION ON COMPENSATION.—No compensation for lost wages shall be awarded for any period during which the individual was not authorized for employment in the United States.

“(IV) SOURCE OF FUNDS.—There is established in the general fund of the Treasury, a separate account which shall be known as the ‘Electronic Verification Compensation Account’. Fees collected under subsections (f) and (g) shall be deposited in the Electronic Verification Compensation Account and shall remain available for purposes of providing compensation for lost wages under this subclause.

“(A) IN GENERAL.—After completing the form designated by the Secretary in accordance with paragraphs (1) and (2), the person or entity shall retain the form in paper, microfiche, microfilm, electronic, or other format deemed acceptable by the Secretary, and make it available for inspection by officers of the Department of Homeland Security, the Department of Justice, or the Department of Labor during the period beginning on the date the verification is completed and ending on the later of—

“(i) the date that is 3 years after the date of hire; or

“(ii) the date that is 1 year after the date on which the individual's employment is terminated.

“(B) COPYING OF DOCUMENTATION PERMITTED.—Notwithstanding any other provision of law, a person or entity may copy a document presented by an individual pursuant to this section and may retain the copy, but only for the purpose of complying with the requirements of this section.

“(C) REVERIFICATION OF PREVIOUSLY HIRED INDIVIDUALS.—

“(1) MANDATORY REVERIFICATION.—In the case of a person or entity that uses the System for the hiring, recruiting, or referring for a fee an individual for employment in the United States, the person or entity shall submit an inquiry using the System to verify the identity and employment authorization of—

“(A) use a form designated by the Secretary for purposes of this paragraph; and

“(B) retain the form in paper, microfiche, microfilm, electronic, or other format deemed acceptable by the Secretary, and make it available for inspection by officers of the Department of Homeland Security, the Department of Justice, or the Department of Labor during the period beginning on the date the reverification commences and ending on the later of—

“(i) the date that is 3 years after the date of reverification; or

“(ii) the date that is 1 year after the date on which the individual's employment is terminated.

“(3) LIMITATION ON REVERIFICATION.—Except as provided in paragraph (1), a person or entity may not otherwise reverify the identity and employment authorization of a current employee, including an employee continuing in employment.

“(d) GOOD FAITH COMPLIANCE.—

“(1) IN GENERAL.—Except as otherwise provided in this subsection, a person or entity that uses the System is considered to have complied with the requirements of this section notwithstanding a technical failure of the System, or other technical or procedural failure to meet such requirement if there was a good faith attempt to comply with the requirement.

“(2) EXCEPTION FOR FAILURE TO CORRECT AFTER NOTICE.—Paragraph (1) shall not apply if—

“(A) the failure is not de minimis;

“(B) the Secretary has provided notice to the person or entity of the failure, including an explanation as to why it is not de minimis;

“(C) the person or entity has been provided a period of not less than 30 days (beginning after the date of the notice) to correct the failure; and

“(D) the person or entity has not corrected the failure voluntarily within such period.

“(4) DEFENSE.—In the case of a person or entity that uses the System for the hiring, recruiting, or referring for a fee an individual for employment in the United States, the person or entity shall not be liable to a job applicant, an employee, the Federal Government, or a State or local government, under Federal, State, or local criminal or civil law, for any employment-related action taken with respect to an employee in good-faith reliance on information provided by the System. Such person or entity shall be deemed to have established compliance with its obligations under this section, absent a showing by the Secretary, by clear and convincing evidence, that the employer had knowledge that an employee is an unauthorized alien.

“(e) LIMITATIONS.—

“(1) NO NATIONAL IDENTIFICATION CARD.—Nothing in this section shall be construed to authorize, directly or indirectly, the issuance or use of national identification cards or the establishment of a national identification card.

“(2) USE OF RECORDS.—Notwithstanding any other provision of law, nothing in this section shall be construed to permit or allow any department, bureau, or other agency of the United States Government to utilize any information, database, or other records assembled under this section for any purpose other than the verification of identity and employment authorization of an individual or to ensure the secure, appropriate, and non-discriminatory use of the System.

“(f) PENALTIES.—

“(1) IN GENERAL.—Except as provided in this subsection, the provisions of subsections (e) through (g) of section 274A shall apply with respect to compliance with the provisions of this section and penalties for non-compliance for persons or entities that use the System.

“(2) CEASE AND DESIST ORDER WITH CIVIL MONEY PENALTIES FOR HIRING, RECRUITING, AND REFERRAL VIOLATIONS.—Notwithstanding the civil money penalties set forth in section 274A(e)(4), with respect to a violation of paragraph (1)(A) or (2) of section 274A(a) by a person or entity that has hired, recruited, or referred for a fee, an individual for employment in the United States, a cease and desist order—

“(A) shall require the person or entity to pay a civil penalty in an amount, subject to subsection (d), of—

“(ii) not less than \$5,000 and not more than \$10,000 for each such alien in the case of a person or entity previously subject to one order under this paragraph; or

“(iii) not less than \$10,000 and not more than \$25,000 for each such alien in the case of a person or entity previously subject to more than one order under this paragraph; and

“(B) may require the person or entity to take such other remedial action as appropriate.

Failure by a person or entity to utilize the System as required by law or providing information to the System that the person or entity knows or reasonably believes to be false, shall be treated as a violation of section 274A(a)(1)(A).

“(4) EXEMPTION FROM PENALTY FOR GOOD FAITH VIOLATION.—

“(A) IN GENERAL.—A person or entity that uses the System is presumed to have acted with knowledge for purposes of paragraphs (1)(A) and (2) of section 274A(a) if the person or entity fails to make an inquiry to verify the identity and employment authorization of the individual through the System.

“(B) GOOD FAITH EXEMPTION.—In the case of imposition of a civil penalty under paragraph (2)(A) with respect to a violation of paragraph (1)(A) or (2) of section 274A(a) for hiring or continuation of employment or recruitment or referral by a person or entity, and in the case of imposition of a civil penalty under paragraph (3) for a violation of section 274A(a)(1)(B) for hiring or recruitment or referral by a person or entity, the penalty otherwise imposed may be waived or reduced if the person or entity establishes that the person or entity acted in good faith.

“(5) MITIGATION ELEMENTS.—For purposes of paragraphs (2)(A) and (3), when assessing the level of civil money penalties, in addition to the good faith of the person or entity being charged, due consideration shall be given to the size of the business, the seriousness of the violation, whether or not the individual was an unauthorized alien, and the history of previous violations.

“(6) CRIMINAL PENALTY.—Notwithstanding section 274A(f)(1) and the provisions of any other Federal law relating to fine levels, any person or entity that is required to comply with the provisions of this section and that engages in a pattern or practice of violations of paragraph (1) or (2) of section 274A(a), shall be fined not more than \$5,000 for each unauthorized alien with respect to whom such a violation occurs, imprisoned for not more than 18 months, or both.

The SPEAKER pro tempore. The bill, as amended, shall be debatable for 1 hour, equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary or their respective designees.

The gentleman from New York (Mr. NADLER) and the gentleman from Ohio (Mr. JORDAN) each will control 30 minutes.

The Chair recognizes the gentleman from New York.

GENERAL LEAVE

Mr. NADLER. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 1603.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. NADLER. Madam Speaker, I yield myself 2½ minutes.

Madam Speaker, H.R. 1603, the Farm Workforce Modernization Act of 2021 addresses an issue of critical national importance: the growing labor challenges that are damaging the American agriculture sector.

Solving this issue is paramount to the sustainability of American farming. It is also a matter of food security, and thus, national security. As domestic food outputs decline, we have become more dependent on food imports and more vulnerable to food contamination. The COVID-19 pandemic exposed these vulnerabilities as travel restrictions impacted our food supply chain, and over 500,000 farmworkers tested positive for the virus.

With fewer U.S. workers turning to agricultural work as their chosen pursuit, most of today’s hired farm laborers are foreign-born. Unfortunately, our immigration laws have not been updated to reflect the needs of our 21st century economy.

As a result of these outdated laws, undocumented workers now comprise about half of the U.S. workforce. But they are living and working in a state of uncertainty and fear, which contributes to the destabilization of farms across the Nation.

H.R. 1603, the Farm Workforce Modernization Act, addresses these challenges head on. The bill provides temporary status to current farmworkers with an optional path to a green card for those who continue to work in agri-

culture. The bill also addresses the Nation’s future labor needs by modernizing the H-2A temporary visa program, while ensuring fair wages and workplace conditions for all farmworkers.

This is a bipartisan, balanced solution, one that we should all be able to get behind. It is a victory for farmers who have struggled with persistent labor shortages for decades.

It is also a victory for farmworkers who have worked tirelessly in the field growing and harvesting food without proper labor protections or any guarantee that they can remain in this country. No acceptable solution can fail to deal with this reality. That is why H.R. 1603 is the right solution.

Madam Speaker, I hope my colleagues will vote today in favor of providing a seat at America’s table for those who have long grown the food we serve on it.

Madam Speaker, I thank my friend and colleague, Ms. LOFGREN of California, the chair of the Immigration Subcommittee, for her leadership and steadfast commitment to the bipartisan process that led to today’s vote on the Farm Workforce Modernization Act.

Madam Speaker, I urge all my colleagues to support our farmers and our farmworkers by supporting this bill, and I reserve the balance of my time.

□ 1430

Mr. JORDAN. Madam Speaker, I yield 3 minutes to the gentleman from California (Mr. MCCLINTOCK), the ranking member of the Immigration and Citizenship Subcommittee.

Mr. MCCLINTOCK. Madam Speaker, it was no accident that when we finally won control of the border and cut the flow of low-wage labor, Americans saw the strongest wage growth in 40 years, the lowest unemployment rate in 50 years, and the lowest poverty rate in 60 years. For the first time in decades, the wage gap between rich and poor narrowed.

Now, this bill extends amnesty, green cards, and a path to citizenship to somewhere between 1 and 2½ million illegal immigrants now working in agriculture and their families in a manner that will depress wages, not just in agriculture, but in every field of the economy for years to come.

Madam Speaker, if you obeyed the law and came here legally to work, then you cannot qualify as a certified agricultural worker. You must have come here illegally, and you must have worked here illegally for at least 1,035 hours in the last 2 years. That is about 13 40-hour workweeks a year. You get legal status for yourself and your family for the next 5½ years. You can get indefinite extensions as long as you work in agriculture 575 hours or about 14 weeks a year. If you do this for between 4 and 8 years and you get a green card, then your family gets green cards and you are on a 5-year path to citizenship. The green cards give you the

right to work in direct competition with American workers in any sector of the economy.

Madam Speaker, let me emphasize that if you came here legally and worked the same hours, then you are out of luck. If you obeyed the laws, well, you are just a schmuck.

It utterly escapes me how America’s working families are helped by flooding the labor market with millions of low-wage workers under this program. As these workers get green cards, they are sure to move from agriculture to high-paying jobs, ensuring a continuous need for new agricultural workers to replace them.

Between the two immigration bills today, somewhere north of 4 million illegal immigrants will qualify for amnesty, legal employment, and a path to citizenship as a reward for breaking our laws.

Is it any wonder that our Border Patrol is now completely overwhelmed as millions of economic refugees rush our border in expectation of the same rewards?

This bill would bring a tragic end to the blue-collar economic boom that President Trump proudly announced on this floor just a year ago. Here is the real tragedy: During the Trump blue-collar boom, the poorest Americans were making the greatest gains, and it is precisely these American families who will be the most harmed by these amnesty bills.

Trump had their back. Biden is on their backs.

Mr. NADLER. Madam Speaker, I yield 3 minutes to the distinguished gentlewoman from California (Ms. LOFGREN).

Ms. LOFGREN. Madam Speaker, our country has come through a pandemic, and many of us have suffered, but there is one thing that we can be grateful for, and that is that the food chain was never disrupted.

Throughout the pandemic, we could go to the grocery store and there would be food in that store. For that, we need to thank the farmers of this country. But we also need to thank the farmworkers of this country, a majority of whom are undocumented and a majority of whom have been here more than 10 years.

What this bill does and how it was formed is important. I want to thank Representatives DAN NEWHOUSE, MIKE SIMPSON, DOUG LAMALFA, and many others on the Republican side of the aisle. I worked with JIM COSTA, JIMMY PANETTA, and many others to try to see if we could come together to come up with solutions for the challenges that we face in farm country.

We pulled together growers and the farmworkers union to talk together for solutions. It took us almost a year of growers and the farmworkers union, and Republicans and Democrats, sitting around a table to come up with this bill.

It has basically three provisions.

The first recognizes that we have had undocumented farmworkers in our

fields for decades. It allows them to get a certified agricultural worker card so that they can work without fear. That is a temporary worker status. They can renew it, travel, pay taxes, and continue forever in that status. After working for a long period of time, they and their families have the option of applying for legal permanent residence if they choose.

The second provision streamlines an existing program, the H-2A program, so that we will have a legal supply of farmworkers in the future. Both labor and employers agreed to those streamlines.

The final provision says that if we have a system that works, then we need to enforce that system. We are going to have the E-Verify system used in agriculture after this bill is fully implemented.

Who is in favor of this? The Arizona Nursery Association, California Farm Bureau Federation, Georgia Milk Producers, Michigan Greenhouse Growers Council, Minnesota Milk Producers Association, Ohio Produce Growers Marketing Association, Texas Association of Dairymen, and hundreds of other growers.

Madam Speaker, I include in the RECORD a list of Farmers and Producers Associations supporting H.R. 1603.

Ms. LOFGREN. Madam Speaker, I ask that we come together and pass this bill. America will be stronger and better if we do.

Mr. JORDAN. Madam Speaker, I yield the balance of my time to the gentleman from California (Mr. McCLINTOCK) to control the remainder of the time.

The SPEAKER pro tempore. The gentleman from California will control the time.

Mr. McCLINTOCK. Madam Speaker, I yield 3 minutes to the gentleman from Arizona (Mr. BIGGS).

Mr. BIGGS. Madam Speaker, while the Biden inhumane border crisis rages on the southern border, we are here today, once again, debating amnesty for illegal aliens.

Promising amnesty to those who are already here illegally encourages more aliens to come illegally. All data for the last 35 years shows that there is this correlative relationship.

Instead of voting on amnesty, we should be voting on real reforms to close loopholes and remove incentives for aliens to come here illegally. That is why I reintroduced the Fund and Complete the Border Wall Act earlier this year and introduced the Stopping Border Surges Act earlier this week. These bills include real reforms that will have real impacts.

The Stopping Border Surges Act fixes problems caused by the Flores settlement agreement that prevents DHS from detaining family units for more than 20 days, ensures that unaccompanied alien children are quickly and safely returned home, and promotes increased integrity in the asylum system.

This bill, however, will actually cause more problems than it will solve. It has serious flaws that will lead to fraud and abuse.

This bill gives the Secretary broad authority to waive grounds of inadmissibility for humanitarian purposes, family unity, or because the waiver is otherwise in the public interest. What that means is that convicted criminals will have an opportunity to gain amnesty.

This bill invites fraudulent applications because under this bill, Madam Speaker, if you apply for amnesty, your receipt serves as your authorization to work. All you have to do is apply for the amnesty and you will be able to work legally. There is no way that this will not lead to fraudulent filings.

This bill establishes grant programs that use taxpayer dollars to help illegal aliens apply for amnesty. Instead of spending taxpayer dollars to facilitate amnesty, we should focus on reducing the deficit. This bill does nothing to secure the border or close loopholes in our immigration laws that encourage illegal immigration.

Now, I address something that was said in the last debate. One of the Representatives said that no Republican has taken her up on going to the border. That is not accurate. When she announced that in the Judiciary Committee, I said that I will go with you, that I want to go with you.

We agreed I would go. Our staffs arranged it. My flight reservations were made, and within about 3 days before going, I was told that there is no more room for you on this trip.

So, it wasn't accurate to say that no Republican has taken her up on it. I took her up on it.

I will tell you this, Madam Speaker, when the Speaker says the reason to support the previous bill is that 75 percent of Americans support amnesty, well, if you are going to rely on polling data, I would inform you that a recent poll said that 75 percent of Americans support the use of voter ID. Let's go ahead and fix that then if we are going to rely on voting information to pass good policy.

Let's reinstitute voter ID, and let's vote "no" on this bill.

Mr. NADLER. Madam Speaker, I yield 1½ minutes to the distinguished gentlewoman from Texas (Ms. GARCIA).

Ms. GARCIA of Texas. Madam Speaker, I rise in strong support of this bill. Agricultural workers are crucial to our economy, and this bill would establish a legal and reliable farm workforce.

I support this bill because it recognizes the humanity—yes, the humanity—of farmworkers and their families.

This is personal to me. I grew up poor, picking cotton in the fields of south Texas. I can testify firsthand about the incredibly hard, back-breaking work that farmworkers do, especially in the heat of the south Texas sun. Not much seems to have changed since I worked in the fields. Things pretty much still are handled about the same.

This bill is long overdue and would provide farmworkers with important worker protections and legal rights that I never had and that they desperately need today. Texas is home to nearly 250,000 farms, and the need for a strong agricultural workforce is vital. It is vital to Texas; it is vital to this country; and it is vital to this world.

Madam Speaker, I urge passage.

Mr. McCLINTOCK. Madam Speaker, I yield 3 minutes to the gentleman from Texas (Mr. ROY).

Mr. ROY. Madam Speaker, I thank the gentleman from California for yielding.

Madam Speaker, I hear a lot from my colleagues on the other side of the aisle that this is not how people should be treated, whether it was with respect to the first broader amnesty bill, with respect to the Dreamers, or whether it is this bill with respect to farmworkers, which is, in fact, an amnesty bill. But the fact of the matter is that nobody on this side of the aisle and nobody I know in Texas disagrees that the system is broken and that we need to make sure that people are treated fairly and treated appropriately. Nobody disagrees with that.

The problem is that what we are doing is putting this bill in front of any kind of enforcement mechanisms that will prevent the continued abuse of human beings because we refuse to do our actual job under the Constitution of the United States to secure our border.

We are just refusing to do it, and then we pass legislation in the name of helping people who, yes, are stuck in a system because we created this system because it is so badly broken. You then create the magnet, Madam Speaker, that empowers cartels and continues the vicious cycle.

Today, when this passes off the floor, there will be a lot of backslapping and congratulations: Isn't this great, isn't this awesome, and aren't we so proud of ourselves for what we are doing for these immigrants, these workers?

But we are not doing a darn thing to actually fix the system that prevents the flow, prevents the danger, prevents the cartels, prevents the abuses, and

prevents essentially the indentured servitude that this bill would actually create for the farmworkers in question, leaving them stuck with Band-Aids of having to work certain hours as farmworkers, continuing the process, by the way, while we continue to encourage sex trafficking, human trafficking, crimes, violations, and children being abused.

As I said before, as we sit here in this august body—not actually amending, by the way, just bloviating—while we are sitting here, some little girl is getting raped in Mexico on a journey because of the pressure that we are causing by empowering cartels to do it. That is occurring, and we are just whistling, and we are just sitting here, burying our head in the sand.

Like I said, go give the press conferences and go pat ourselves on the back as a body for being pro-immigrant. How is it pro-immigrant to have wide-open borders being exploited by cartels, wide-open borders with narcotics coming across, and wide-open borders with human beings coming across it?

By the way, when the media says this Biden crisis has ended, if they ever acknowledge it exists, it will be because numbers are going down in facilities because catching and releasing is going up. That is what is going to occur.

The SPEAKER pro tempore. The time of the gentleman has expired.

Mr. McCLINTOCK. Madam Speaker, I yield the gentleman from Texas an additional 30 seconds.

Mr. ROY. Madam Speaker, that is what is going to occur. My fellow citizens back home in Texas and Americans, when those numbers go down in facilities, don't kid yourselves; illegal immigration will continue.

They will be catching and releasing illegal immigrants. They will be dropping numbers down at facilities. They will close the FEMA facility in Midland. We will have as much illegal immigration as we have right now, and the other side will claim: Oh, the crisis is going down.

That is what is coming at us. And today, we are passing amnesty instead of securing the border of the United States.

□ 1445

Mr. NADLER. Madam Speaker, I yield 1½ minutes to the gentleman from Arizona (Mr. STANTON).

Mr. STANTON. Madam Speaker, I thank Chairman NADLER and Chairwoman LOFGREN for their incredible leadership on this important bill.

I rise in support of the Farm Workforce Modernization Act, a bipartisan bill that will improve the H-2A agricultural visa program to make it easier for Arizona farmers to meet their workforce needs while also providing a path for agricultural workers to earn legal status.

Throughout this pandemic, farmworkers have been on the front lines playing a critical role in feeding Amer-

ica's families. They deserve the opportunity to take steps toward legal status in this country. It is the right thing to do for them and it is the right thing to do to advance our farm industry.

This bill is good for Arizona's economy—Arizona, the birth place of Cesar Chavez—where agribusiness is a \$23 billion-a-year industry. Our State's crops cannot be left to rot in the ground because we lack access to a stable workforce.

Passing this bill today brings us one step closer to ensuring that farmers have the stable workforce they need and that farmworkers are recognized for all the work they do for us every day.

Mr. McCLINTOCK. Madam Speaker, I yield 2½ minutes to the gentleman from Georgia (Mr. HICE).

Mr. HICE of Georgia. Madam Speaker, I thank the gentleman from California for yielding.

It is stunning to me that we are still wrestling through these type of issues. We have been watching over the last few months one radical piece of legislation after another and our country is beginning to suffer. We are watching gas prices go up, skyrocketing. We are still shutting businesses down. We are still seeing schools closed. We are watching our energy independence be reversed.

Madam Speaker, it is one horrible bill, one horrible policy after another. And now we are watching a catastrophe on our southern border, and my friends on the other side of the aisle appear to not care what is happening at the southern border.

We haven't honestly called it for what it is: a disaster.

We are not willing to look at the national security issues of it. We are not willing to look at the danger that is occurring, the cartels, the human trafficking, the drug trafficking, the criminals who, perhaps, are coming across our border, the terrorists who may be coming across our border.

And now what are we doing?

We are looking at another outrageous piece of legislation that says: if you come work on a farm, we are going to give you amnesty. It doesn't matter what your background. It doesn't matter who you are.

At the same time, we even have here around Capitol Hill fences guarding us, guarding the American people from the people's House, but we are going to open up our borders for who knows who to come marching through.

Now we have a piece of legislation that says: just come work on a farm and we are going to give you amnesty.

Madam Speaker, 1.5 million people are going to become citizens for working minimal time on farms.

This is going to shield criminals. They are just going to come across the border, claim amnesty, come work on a farm, and before long, they are legal citizens here.

We don't know who these people are. We don't know what their intentions

are, but we are going to grant them amnesty through this bill. It is nonsense. It is frightening. It is irresponsible. It is endangering American lives. It is encouraging even more disaster and danger on our southern border.

It makes absolutely zero sense for us to proceed with this type of irresponsible legislation, and I urge my colleagues to vote against this.

Mr. NADLER. Madam Speaker, I yield 1½ minutes to the distinguished gentlewoman from Texas (Ms. JACKSON LEE).

Ms. JACKSON LEE. Madam Speaker, as I stood on the floor of the House for H.R. 6, this is not amnesty. I thank the gentlewoman from California (Ms. LOFGREN) for her leadership, and Mr. NADLER as well.

Madam Speaker, let me explain to you that under the American Dream and Promise Act, which immigrants are eligible for, they would have 43,500 homes and \$340 million in mortgage payments.

Today, I rise in support of H.R. 1603 because this would allow farmworkers, agricultural workers, to be able to gain legal status and to be able to seek a certified agricultural worker status.

Dr. RUIZ, our colleague, indicated that he was raised by farmworkers. He saw the bent hands, the bent backs, and the broken hands, and he saw the patriotism. This is not amnesty. I will tell you what it is not. It is not the Trump policy of caging children in cages. It is not the Trump policy of turning young 11-year-olds back across the border to be raped.

I hope my colleagues who are talking about abortion and talking about rape voted for the Violence Against Women Act to really protect immigrant women.

I rise to support this legislation because it will provide dignity, opportunity for an enhanced economic engine, as the farmworkers take certified status because they can do it over and over again.

Where is the bread on our table coming from?

The hardworking farmworkers who are out there every day in these fields working to provide for the American people and the people around the world.

We are the breadbasket of the world and, because of their work, we are able to feed many. So I rise in enthusiastic support. I wish my colleagues would have been as enthusiastic and as angry about caging children as they are today about us fixing the immigration system.

Madam Speaker, I ask for support of H.R. 1603.

Madam Speaker, I rise in strong support of H.R. 1603, the bipartisan "Farm Workforce Modernization Act," which will stabilize the agricultural sector and preserve our rural heritage by ensuring that farmers can meet their labor needs well into the future.

First, the bill establishes a program for agricultural workers in the United States (and their spouses and minor children) to earn legal status through continued agricultural employment.

Specifically, the bill creates a process for farm workers to seek Certified Agricultural Worker status, a temporary status for those who have worked at least 180 days in agriculture over the prior 2-year period.

Certified Agricultural Worker status can be renewed indefinitely with continued farm work (at least 100 days per year).

Applicants must undergo background checks and pass strict criminal and national security bars.

Dependent status is available for spouses and minor children.

The bill does not require workers to do or apply for anything else in order to stay and work in the United States.

But long-term workers who want to stay have the option of earning a path to lawful permanent residence by paying a \$1,000 fine and engaging additional agricultural work, as follows:

1. Workers with 10 years of agricultural work prior to the date of enactment must complete 4 additional years of such work.

2. Workers with less than 10 years of agricultural work prior to the date of enactment must complete 8 additional years of such work.

The Farmworkers Movement in this country was started and led by a great leader, Cesar Chavez who said:

We cannot seek achievement for ourselves and forget about progress and prosperity for our community. Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own.

The Texas Farm Workers Union ("TFWU") was established by Antonio Orendain and farmworker leaders of the Rio Grande Valley active with the United Farm Workers (UFW) after a disagreement with UFW leadership over direction of a melon strike in south McAllen, TX in 1975.

In August 1975, nearly ten years after he began organizing farm workers for the United Farm Workers in the Rio Grande Valley of South Texas.

Antonio Orendain worked for Cesar Chavez in the Chicago UFW national grape and lettuce boycott office.

Farmworkers undertake some of the toughest jobs in America.

They have earned the opportunity to build their lives without the fear of being uprooted from their families and their communities.

The bipartisan Farm Workforce Modernization Act empowers the economic and physical well-being of immigrant families while providing much-needed labor security for our nation's farms.

The agricultural industry relies on the labor of 2.4 million farmworkers—about half of whom are undocumented.

This bill would protect thousands of families from deportation.

This is a big step in making our immigration system more humane and more efficient.

I know the farming and agricultural communities in the state of Texas farm and my district borders communities that farm.

What we are doing here is the right thing and attempting to reinforce the breadbasket that the United States happens to be to the world.

I have heard the clamoring of farm workers for a very long time but I have also heard the need for fairness and the improvement of con-

ditions that they are working in with adequate compensation.

This bill regularizes people who want to be regularized and who want to contribute to helping the agricultural industry in this great nation.

I would like to thank my Judiciary Committee colleagues on both sides of the aisle, and in particular, Chairman NADLER and Subcommittee Chairwoman LOFGREN, for their work in shepherding this important legislation to the floor.

I am reminded of our tenure here on the Judiciary Committee and our record of being fair and bipartisan on immigration reform for at least 2 decades.

I urge all members to join me in voting for H.R. 1603, the Farm Workforce Modernization Act of 2021.

Mr. MCCLINTOCK. Madam Speaker, I yield myself such time as I may consume.

I can assure the gentlewoman from Texas that we are outraged by the fact that this administration's policies and pronouncements have encouraged thousands upon thousands of children to be placed on that trail of terror in the hands of Mexican criminal cartels and brought here on the expectation of admission, an expectation that this administration is fulfilling.

I must also assure the gentlewoman that this certainly is an amnesty bill. It allows anyone who is here illegally, who can claim to have worked the equivalent of 13 40-hour weeks over 2 years, legal status, amnesty. The documentation can be as little as having a friend vouch for them.

Ms. JACKSON LEE. Will the gentleman yield?

Mr. MCCLINTOCK. Madam Speaker, I yield to the gentlewoman from Texas.

Ms. JACKSON LEE. Let me say that we can respect each other's differences, and I thank the gentleman for explaining that. Amnesty is not related to people working to earn their status, and that is what this bill does, just as the DACA bill does. They earn their status.

Mr. MCCLINTOCK. Madam Speaker, reclaiming my time.

This only applies to illegal aliens. If you are legally here, obeying our laws, you are out of luck with this bill. What this bill says is, if you are here illegally and can have a friend vouch for you that you worked 1,000 hours over the last 2 years in agriculture—again, that is the equivalent of 13 40-hour weeks—you get legal status.

This is one of the many reasons why we are seeing this response from around the world now flooding our southern border.

Madam Speaker, I am pleased to yield 3 minutes to the gentlewoman from Indiana (Mrs. SPARTZ).

Mrs. SPARTZ. Madam Speaker, I thank the gentleman for yielding.

Madam Speaker, it is unfortunate that Congress cannot have a serious conversation about immigration because we do actually have a real problem. We have a real crisis at the border. It is a humanitarian crisis, the Wild West. We are a country of laws.

We have a problem with illegal immigration. It needs to be streamlined to better serve our national interests. We have problems with visa processes, and we can do better.

But, unfortunately, we are passing a lot of bills that probably will not see the light of day in the Senate, that are not going to become legislation. We do grandstanding drama and constant rhetoric, and it is very unfortunate for me because the American people are tired of our institution not doing its work, because we are policymakers and we are legislators and we have to work on policy, not on political drama.

So as a member of the Subcommittee on Immigration and Citizenship, I encourage my colleagues to actually start working in committees on legislation, not sending legislation from the Speaker's office to the floor, but actually have reforms and work at it because our people deserve it and our people deserve to have a branch that works for the people, not having the executive and judicial branches doing our functions.

So I hope we will have some very constructive and serious conversation on immigration, and I would be happy to help with it, but these piecemeal approaches are not going to work and are not good for our country.

Mr. NADLER. Madam Speaker, I yield 2 minutes to the gentleman from Idaho (Mr. SIMPSON).

Mr. SIMPSON. Madam Speaker, I thank the gentleman for yielding.

Madam Speaker, I rise today in support of the Farm Workforce Modernization Act.

For years, my constituents have been asking me to fix our Nation's broken immigration system. They have told me that the shortage of legal workers in agriculture is wreaking havoc on our farmers in rural communities.

That is why I joined with my good friends, Representatives NEWHOUSE, DIAZ-BALART, and LAMALFA to come up with a bipartisan solution to this problem. Along with Chairwoman LOFGREN and other Democratic colleagues, we crafted a bill to create a merit-based agricultural immigration system for our Nation's food producers, and make much-needed reforms in the H-2A program.

But don't just take my word for it. There are over 250 agricultural industry groups from all across America that have written to Congress to support this bill. From potatoes and dairy in my district to citrus and strawberries in Florida and California, growers agree that this bill is good for agriculture and good for our country.

But I want to take a moment to address the current situation on our southern border. What is happening there is a crisis and we must address it. We all realize that. Unfortunately, years of congressional inaction has made "immigration" a toxic word. This bill is not about what is happening on the border, but that seems to be what all of the debate is about—

what is happening at the southern border.

This bill is not amnesty. It does not grant anybody amnesty. It allows individuals to get right with the law and to become part of the legal workforce in the United States. It is about providing a stable legal workforce for the people who put food on our tables.

This isn't a perfect bill. No one would agree that it is. But it is a very good compromise that actually gives us a chance to solve a real problem for our constituents. That is why I came to Congress, to do those things, and I urge my colleagues to support this legislation.

Mr. MCCLINTOCK. Madam Speaker, no one disputes that this bill is a huge windfall to big agriculture. The problem is that it comes at the expense of American workers.

Madam Speaker, I reserve the balance of my time.

Mr. NADLER. Madam Speaker, I yield 1½ minutes to the distinguished gentlewoman from Texas (Ms. ESCOBAR).

Ms. ESCOBAR. Madam Speaker, I thank the chairman for yielding.

I will be very clear, Madam Speaker. Farmworkers do back-breaking work under the scorching sun or unbearable cold to make sure that all of us have food on our table. Whether they are sick, feeling well, whether they have family members who are not feeling well, they go to work to make sure we have what we need, even, and almost especially, during the era of COVID.

It is incredible that anyone would stand in the way of having these incredible people finally have a pathway to legalization.

The Farm Workforce Modernization Act is a piece of legislation that is long overdue. I have one thing to say to those who would oppose legislation for this population, even though they benefit from the labor of this population: "they don't have shame," "no tienen vergüenza."

Mr. MCCLINTOCK. Madam Speaker, I yield 4 minutes to the gentleman from Wisconsin (Mr. TIFFANY).

Mr. TIFFANY. Madam Speaker, while chaos reigns on the border, we have another Democrat jam job before us today.

I would turn to the committee ranking member, the gentleman from California (Mr. MCCLINTOCK), for a colloquy.

Did the gentleman see these bills in the committee?

Mr. MCCLINTOCK. Will the gentleman yield?

Mr. TIFFANY. Madam Speaker, I yield to the gentleman from California.

Mr. MCCLINTOCK. Not this session, no.

Mr. TIFFANY. Madam Speaker, reclaiming my time.

These bills did not come before this committee. For someone like myself, who has just joined the committee, I did not even have a chance to be able to partake in this bill.

I wanted to express concerns especially about the H-2A provision in this bill because I am familiar—there is a parallel to the J-1 visas that we use in northern Wisconsin in the resort area. They are temporary visas. And what we found over the years as employers is that people would figure out how to use the J-1 visa to get into the country, and then go job shopping from there.

The H-2A is susceptible to the same thing. And due to lax enforcement, we could all live with it if there was good enforcement in America, but there is not good enforcement of our laws here in the United States.

So let's cut to the chase here. The gentleman from California touched on this very well. These bills devalue American workers' labor.

In 2019, the greatest increase in wages for people who are in the lower income brackets happened, the greatest increases in decades.

I just say to all of those working-class Americans out there: Make no mistake, these bills today are another clear message that you are viewed as replaceable.

□ 1500

Mr. NADLER. Madam Speaker, I yield 1 minute to the gentlewoman from California (Ms. PELOSI), the distinguished Speaker of the House.

Ms. PELOSI. Madam Speaker, I salute the gentleman for the excellent work of his committee, bringing this important legislation, H.R. 1603, the Farm Workforce Modernization Act, to the floor. I thank the chairman for this critical victory for farmworkers and growers, who have come together in support of this legislation, this legislation which ensures that America can continue to feed the world.

Thank you to Chair ZOE LOFGREN, chair of the Subcommittee on Immigration and Citizenship, for her years of relentless leadership on behalf of farmworkers, without which this bill would not be possible. I sang her praises earlier as a former teacher of immigration, immigration lawyer, and chair of the Subcommittee on Immigration and Citizenship. She knows of what she legislates.

I think that it is clear to see there are a number of Californians involved in this. I want to salute Mr. COSTA and Mr. CARBAJAL, who are an important part of this. They represent farmland in California. They know the needs of the workers. They respect the involvement of the growers.

This, again, is a wonderful bill. We salute many Members, representing every corner of the country, whose vision and values have strengthened this bill that has truly been a caucus- and Congress-wide effort.

Thank you to the United Farm Workers for their outstanding organizing which made this possible. In addition to our work internally, their outside mobilization is so important.

We are also inspired by the immortal words of our beloved Dolores Huerta:

"Yes, we can," "Si, se puede." Yes, we can; yes, we will; and, yes, we are doing it. It was an honor last year at this time to celebrate her 90th birthday in the Rayburn Room, the last event we had before COVID took over. So here we are a year later. This is probably a better celebration.

Passing the Farm Workforce Modernization Act and doing so on a bipartisan basis was a source of pride in the last Congress, and it is now. With a Democratic majority in the Senate and President Biden in the White House, when we pass it again, it is with better assurance that it will become law.

The bill honors the millions of farmworkers who are the backbone of our economy, quietly persevering through harsh working conditions and low wages as they power the farm economy and put food on our tables.

As the U.S. Conference of Catholic Bishops has written:

Recognizing the dignity of work of farmworkers and their families is a central concern.

Farmworkers produce the food that we eat and contribute to the care of our community.

This legislation, while long overdue, is urgently needed now, in light of the coronavirus crisis, which is forcing our essential farmworkers to live and work under a cloud of fear and uncertainty about their health and their jobs.

At the same time, the pandemic has accelerated a labor crisis in the farm economy that endangers farmers and producers and requires action. This action today is an agreement between the growers and the farmworkers.

This legislation supports workers and the farm economy with strong, smart reforms.

This bill provides a path to legalization for more than one million currently undocumented farmworkers. No one who works to feed our country should be condemned to permanent second-class status.

This bill establishes the agricultural workforce of the future by modernizing the H-2A initiative to ensure that farms have stable, secure workforces.

Critically, it demands fair, humane treatment for farmworkers by securing fairness in pay, improving access to quality housing, and ensuring robust safety and heat illness protections.

Any of us who have visited farmworkers in the fields—and some of our Members have been farmworkers themselves or children of farmworkers—know the environment, the heat, the chemicals, and the rest, are a challenge.

This legislation is a critical step forward for our workers, for our growers, and the farm economy, but our work is not done.

Congress will continue to stabilize the farm economy, protect workers and families, and maintain America's agricultural preeminence in the world.

Under the leadership of President Biden, we will continue our work to fundamentally, fully fix our broken immigration system so that we can honor

America's proud immigrant heritage and advance a better future for all.

Earlier, I quoted President Reagan. I want to do so again more fully. Earlier, when I spoke on the floor about Dreamers, I did so for 8 hours and 6 minutes. I promised earlier today to be shorter, and so I didn't give as much of President Reagan's speech.

This is what he said: "And since this is the last speech that I will give as President, I think it's fitting to leave one final thought, an observation about a country which I love."

He went on to talk about the Statue of Liberty, Madam Speaker. He said: "The torch of Lady Liberty symbolizes our freedom and represents our heritage, the compact with our parents, our grandparents, and our ancestors. It is that lady who gives us our great and special place in the world. For it's the great life force of each generation of new Americans that guarantees that America's triumph shall continue unsurpassed into the next century and beyond. Other countries may seek to compete with us; but in one vital area, as a beacon of freedom and opportunity that draws the people of the world, no country on Earth comes close."

As I said earlier, he said: "This, I believe, is one of the most important sources of America's greatness. We lead the world because, unique among nations, we draw our people—our strength—from every country and every corner of the world. And by doing so we continuously renew and enrich our Nation. While other countries cling to the stale past, here in America we breathe life into dreams. We create the future, and the world follows us into tomorrow. Thanks to each wave"—President Reagan said—"Thanks to each wave of new arrivals to this land of opportunity, we're a Nation forever young, forever bursting with energy and new ideas, and always on the cutting edge, always leading the world to the next frontier. This quality is vital to our future as a Nation. If we ever closed the door to new Americans, our leadership in the world would soon be lost."

This being the last speech that I will give as President, President Reagan said, "I think it's fitting to leave one final thought, an observation about a country which I love."

As we remember the words of President Reagan, I also recall the words of the late Cesar Chavez, whose birthday we celebrate later this month. He said: "To make a great dream come true, the first requirement is a great capacity to dream; the second is persistence."

Thanks to all of our bipartisan Members for their persistence on this legislation for which I urge a strong bipartisan "aye" vote.

Mr. McCLINTOCK. Madam Speaker, I would remind this Speaker that Cesar Chavez was one of the most outspoken adversaries to illegal immigration, precisely because he knew what that did to depress the wages of the legal immi-

grants that he represented through the United Farm Workers.

I yield 1 minute to the gentleman from Pennsylvania (Mr. THOMPSON), the ranking member of the Committee on Agriculture.

Mr. THOMPSON of Pennsylvania. Madam Speaker, as Republican leader of the House Committee on Agriculture, I have the opportunity to speak with producers nationwide, and, overwhelmingly, they say the number one issue facing the industry is the lack of a reliable, legal workforce.

When it comes to farm labor, our immigration system is broken and in desperate need of repair.

The Farm Workforce Modernization Act is a step in the right direction. I will vote "yes" today, but to be clear, the bill is imperfect and must be improved before becoming law.

It will not fully address the shortage of legal agricultural workers and may leave our farmers, ranchers, and especially our dairies, with critical unmet needs.

I filed an amendment that would have addressed these deficiencies that was endorsed by the American Farm Bureau Federation. Though not made in order, I hope that amendment will serve as a starting point in the Senate for necessary improvements.

Americans are blessed with a safe, abundant, and affordable food supply. But how long will that food supply last if we do not have an adequate agricultural workforce?

This may be a once-in-a-generation opportunity to reform our immigration laws. Therefore, we must get it right.

Madam Speaker, if we fail to address the agricultural workforce, we will have food insecurity, and that will lead to national insecurity.

Mr. NADLER. Madam Speaker, I yield 2 minutes to the gentleman from Washington (Mr. NEWHOUSE).

Mr. NEWHOUSE. Madam Speaker, let me be blunt: there is a crisis at our southern border. You have heard about it from my Republican colleagues and I over the past few days. Just this year, more than 200,000 people have illegally crossed our border, including four known terrorists.

We must do something to stop this disturbing trend. The U.S. is a country of law and order. We must continue working to reform our broken immigration laws and enhance our border security.

That is exactly what this legislation will do. The Farm Workforce Modernization Act is a truly bipartisan bill, negotiated over many months by agriculture and labor representatives alike, to ensure those who wish to can come to our country, abide by our laws and contribute to our farms, ranches, and local communities.

The bill creates an employment- and merit-based program for foreign workers to legally work in agriculture, eliminating incentives for illegal migration and strengthening both our national security and our national food supply chain.

This legislation streamlines our H-2A guest worker program, giving employers more flexibility and allowing access for year-round agriculture sectors like dairy and horticulture.

Finally, the bill phases in E-Verify. So, once these laws are in place, we can enforce them and ensure that workers maintain a legal work status.

Madam Speaker, I come from one of the most productive agricultural regions in the world, where many of our crops are labor intensive. As much as producers would prefer to hire American workers to work in their fields, in their orchards, and in their dairies, there simply isn't enough interest among domestic workers to get these jobs done.

For decades, Congress has attempted to pass comprehensive immigration reform to address our agricultural workforce, but we have been unsuccessful. This bill is the targeted, bipartisan solution our farmers and ranchers need.

I want to thank Ms. LOFGREN, Mr. DIAZ-BALART, Mr. SIMPSON, Mr. LAMALFA, and many others. I urge my colleagues to support this bill so we can get it to the President's desk for America's agricultural industry.

Mr. McCLINTOCK. I yield 1 minute to the gentleman from California (Mr. LAMALFA).

Mr. LAMALFA. Madam Speaker, let's acknowledge the reality of what we have right now, a big mess of a situation that hasn't been cured in several decades.

We used to have a system of invited workers, called the *bracero* program. Political battling has caused no new fix in all of this time. Similarly, this bill allows good workers, decent people, to get right with the law, with background checks, with restitution, and requirements to stay right with their ag worker status.

The same bill passed this House through committee last Congress with good bipartisan support. It has benchmarks that must be met by workers who are already here with history in ag, not opening the floodgates to more illegal entry and benefits. More recent entrants are required to remain in ag work for 8 additional years to remain eligible. We have caps in this bill to the current approximately 700,000 workers already here, with capped ratchets if more are needed.

It establishes an E-Verify for ag, with strong biometric screening for all these certified ag workers, something we have never had under E-Verify.

It codifies in law many of the pieces adopted in the Trump administration's H-2A rule, including staggered H-2A and making it much less burdensome for farmers to get these workers, especially dairy, which needs year-round workers and cannot have it now.

The SPEAKER pro tempore. The time of the gentleman has expired.

Mr. NADLER. Madam Speaker, I yield an additional 30 seconds to the gentleman from California (Mr. LAMALFA).

Mr. LAMALFA. Madam Speaker, what this bill is not is amnesty, even though it may be dismissed as such. Americans have demonstrated they will not step forward to do this work, not with the nonworking benefits they can already access. Frequent anecdotes show that those that might, frequently quit after a few days because the work is too hard, even at dramatically increased wages.

This law does not hand out citizenship or allow anyone to cut ahead in line to apply for it. The same goes for green cards. No express lane for green cards, not even government benefit eligibility.

This is simply a way to get right with the law, have a capped pool of already in-place ag workers with legal status. That is better for the worker, the farmer, and for our system of ID'ing who is in this country currently. It is a vast improvement over what we have now.

□ 1515

Mr. McCLINTOCK. Madam Speaker, I would just point out, the last 30 seconds was on the time of the gentleman from New York. I reserve the balance of my time.

Mr. NADLER. Madam Speaker, I yield 1½ minutes to the gentleman from California (Mr. PANETTA).

Mr. PANETTA. Madam Speaker, the Farm Workforce Modernization Act would simply protect our existing farmworkers and perpetuate an enduring farm workforce. It would do that by modernizing and streamlining our H-2A visa system and by allowing those who are willing to come here to stay here if they continue to work here in agriculture.

Now, this bill is a bipartisan bill. It is the right bill because it was a negotiated bill. No, it is not the perfect bill, but it is the necessary bill that was formulated after months and months of difficult talks between Democrats and Republicans and farmers and farmworkers.

Now, during those discussions, unlike what we are hearing today, we put negative politics aside and we focused on the positive policies for the people who are part of the solution to the number one problem for our farmers. We don't have a domestic workforce willing to do ag labor, so farmers are reliant on immigrants to harvest their products.

That is why, if we pass this bill today and the Senate does its job tomorrow, farmers will have a predictable and dependable workforce, farmworkers will get the legality and the dignity that they deserve, and we in Congress will have done our job for our agriculture and for our Nation that both rely on immigrants for our future.

Mr. McCLINTOCK. Madam Speaker, I reserve the balance of my time.

Mr. NADLER. Madam Speaker, I yield 2 minutes to the distinguished gentleman from California (Mr. COSTA).

Mr. COSTA. Madam Speaker, I rise to support the bipartisan Farm Work-

force Modernization Act, which is an opportunity to provide meaningful reform that we have been waiting for, for years.

This measure is supported by a bipartisan coalition that includes not only the United Farm Workers and other labor organizations, but a majority of farm organizations across the country. What this is really about is an opportunity to fix a part of a broken immigration system.

I want to thank not only Chairman NADLER, but also Chairwoman ZOE LOFGREN and DAN NEWHOUSE for the hard work that they have done to bring this legislation to the floor, bipartisan support on both sides of the aisle.

Let me begin with the fact that food is a national security issue. It is a national security issue. Less than 5 percent of America's population is directly involved in the production of food and fiber that feeds our Nation. That partnership is between farmworkers and farmers and dairy men and women.

I know because my family represents a third-generation family. Farmworkers are some of the hardest working individuals you will ever meet. I know because I worked side by side for years growing up on my family's farm.

It is simply wrong that they be subject to living and working under a shadow of uncertainty and fear of being deported. That is not right.

This bill is not about the border. The border has been a problem for decades. It is not about amnesty. This is an earned basis to have legal status in America. I have spoken with the hard-working men and women and their young children who work to put food on America's dinner table, and I've seen the hope in their eyes, the hope that we can pass this legislation to provide them legal status, hope for a normal life free of the dread of family separation that too often happens with deportation that hangs over them every day when they go to work, hope for a chance to change their reality and reshape their story.

This measure involves protections. It involves E-Verify. It involves an opportunity to reform an H-2A program for a reliable workforce for American agriculture. We owe it to the individuals who do so much for us. I ask that you support this legislation.

Mr. McCLINTOCK. Madam Speaker, I yield 2 minutes to the gentleman from Ohio (Mr. DAVIDSON).

Mr. DAVIDSON. Madam Speaker, I rise in opposition to this bill.

It purports to solve an important problem for our country's ag workforce, for our ag community, and for food security for our country, but it exploits a bigger problem and a real emergency by creating a gaping hole in our broken immigration system. Rather than address the root issue with our immigration laws, it exploits them.

Frankly, I don't know how many noncitizens some of my colleagues represent. I came here to represent Amer-

ican citizens. This bill disadvantages American citizens, and it disadvantages people who follow our admittedly broken immigration laws and come here legally, and it rewards people who come here illegally.

It is going to exacerbate the humanitarian crisis we see at the border instead of cure it. It is not a remedy; it is a harm. It is a harm to American citizenship, which should be treasured. We do welcome new Americans. We are unequaled in the world. No country welcomes more new citizens per year than the United States of America.

We will continue to be the land of opportunity, but we can only do that if we protect the cherished value of American citizenship. Citizenship matters. We cannot destroy it by adopting these policies. I plead that people oppose it.

Mr. NADLER. Madam Speaker, I yield 2 minutes to the gentleman from California (Mr. RUIZ).

Mr. RUIZ. Madam Speaker, I and the Congressional Hispanic Caucus rise in support of H.R. 1603, the Farm Workforce Modernization Act.

My parents were farmworkers who worked tirelessly day in and day out with calloused hands and tired backs to give me, their children, opportunities that they never had.

Farmworkers like my parents and like many of my constituents back home in the Coachella Valley taught me the value of hard work, resiliency, and taking care of one another.

Farmworkers are getting infected and dying from COVID-19 at a much higher rate than the general public. They are literally dying to feed you, give you the nutrients you need to prevent COVID-19 and to heal from COVID-19.

We must protect and secure our food supply chain. We must pass the bipartisan Farm Workforce Modernization Act to stabilize our food supply chain and ensure that farmers can meet their future labor needs.

The Congressional Hispanic Caucus is proud to work with Chair ZOE LOFGREN and Congressman JIMMY PANETTA, as well as CHC members SALUD CARBAJAL and JIM COSTA, and other Members to get the bill signed into law.

Mr. NADLER. Madam Speaker, I yield the balance of my time to the gentlewoman from California (Ms. LOFGREN).

The SPEAKER pro tempore. The gentlewoman from California will control the time.

Mr. McCLINTOCK. Madam Speaker, I am pleased to yield 3 minutes to the gentlewoman from Minnesota (Mrs. FISCHBACH).

Mrs. FISCHBACH. Madam Speaker, H.R. 1603 subjects H-2A employers to a private right of action in Federal court for the first time ever in the history of the H-2A program. The bill does so by applying the right of action standard in the Migrant and Seasonal Agricultural Worker Protection Act, or MSPA, to H-2A employers.

My motion to recommit today simply provides that when an H-2A employer faces an H-2A-related claim under the MSPA, the employer is provided a right to cure before the claim can proceed. Specifically, the amendment allows the employer to attempt to resolve the alleged violation within 5 days of receiving the complaint. The employer must also file with the court documentation demonstrating that the action giving rise to the complaint has been remedied. After that, the court may dismiss the complaint if it is satisfied that the complaint has been resolved.

Under H.R. 1603, private right of action can include actual damages or statutory damages of up to \$500 per plaintiff per violation, where violations constitute separate provisions. Most claims involve multiple plaintiffs and, in class action, could involve many plaintiffs who didn't even want to be part of the claim. For class action, the court is authorized to award the lesser of up to \$500 per plaintiff per violation or up to \$500,000. In other words, liability under MSPA could be half a million dollars.

Especially in the case of a fabricated claim or an unintended violation, this could be financially devastating for farmers. Costs like these to agricultural employers on top of attorneys' fees, court fees, and awards pursuant to other claim avenues should be taken seriously. They can be significant burdens on employers who did not knowingly or purposefully violate H-2A requirements.

At the very least, we should allow our growers the opportunity to remedy a potential violation before they are hit with a huge penalty. Today's motion to recommit would do just that. If the purpose of filing a complaint is to seek redress, then this amendment provides a reasonable path forward.

I am sure that those whose purpose it is to subject employers to additional claims, frivolous or otherwise, will oppose my amendment, but those who understand the importance of helping U.S. farmers in the face of constant and growing competition from foreign agricultural operations without our high labor standards understand how reasonable a right to cure is.

The SPEAKER pro tempore. The time of the gentlewoman has expired.

Mr. McCLINTOCK. Madam Speaker, I yield an additional 1 minute to the gentlewoman.

Mrs. FISCHBACH. Madam Speaker, my amendment would retain the ability of H-2A workers to obtain redress, but would provide important protection for growers, too.

Madam Speaker, if we adopt the motion to recommit, we will instruct the Committee on the Judiciary to consider my amendment to H.R. 1603 to provide a commonsense right to cure for our Nation's farmers, who will be subject to burdensome litigation under this underlying bill.

Madam Speaker, I ask unanimous consent to include the text of the

amendment in the RECORD immediately prior to the vote on the motion to recommit.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Minnesota?

There was no objection.

Ms. LOFGREN. Madam Speaker, may I inquire how much time remains on both sides?

The SPEAKER pro tempore. The gentlewoman from California has 9 minutes remaining. The gentleman from California has 5½ minutes remaining.

Ms. LOFGREN. Madam Speaker, I yield 2 minutes to the gentleman from Texas (Mr. CUELLAR).

Mr. CUELLAR. Madam Speaker, farm work is hard work. Both of my parents, Odilia and Martin, were farmworkers. It is very hard work. It is one of those type of jobs that is very necessary to make sure that we bring food to the table.

I represent several areas that are rural, and my ranchers and my farmers need an ag work program. It has to. They need it. I have always said, if an American wants the job, let them have that job. But if they are not going to fill that position, then we need to have a guest worker plan, just like we did during World War II, where we did the Bracero program. Therefore, we need to support this for our ranchers and our farmers.

I will tell you this, it is not amnesty. What Ronald Reagan did in 1986, that was amnesty. This is not amnesty. And if you want to talk about border security, this will help secure the border.

Let me explain. If you have people who will come into a secure system to come work, and then they go back, then you can have Border Patrol focus on the people who have the bad motives, the people who want to bring in drugs, the people who want to smuggle or traffic people. So this actually will help border security if we set this up right, like they did in World War II.

Madam Speaker, I ask Members to support this program. It is needed by our farmworkers. We need to do it.

Madam Speaker, I want to thank Chairwoman ZOE LOFGREN and Mr. NADLER for their work.

Mr. McCLINTOCK. Madam Speaker, may I inquire of my friend from California if she has any additional speakers?

Ms. LOFGREN. No, I do not.

Mr. McCLINTOCK. Madam Speaker, I yield myself the balance of my time.

Just yesterday, the Secretary of Homeland Security told the Homeland Security Committee that the border is secure. The Secretary said the border is secure, despite saying only 1 day earlier that the Department of Homeland Security is on pace to encounter more individuals on the southwest border than we have in the last 20 years.

He said the border is secure, despite a 590 percent increase in the number of family units crossing the border in the first 6 weeks of the Biden administration.

He said the border is secure, despite Customs and Border Protection referring over 7,300 unaccompanied alien minors to the Department of Health and Human Services during the month of February. That is the highest number of referrals in any February in the history of the program.

□ 1530

He said the border is secure despite the Biden administration's plan to use the Dallas Convention Center to house thousands of the unaccompanied minors who the cartels have smuggled across the border.

No matter what Secretary Mayorkas says, the fact is the border is not secure, and it is not secure because of President Biden's dangerous immigration policies.

We know that when foreign nationals think they can easily get into the U.S. and be rewarded with legal status, which is what this bill does, they flood the border.

We are watching that happen before our eyes. Aliens are flooding the border in response to the President's rhetoric and policies and in response to the promises of additional rewards made through bills like this.

Talk of amnesty fuels border crossings. That is a fact.

This bill grants amnesty and a special path to U.S. citizenship to at least 1 million farmworkers currently in the United States. I have seen estimates that go up to 2½ million—nobody really knows—as well as to their spouses and children.

This bill allows aliens to get green cards even if they illegally reentered the U.S., committed immigration fraud, voted illegally in a Federal or State election, or have two serious misdemeanor convictions.

The supporters of this bill claim that illegal aliens who get green cards must work in agriculture. However, the bill includes broad waiver authority that allows those who did not complete all the work requirements because of weather conditions or COVID or if the alien was fired, among other situations, to still get a green card.

Those legalized under this bill would, from the outset, compete directly for jobs with Americans. Nothing in this bill prevents those who get employment authorization during the initial process from working in non-agricultural labor sectors. And of course, once they and their family members get a green card, as provided under this legislation, they are free to work wherever they want.

This bill sends a powerful message and an invitation to those who cross our borders illegally that they can expect to be rewarded with legal status and, ultimately, green cards and an expedited path to citizenship.

But far worse than that, it floods our market with low-wage labor at a time when Americans are struggling to recover from the devastating lockdowns that have crushed the dreams of so many working families.

I will end as I began. The people who were most helped by the economic expansion that we saw were working-class Americans because the Trump administration got control of our borders and stemmed the flow of this illegal labor.

They made the greatest gains during the expansion; they have been the most harmed during the lockdowns; and this adds to their burdens and woes by ensuring that the market for their skills and labor will remain stagnant for a decade to come.

Please don't do this to those good Americans in this perilous time for our country.

Madam Speaker, I yield back the balance of my time.

Ms. LOFGREN. Madam Speaker, I yield myself the balance of my time.

There has been a lot of rhetoric today about the border, and I think it is important to address some of it.

First, let's get the facts straight. The uptick in apprehensions at the southern border began in April 2020, last year, long before we knew President Biden was even going to become the Democratic nominee, much less the President.

During the pandemic, the Trump administration did something that troubled me a great deal and that I objected to. They ignored the Trafficking Victims Protection Act. That was a bipartisan bill. Congressman CHRIS SMITH from New Jersey was the lead on the Republican side. I worked on it on our side along with others. It had a very precise protocol for what to do when an unaccompanied child presented at the border, a potential trafficking victim.

Instead of following that protocol, the prior administration would simply take that child, an 11- or 12-year-old little girl, and turn her back into Mexico, not knowing what would happen to her.

Now, those children who have been in squalid camps for the last year are being addressed pursuant to the Trafficking Victims Protection Act. It is correct that we have had more children present than we were prepared to deal with, and there was a scramble to take care of those children properly. But it has nothing to do with the Farm Work Modernization Act.

I listened with some interest to the suggestion that there needs to be a change in the Migrant and Seasonal Agricultural Worker Protection Act provisions of this bill. Currently, H-2A employers must comply with the H-2A program requirements, which largely meet or exceed MSPA. The primary difference is that the DOL stands in the place of the foreign farmworker in bringing forward cases of alleged violation of the H-2A program.

The Fair Labor Standards Act and a number of other Federal and State laws apply to the H-2A program, but it is worth noting that any H-2A employer that employs one or more domestic workers who perform seasonal

or temporary agricultural work is already covered under MSPA, and that would be close to like all employers. This bill would formally place all employers of H-2A workers under MSPA, impacting only those who hire no domestic employees.

The idea that there needs to be a right to cure has merit, except it is already addressed in this bill because it requires mandatory mediation. If there is a problem that can be fixed, it will be fixed in the mediation system. That is quite new.

The other thing to point out is that there are no attorney's fees provided for in the bill or in MSPA, so the idea that somehow this is a windfall for the trial bar is simply incorrect.

There is a great Q&A truth setting in a publication called Hoard's Dairyman, "What the Farm Workforce Act could mean." I include the article in the RECORD.

[From Hoard's Dairyman, Mar. 15, 2021]
WHAT THE FARM WORKFORCE ACT COULD
MEAN

(By Bob Gray)

The Farm Workforce Modernization Act, bipartisan bill H.R. 1603, was reintroduced this week by Congresswoman Zoe Lofgren (D-Calif.) and Congressman Dan Newhouse (R-Wash.). It could be taken up by the full House this week.

Here are some additional details about the bill. Most of this information came from the four Republican leads—Representatives Dan Newhouse (R-Wash.), Mike Simpson (R-Idaho), Mario Diaz-Balart (R-Fla.), and Doug LaMalfa (R-Calif.). Before reading further, I want to reiterate, however, that this is a bipartisan bill with support from both sides of the aisle.

The Farm Workforce Modernization Act (FWMA) expands the current H-2A seasonal worker program to include full-time, year-round workers for dairy and other agricultural businesses.

The bill is not perfect, but it is a very good start in providing an extremely important piece of the legislative reform needed by dairy farmers. Right now, as you all know, we have no program. We have never had an immigration worker program in the past.

When the bill goes before the House next week, you will hear various pros and cons about it in the press. Therefore, I thought it would be useful to include a "Facts and Myths" sheet about the legislation so you can fully understand its provisions and not be misled by information that is incorrect.

THIS IS WHAT THE FARM WORKFORCE MODERNIZATION ACT DOES

Simplifies H-2A by reducing duplicative paperwork—only one filing needed instead of three.

Bureaucracy is reduced even further for many farmers with staggered labor needs. Farmers can file one petition for the entire season, allowing for staggered entry of H-2A workers.

Modernizes recruitment by allowing employers to post job openings on an online job registry. No classified ads are required.

Reduces labor costs by freezing wages for one year and capping wage growth thereafter. The adverse effect wage rate is replaced in later years.

Makes available 60,000 year-round H-2A visas over the first three years, growing annually by 12.5%. Dairy is guaranteed at least half of these visas, and any unused visas are available for other agriculture industries.

Stabilizes the existing workforce by giving legitimate farmworkers a chance to get a five-year Certified Agriculture Worker (CAW) visa to work in U.S. agriculture. As long as the worker continues to meet minimum days in agriculture annually, the worker can continue to work in the U.S. with unlimited five-year renewals. CAWs can cross the border as they need without restriction.

CAWs can earn the opportunity to apply for a green card by paying a penalty and continuing to work in agriculture for at least eight years. If a CAW can prove 10 years of prior work in agriculture, they can apply for a green card after four years.

MYTHS AND FACTS

MYTH: This bill will codify wage surveys into law and result in multiple wage classes. Under this bill, wages will be much higher than the current Adverse Effect Wage Rate (AEWR).

FACT: This bill provides for greater certainty and granularity in wages. First, this bill applies a one-year freeze of wages across all categories at the current year's rate. After the one-year freeze, all wage rates are then limited in any increases year over year to 3.25% with the ability to decrease 1.5%. (Exception: If the resulting wage is less than 110% of the federal or state minimum wage, then the wage could increase an additional percentage point to 4.25%.) After year 10, the AEWR requirement ends, and the Secretaries of Agriculture and Labor must develop a new wage standard with input from stakeholders. If Congress fails to act to control and reform AEWR, some estimates have shown AEWR rates could rise 7% to 8% annually in the coming years.

MYTH: Adjusted workers are treated immediately as U.S. workers, thus requiring employers to hire them. This displaces previous H-2A workers.

FACT: This bill includes a provision that allows employers to prioritize their longtime H-2A workers over new Certified Agriculture Workers (CAWs). CAWs have a requirement to work in agriculture that no domestic worker has. Because of that requirement and proven experience in agriculture work, CAWs do receive preference over new foreign agriculture workers. There is no expansion of the current workforce; CAW workers are already here and working in agriculture. The bill eliminates the legal chaos farmers and workers face today.

MYTH: This bill does not allow agricultural associations to file as agents on behalf of their members.

FACT: This bill does not affect the ability of associations to file as agents. The bill allows associations to file as agents, or as a joint or sole employer of workers.

MYTH: This bill provides no relief for dairies or year-round agriculture.

FACT: This bill creates year-round access to the H-2A program for dairy and other agricultural sectors that desperately need workers but have previously been unable to utilize the program. Without this bill, year-round agriculture has no access to a legal foreign workforce.

MYTH: This bill would create new funding for the Legal Services Corporation.

FACT: There is no new funding in this bill for the Legal Services Corporation.

MYTH: This bill requires farmworker housing to meet Occupational Safety and Health Administration (OSHA) standards.

FACT: Farmworker housing is already required to meet OSHA standards, and DOL requires annual approved inspections before approving a certification. The bill makes no changes to that requirement, and in fact, reduces the inspection to every two years. The bill provides \$11 billion in additional funds to

offset costs for grower-provided and other farmworker housing.

MYTH: This bill establishes a new bureaucratic complaint/investigation process that allows anyone to file a complaint.

FACT: There is no new process established in this bill. It simply codifies existing regulations.

MYTH: The bill requires more reporting on employer recruitment efforts.

FACT: There are no additional reporting requirements in this bill, and requirements for recruitment efforts have been simplified and modernized.

MYTH: This bill creates a new private right of action for H-2A workers under the Migrant and Seasonal Agricultural Worker Protection Act (MSPA).

FACT: Currently, H-2A employers must comply with the H-2A program requirements, which largely meet or exceed MSPA. The primary difference is that DOL stands in the place of the foreign farmworker in bringing forward cases of alleged violations of the H-2A program, the Fair Labor Standards Act (FLSA), and a number of other federal and state laws. In addition, any H-2A employer that employs one or more domestic worker who performs seasonal or temporary agricultural work is also currently covered under MSPA. The bill would formally place all employers of H-2A workers under MSPA (impacting only those who currently hire no domestic employees for seasonal or temporary work) while creating a new mandatory mediation requirement for any claim not just filed under MSPA but extended it to claims under the H-2A program and FLSA. Mandatory mediation could help reduce litigation costs and attorney fees for growers, in part by resolving frivolous claims before reaching the court room.

MYTH: This bill gives workers up to two years to file a legal claim against an employer, even after the worker has returned to their home country.

FACT: Under current statute, H-2A workers already get this. There is nothing new in this bill. Many state-based claims have longer statute of limitations.

MYTH: This bill gives the Department of Labor (DOL) a new ability to sue on behalf of employees.

FACT: Under the Fair Labor Standards Act (FLSA), DOL already has this ability. There is nothing new in this bill.

MYTH: To overcome a denial of labor certification, this legislation places the burden of proof on employers to show that domestic workers were turned away for lawful reasons.

FACT: Nothing new is in this bill. This provision already exists under current law.

MYTH: This bill permits very limited appeals and does not grant de novo appeals of denials or Notice of Disagreement (NOD).

FACT: This bill allows employers to quickly fix application deficiencies, as with current law. The bill, however, improves this process by creating a new emergency procedure for farmers so issues are fixed faster and workers are not delayed. It also allows for post-certification modifications.

MYTH: This bill establishes a new requirement for employers to provide housing for domestic workers outside of a 50-mile distance.

FACT: The bill does not change any current housing requirements. As with current law, the requirement to provide housing applies only to U.S. workers who live outside of the normal commuting distance for the area.

MYTH: The bill makes no meaningful reform to the high housing costs in the H-2A program.

FACT: The bill makes historic investments in farmworker housing while reducing employer costs in providing such housing, in-

cluding to H-2A workers. The bill provides \$1 billion to rehabilitate existing housing, triples federal funding for USDA Section 514/516 rural housing and grant programs, and doubles funding for the Section 521 rental assistance program. The bill also reduces the cost of providing housing to H-2A workers by making operating assistance subsidies available to 514/516 property owners who house H-2A workers.

MYTH: Mandatory E-Verify just for agriculture means thousands of year-round employers will have no access to labor whatsoever.

FACT: This bill provides a way for the current workforce to get right with the law, which means they would be compliant with E-Verify. As noted above, the bill provides employers with two avenues for hiring new year-round workers. The E-Verify requirement would only apply to new hires and is phased in, beginning three years after enactment.

MYTH: Illegal farmworkers, their spouses, and all their dependents are provided a special, expedited path to legal, permanent residence and will move out of agriculture and into other jobs in the economy.

FACT: This bill does not create an immediate path to permanent residence. First, it creates a temporary legal status that can only be renewed with significant agricultural work. Second, the bill provides the option of earning permanent residence through continued agricultural work, but it would take at a minimum five to 10 years to earn such status, depending on the amount of past agricultural work the worker could demonstrate. These significant past and future work commitments would ensure the stability of American agriculture for years to come. Spouses and dependents receive the same protections that currently exist in the H-2A program.

MYTH: The bill puts AEWR into law after 2029 with no increase or decrease in caps. Keeping the AEWR for another 10 years and preserving it in statute means employers will see no relief.

FACT: After year 10, the AEWR requirement ends, and the Secretaries of Agriculture and Labor must develop a new wage standard with input from stakeholders.

MYTH: The bill provides new authority for the DOL to award back wages, penalties, and damages and/or to debar employers from the program for five years or permanently.

FACT: The DOL already has authority to temporarily debar bad actors. This bill would give the DOL new authority to permanently debar individuals who have previously been debarred and are habitual violators of the program's requirements.

Ms. LOFGREN. We have labored long and hard, those of us in our bipartisan group that worked to solve a problem that our country has, which is we need a stable workforce in the agricultural sector.

I thank last year's chairman of the Agriculture Committee, Collin Peterson, for the work that he did on this bill; this year's chair who also supports this bill, Mr. SCOTT; as well as the ranking member who said that he would vote for it even though there are some things he would like to change. It is a compromise, and it was worked on for almost over a year to get to this point.

We believe that having a legal workforce in agriculture that will give stability is not only good for those workers, but it is good for their employers, and it is good for America.

We believe that making sure that there is a future flow of a legal workforce not only into farms but now into dairy is good for America because we think immigration ought to be legal. It ought to be regularized. It ought to be orderly. That is what this bill would accomplish.

Finally, there has been a lot of talk about enforcement. This bill has enforcement in it. When the bill is implemented, we will have a strategy in a legal way to meet the needs of agriculture in America. If we have that as law, we ought to enforce that law. That is why, on a bipartisan basis, we agreed that E-Verify ought to be applied to this whole sector.

This is a package that will make America stronger. It is fair to farmworkers. It is fair to farmers. And it is good for America. I hope that people will vote for it on both sides of the aisle. So many of us worked together to bring it to this point.

Madam Speaker, I yield back the balance of my time.

Mr. SCOTT of Virginia. Madam Speaker, farmworkers toil under difficult and dangerous conditions for long hours and low pay to ensure America has a safe and plentiful food supply.

Because of the scarcity of domestic farm labor, for decades, the agricultural sector has depended largely on the labor of migrant workers. The vast majority of crop workers in the United States were not born here and are undocumented or here on guest visas. Though these workers perform incredibly difficult work under hazardous conditions, they are often unable to seek recourse when their rights are violated. A pathway to citizenship, when accompanied by appropriate oversight measures, could help reduce these dedicated workers' justifiable fear of reprisal for asserting their rights. Farmworkers are integral to our communities and our economy. Creating a pathway to citizenship for these individuals—who work to feed us and our country year after year—as well as their families is both an economic and humanitarian necessity.

I support legalization of vulnerable, undocumented workers and a path to citizenship. However, in exchange for legalization for some undocumented farmworkers, this bill would depress labor standards for H-2A workers. Because weakened labor standards for H-2A workers could adversely impact the domestic workforce, this bill could negatively impact the economic security of all farmworkers.

Wage cuts for many H-2A workers in turn would depress wages for all farmworkers. The adverse effect wage rate (AEWR), which is often the binding wage paid to H-2A workers, is designed to ensure that wages paid to H-2A workers do not depress wages for U.S. farmworkers. This means the AEWR must be high enough to reflect wages paid in the local labor market. This bill would change the way the AEWR is currently calculated over the first ten years to reflect average wages paid to farmworkers in the region according to their specific occupation, rather than the average wage paid to farmworkers across all occupations. However, the bill fails to require the use of data that actually reflects local wage conditions. Additionally, while setting limitations on how much AEWR wages can decrease after

an initial one-year freeze, the bill imposes caps on wage increases from year to year, limiting whether AEWR can truly reflect wages paid in the local labor market.

As a result of these changes to the AEWR, the majority of H-2A workers would see their wages actually go down, albeit modestly, while others would see the growth in their wages capped. I have opposed similar efforts proposed by the Trump Administration that would depress wages.

This year, I was pleased to lead House efforts to include an increase to the federal minimum wage in the House-passed American Rescue Plan (H.R. 1319). While those minimum wage provisions did not ultimately survive Senate budget reconciliation rules, I will continue to push for H.R. 603, the Raise the Wage Act, which would gradually raise the federal minimum wage to \$15 per hour by 2025. I am confident that in the next ten years, we will enact a meaningful increase in the federal minimum wage, boosting wages for workers across our nation—including farmworkers. However, I am concerned that H.R. 1603, Farm Workforce Modernization Act of 2021, will create artificial barriers to wage growth, or worse, lead to wage cuts, continuing to leave farmworkers relegated to low pay and economic insecurity.

Our country's wage and hour laws are designed to ensure that workers are guaranteed a fair day's pay for a fair day's work. But this right is only as strong as a worker's ability to hold employers accountable, especially in court. Unfortunately, this bill creates obstacles that may delay farmworkers' ability to access their day in court, when they have been victims of wage theft. While I welcome extending coverage of the Migrant and Seasonal Agricultural Worker Protection Act (MSPA) to H-2A workers, adding a mediation requirement to both the MSPA and the Fair Labor Standards Act (FLSA) is problematic. This bill enables employers to impose three months of mandatory mediation when an H-2A worker brings a civil suit under these laws, even if the worker does not consent to the mediation and wants his or her day in court. This undermines the voluntary nature of mediation and provides bad actors with an avenue for delaying or denying wage recovery. This delay could prove significant for farmworkers who may be in this country for a limited amount of time to participate in litigation. This is especially fraught given that, in contrast to MSPA, the FLSA provides for recovery of unpaid wages and liquidated, or double, damages and recovery of attorney's fees, plus costs. This provision may also pull domestic farmworkers or other visa classifications of workers into required mediation where there are collective or class actions, thereby undermining incentives for other workers to join with H-2A workers to seek redress.

Last Congress, I supported the passage of H.R. 1423, the FAIR Act, to ban forced arbitration in many areas, including employment, because it could delay or totally block workers' access to courts. We should promote legislation that protects workers' fundamental right to have their day in court, not delay it.

This bill denies newly legalized farmworkers and their families access to key social safety net programs. Denial of benefits that can promote economic stability, coupled with the bill's wage suppressing provisions, threatens to create a long-term pool of economically vulner-

able workers. While most of these individuals do not currently have access to these benefits due to their immigration status, leaving immigrant workers who are granted legal status under this legislation without access to social safety net programs establishes a dangerous precedent that access to health care and other basic necessities can be traded away for a path to legal status.

This legislation weakens the current recruitment and hiring standards for U.S. farmworkers. A reduction in employers' obligations to hire U.S. workers under this bill will undermine one of the core principles of the H-2A program: that H-2A workers should fill in gaps in the farm workforce that U.S. employers are truly unable to fill, rather than merely replacing U.S. workers that employers could attract with reasonable efforts. I raised concerns with similar efforts to modify recruitment standards by the Trump Administration in 2019.

Agricultural work is hazardous, and workers in this sector have few legal health and safety protections. Ensuring that H-2A workers and all farmworkers have safe, healthy working conditions is critical. I am pleased that this bill requires H-2A employers to maintain heat illness prevention plans and requires H-2A employers in the dairy industry to maintain workplace safety plans. However, as presently written, some provisions are ambiguous and would be difficult to enforce; other provisions have weak minimum requirements that would limit their value. As this legislation moves forward, I would urge the inclusions of stronger health and safety standards.

Strong labor protections are vital to protect both H-2A workers, who are vulnerable given their temporary status, and domestic farmworkers, whose employers may be disincentivized to provide employment. This is especially true given that farmworkers have historically been carved out of labor and employment laws, leaving these workers with fewer wage protections and rights to bargain for better working conditions.

While this bill does make some improvements in immigration law, I look forward to supporting a version of this bill that more accurately reflects strong labor standards.

PROTECT DEMOCRACY IN BURMA ACT OF 2021

Mr. MEEKS. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 1112) to require a report on the military coup in Burma, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1112

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Protect Democracy in Burma Act of 2021".

SEC. 2. FINDINGS.

Congress finds the following:

(1) On March 14, 2005, the House of Representatives agreed to H. Res. 135, which established the House Democracy Assistance Commission (later changed to the House Democracy Partnership, hereafter referred to as "HDP") to work directly with parliaments around the world to support the development of effective, independent, and responsive legislative institutions.

(2) HDP approved a legislative strengthening partnership with Burma in 2016 and organized the first congressional delegation to meet with the new civilian-led government, led by State Counselor Aung San Suu Kyi, and civil society leaders in May 2016.

(3) On February 2, 2021, the U.S. Department of State assessed that Daw Aung San Suu Kyi, the leader of Burma's ruling party, and President Win Myint, the duly elected head of government, were deposed in a military coup on February 1, 2021.

(4) As part of the military coup, the Burmese military declared martial law, suspended the civilian-led government, and detained newly elected Members of Parliament
