

team, have the capability to save many lives on the Mississippi and Des Moines Rivers and surrounding Lee County lakes.

Last year, Dempsey used her fifth birthday to raise \$3,000 for Lee County Crime Stoppers Police Puppies. But this year, Dempsey has used her sixth birthday to more than double her record, raising over \$13,610 for the Lee County Rescue Boat. My husband, Curt, and I were proud to contribute to this worthy cause.

It is “Iowa nice” stories like this that make me more proud to represent Iowa and the Second District.

Keep up the good work, Dempsey, and thank you for making both Lee County and Iowa safer.

BORDER CZAR KAMALA

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, weeks ago, the Biden administration made Vice President KAMALA HARRIS the border czar.

The question I have is: Which border?

We learned today that Czar Kamala is traveling to Guatemala. While we do need cooperation from Guatemala in halting the flow of illegal entrants from Central America, it defies logic that weeks after her appointment, Czar KAMALA HARRIS has not visited the very border—our border—with Mexico that she has been tasked with protecting.

It seems as if the Biden-Harris administration has gone out of its way to ignore the seriousness of the border crisis it has created. Even as the number of illegal border crossers and unaccompanied minors shatter records, Democrats have declared that everything under the sun is infrastructure except a border wall. In fact, a wall protecting our border might be the only thing Democrats do not want to throw money at right now.

To the Biden administration and Czar Kamala: Border security is national security, and the American people are pleading for you to take steps to end this crisis you created. It is time to answer their call.

SOUTHERN BORDER CRISIS

(Mr. MEUSER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MEUSER. Mr. Speaker, over the last few months, the situation at our border has evolved into a serious crisis caused by policy changes from the Biden administration that have incentivized illegal immigration. This is not my opinion; this is the information I received firsthand on my recent trip to the border.

These policy changes include: ending the “Remain in Mexico” policy; implementing catch and release; and suspen-

sion of the portion of title 42, which allowed for expelling unaccompanied minors. I witnessed massively overcrowded rooms, or pods, where many children are being held for weeks at a time.

The enormous influx of illegals has given the drug cartels the insidious opportunity to ship drugs into our country, leading to an increase in fentanyl smuggling by more than 2,000 percent and illegal weapons by more than 100 percent.

Of grave concern to those I spoke with is the rumor that title 42 will be fully rescinded by the White House, which would lead, Mr. Speaker, to an unmitigated disaster at our border.

We ask President Biden and Vice President Harris to actually visit the border, speak with the agents on the ground, and learn what is going on. This is not a Republican or a Democrat issue; this is a humanitarian and national security crisis that can be solved.

HONORING DOROTHY WILLIAMS MOORE ON HER 100TH BIRTHDAY

(Mr. BISHOP of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of North Carolina. Mr. Speaker, today, I rise to honor Dorothy Williams Moore on the occasion of her 100th birthday.

Dorothy was born in Hamptonville, North Carolina. She graduated from Catawba College, class of 1942, majoring in home economics. On March 20, 1946, she married Thomas Moore and moved to Charlotte. Dorothy and Thomas had four children: Luther, Louanna, Neil, and Cynthia.

Dorothy has proudly served as a mother, homemaker, and substitute teacher. She also taught Sunday school.

Thomas passed away in 1986, after nearly 40 years of marriage.

Dorothy still lives in Charlotte. She has five grandchildren and eight great-grandchildren. A double cancer survivor, she loves music and sang in her church's choir until the onset of COVID-19. She also enjoys sweets, especially chocolate ice cream.

It is an honor to pay tribute to Dorothy on her 100th birthday. She has led an amazing life, and her family is overjoyed to celebrate with her.

HONORING THE LIFE OF SERGEANT JIM SMITH

(Mrs. HINSON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. HINSON. Mr. Speaker, I rise today to honor the life of Sergeant Jim Smith, who died tragically in the line of duty this past Friday night in Iowa.

Sergeant Smith honorably served as an Iowa State trooper for 27 years. He was an incredible man who loved his

family, his State, God, his fellow troopers, and his community in Independence, Iowa.

My heart goes out to his wife, Kathy, and their two children. I hope that the family can find some comfort in knowing that he died a hero protecting his community, as he did every day for well over two decades.

Sergeant Smith and his service and sacrifice for Iowans will never be forgotten.

BE THE MATCH PROGRAM

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Mr. Speaker, many families, including my own, have been impacted by cancer. For more than 178,000 Americans diagnosed with a blood cancer like leukemia, lymphoma, or myeloma, the Be The Match program represents hope.

Founded in Minnesota, Be The Match runs the world's largest registry designed to connect patients in need of lifesaving blood or marrow transplants with a donor. In 2019, Be The Match facilitated over 6,500 transplants, giving hope to countless families around the world. Minnesota has long been a hub for this kind of medical innovation.

As a co-chair of the Personalized Medicine Caucus, I urge all of my colleagues today to support the TRANSPLANT Act and reauthorize Federal partnerships like Be The Match, which have impacted the lives of millions. Connecting patients with donors and developing the next generation of regenerative medicine truly represents the best of who we are as a society.

I thank Representative MATSUI and the other sponsors of this legislation for their hard work. I encourage everyone to help keep hope alive by supporting this bill.

This Act may be cited as the "United States Anti-Doping Agency Reauthorization Act of 2021".

SEC. 2. FINDINGS.

Congress makes the following findings:

(1) The United States Anti-Doping Agency—

(A) is the independent national anti-doping organization of the United States; and

(2) The United States Anti-Doping Agency contributes to the advancement of clean sport through scientific research, anti-doping education, and outreach programs, and the mission of the United States Anti-Doping Agency is to preserve the integrity of competition and protect the rights of athletes.

(3) Participation in youth sports has the potential to equip young athletes with important skills and values necessary for success in life, and it is essential that the culture of youth sports emphasizes such skills and values.

(4) The TrueSport program of the United States Anti-Doping Agency partners with youth sport organizations across the United States to promote sportsmanship, character building, and healthy performance through the use of targeted educational materials designed to promote a positive youth sport experience.

(5) In modifying the authority of the United States Anti-Doping Agency to include the promotion of the positive values of youth sport, Congress sends a strong signal that the goals of youth sport should include instilling in young athletes the values of integrity, respect, teamwork, courage, and responsibility.

(6) Due to the unique leadership position of the United States in the global community, adequate funding of the anti-doping and clean sport programs of the United States Anti-Doping Agency is imperative to the preparation for the 2028 Summer Olympic Games, which will be held in Los Angeles, California.

(7) Increased appropriations for fiscal years 2022 through 2030 would enable the United States Anti-Doping Agency to directly affect the integrity and well-being of sport, both domestically and internationally.

□ 1230

Mr. PALLONE. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of H.R. 172, the United States Anti-Doping Agency Reauthorization Act of 2021.

For two decades, Mr. Speaker, the United States Anti-Doping Agency, or USADA, has worked to ensure integrity in our American Olympic and Paralympic sporting activities through the promotion and support of drug-free competition.

Recommended by an Olympic committee task force, this independent organization was established to manage a comprehensive anti-doping program in the United States. And since its authorization in 2000, USADA has helped to advance clean sports through scientific research, anti-doping education, and outreach programs.

To ensure USADA can continue this good work, H.R. 172 would extend and increase the authorization level through fiscal year 2030. Further, this bill would empower USADA to encourage a positive sporting environment for young athletes by providing educational materials on sportsmanship, character building, and healthy performance.

The bill also improves anti-doping efforts in the U.S. by encouraging Federal agencies to coordinate and share information with USADA to prevent the use of performance-enhancing drugs and methods.

Taken together, these actions will make positive improvements to the good work that USADA is already doing and provide critical support as
