

the service and leadership of Joe Novotny.

In 2010, it was my great and proud honor as Speaker of the House to name Joe Novotny Reading Clerk, the first openly gay man to hold this position. I am proud of that.

His historic service has made our Congress more inclusive, diverse, and representative of the people we serve.

As the child of immigrants, Novotny's ascendance in the halls of the U.S. Capitol is, as he has proudly said, the story of the American Dream.

As Reading Clerk, Novotny has been vital in engaging the people of our country with their democracy. Each day, he ensures that measures debated in this House are clearly articulated not only to Members but to the American people and to people around the world.

His commitment to making Congress more accessible and efficient has been particularly important during this time of pandemic, as our institution has adjusted to remote and virtual operations.

Since day one, Joe has brought his steady presence, professionalism, and institutional expertise to the House floor. In doing so, he has helped advance the ability of the people's House to do the people's work.

I am taking this additional time, Mr. Speaker, because so many Members have told me what Joe means to them, and I wanted to express some of that in my remarks.

While Joe Novotny's service will be missed, his great love for the House and his dedication to our democracy stand as an inspiration for all who will follow in the path that he has blazed.

On behalf of the United States House of Representatives, I wish him the best in the next stages of his journey, and I thank Joe for his patriotic service.

Thank you, Joe Novotny.
