

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO SECURING THE INFORMATION AND COMMUNICATIONS TECHNOLOGY AND SERVICES SUPPLY CHAIN—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 117-38)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date.

In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13873 of May 15, 2019, with respect to securing the information and communications technology and services supply chain, is to continue in effect beyond May 15, 2021.

The unrestricted acquisition or use in the United States of information and communications technology or services designed, developed, manufactured, or supplied by persons owned by, controlled by, or subject to the jurisdiction or direction of foreign adversaries augments the ability of these foreign adversaries to create and exploit vulnerabilities in information and communications technology or services, with potentially catastrophic effects. This threat continues to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13873 with respect to securing the information and communications technology and services supply chain.

JOSEPH R. BIDEN, Jr.  
THE WHITE HOUSE, May 11, 2021.

NATIONAL MENTAL HEALTH  
AWARENESS MONTH

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, I rise today as May marks National Mental Health Awareness month, a time when Americans recommit themselves to building better futures for those struggling with a mental health condition, erasing the stigma around those seeking help, and elevating barriers to high quality and timely mental health care.

According to a 2020 report released by Congress' Joint Economic Committee, over 40 percent of adults surveyed reported a negative mental or behavioral health condition exacerbated by the coronavirus. Ending the mental health and addiction crises is a mission that can unite all of our communities because, just like mine in northern Ohio, there isn't a single community that hasn't struggled with both.

I commend my colleagues with legislation on the floor today, including Mrs. WATSON COLEMAN's bill to reauthorize the Minority Fellowship Program to support more students of color entering the mental health workforce, who are dedicated to addressing mental health disparities among underserved populations.

It is time, and over time, for Congress to take meaningful action, targeting provider shortages, reimbursement parity, housing support, treatment, and more Federal funding to push the bounds of Federal research.

We have strong allies in the administration who care about these issues. I look forward to rolling up my sleeves to work with them, and across the aisle. We are only getting started.

RECOGNIZING LINDSEY WILSON  
COLLEGE FOOTBALL TEAM

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Mr. Speaker, I rise today to recognize the Lindsey Wilson College football team of Columbia, Kentucky, for winning the 2020 NAIA National Football Championship.

The Lindsey Wilson football team finished their undefeated season as national champs Monday night, beating Northwestern College from Iowa 45-13, adding another championship to their season after already winning the Mid-South Conference. Even more impressively, the Blue Raiders dominated opponents every game during the regular season, outscoring them by an average of 32 points a game.

Lindsey Wilson College did not have a football team from 1935 to 2009. Football was reintroduced to campus in 2010, after an 86-year absence, and it has not taken long for the Blue Raiders to reach the pinnacle of NAIA football.

I commend Athletic Director Willis Pooler and Head Coach Chris Oliver for building a championship-caliber program in just over a decade. This accomplishment is also a testament to every player's hard work and dedication during an unprecedented year.

Once again, congratulations to the national champion Lindsey Wilson College football team on this outstanding achievement.

## MENTAL HEALTH MONTH

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, I rise today to commemorate Mental Health Month and to acknowledge as I presided today on the floor the number of mental health bills that were passed today ready to be approved by the Senate and as well to be signed by the President.

Mr. Speaker, I worked closely with my constituents during COVID-19 and really worked with the city of Houston to use CARES money to develop a call center for the stressed people in my community.

Mental health is real. Mental health issues are real, and it is imperative that we continue on the Federal level to provide the resources to help our families, to educate our families, to provide counseling for our families, and, yes, to provide an opportunity for them to call locally and nationally in a stressful situation. COVID-19 was stressful, and many, I believe, lives were saved by the lifeline that we opened in the city of Houston that was on 7 days a week.

I want to thank all of those providers, including Dr. Janice Dill, and again, the city of Houston who worked with us in Harris County to save lives. We must know that mental health is a medical issue, and we need to save lives, end the stigma, and recognize all of those who are embracing those who are sick and need help with respect to mental health.

## VINCE DOOLEY

(Mr. CARTER of Georgia asked and was given permission to address the

House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to congratulate a Georgia legend on his induction into the Georgia Military Veterans Hall of Fame Class of 2020.

Coach Vince Dooley was inducted for his military service and his lifetime of selfless service to others. After graduating from college, Coach Dooley served his country in the Marine Corps for 2 years. It is without question that Coach Dooley has had a positive impact on the University of Georgia as well as communities across the country.

During his 25 years as head football coach of the University of Georgia, the Bulldogs won six SEC titles and a national championship. Coach Dooley's service did not stop on the field and has carried over into the community. His community service has extended to organizations such as the Heart Fund, Multiple Sclerosis, Juvenile Diabetes, Boy Scouts, Salvation Army, and Georgia Easter Seals Society.

He has also traveled abroad and led missions to provide spiritual and physical healing to those in need.

I want to thank Coach Dooley for his selfless commitment to improving the lives of others, and I want to congratulate him on his induction.

HONORING THE LIFE OF RAMON  
RAMIREZ OF ALLENTOWN, PENN-  
SYLVANIA

(Ms. WILD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WILD. Mr. Speaker, I rise today to honor the memory of Ramon Ramirez of Allentown, Pennsylvania, who tragically lost his life to a senseless rampage of gun violence on April 21 while he was filling up his work truck at a gas station in the wee hours of the morning.

He was 31 years old. He was a husband of 12 years and a father of three children. People remember him as a loving family man and a hard worker. He was someone who—as one of his neighbors put it—was always looking to make things better for those around him. That same neighbor remarked that lately she often heard Ramon and his son play basketball in front of their house.

The horrific toll of gun violence across our country is puncturing the American Dream. It has stolen the hopes and lives of so many families.

Mr. Speaker, I am not up here to advocate for any particular bill. I am up here to ask, beg, and plead that somebody on the other side of the aisle come to me with their suggestions of what we can do to stop these random acts of gun violence.

I want to work with my colleagues. We have to end this. I ask that all of my colleagues join me in paying tribute to Ramon Ramirez and standing in solidarity with his family.
