CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO CUBA AND OF THE EMERGENCY AUTHORITY RELATING TO THE REGULATION OF THE ANCHORAGE AND MOVEMENT OF VESSELS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 117-17)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed.

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of

its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Cuba that was declared on March 1, 1996, in Proclamation 6867, as amended by Proclamation 7757 on February 26, 2004, Proclamation 9398 on February 24, 2016, and Proclamation 9699 on February 22, 2018, is to continue in effect beyond March 1, 2021.

There remains a need to continue this national emergency, based on a disturbance or threatened disturbance of the international relations for the United States related to Cuba. The unauthorized entry of any United States-registered vessel into Cuban territorial waters continues to be detrimental to the foreign policy of the United States.

The unauthorized entry of vessels subject to the jurisdiction of the United States into Cuban territorial waters is currently a violation of Federal law. Further, the unauthorized entry of United States-registered vessels into Cuban territorial waters continues to be detrimental to United States foreign policy and counter to the purpose of Executive Order 12807, which is to ensure, among other things, safe, orderly, and legal migration. The possibility of large-scale unauthorized entries of United States-registered vessels into Cuban territorial waters would disturb the international relations of the United States regarding Cuba by allowing for or providing the means to facilitate a mass migration of Cuban nationals and threatening our national security.

Therefore, I have determined that it is necessary to continue the national emergency with respect to Cuba and the emergency authority relating to the regulation of the anchorage and movement of vessels set out in Proclamation 6867, as amended by Proclamation 7757, Proclamation 9398, and Proclamation 9699.

CONTINUATION OF THE NATIONAL EMERGENCY CONCERNING THE CORONAVIRUS DISEASE 2019 (COVID-19) PANDEMIC—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 117-18)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Energy and Commerce and the Committee on Ways and Means and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides

for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Proclamation 9994 of March 13, 2020, beginning March 1, 2020, concerning the coronavirus disease 2019 (COVID-19) pandemic, is to continue in effect beyond March 1, 2021.

There remains a need to continue this national emergency. The COVID-19 pandemic continues to cause significant risk to the public health and safety of the Nation. More than 500,000 people in this Nation have perished from the disease, and it is essential to continue to combat and respond to COVID-19 with the full capacity and capability of the Federal Government.

Therefore, I have determined that it is necessary to continue the national emergency declared in Proclamation 9994 concerning the COVID-19 pandemic.

JOSEPH R. BIDEN.
THE WHITE HOUSE, February 24, 2021.
