LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to the gentleman from Louisiana (Mr. SCALISE), the minority whip.

Mr. SCALISE. Mr. Speaker, I yield back to the majority leader to inquire as to the calendar for the remainder of this week—the bills that we just finished voting on, go through the rest of the bills that were on the schedule. Since there is no schedule that we see before us, if the majority leader could tell us what to expect next after this last vote.

Mr. HOYER. Mr. Speaker, I thank the gentleman for this opportunity to inform the Members of where we are. So many of us have been through this process before, and I know that every Member wants to have as much certainty about the schedule as possible. But, also, every Member understands that when we are at a period of time when we are trying to leave for a week and we have important legislation to do, that these events sometimes drag out.

So the schedule is this: After the next vote we are going to break for dinner. Members will be on notice that they will receive a 1-hour notice if we are going to return. As the House knows, we are scheduled to meet tomorrow as well, which we intend to do. So it is not unusual that we would go long before the last day, assuming that is the last day.

I want everybody to get the ramifications of assuming that tomorrow is the last day. We want to get two major pieces of legislation done. They are controversial pieces of legislation, we know, but we want to get those done. We are working on that. The other side has gone through that experience themselves.

Members should be on notice that we have an intention to break after this next vote for dinner, subject to an hour's notice to be back here, with the expectation that there may well be votes this evening. We are hopeful that those votes would be sooner rather than later in terms of going late into the night.

We will meet tomorrow at 9 o'clock and hope to complete the remainder of the business that was noted as possible for this week.

Mr. Speaker, I yield to the gentleman.

Mr. SCALISE. Mr. Speaker, I thank the gentleman for yielding. As we anticipate possible votes tonight, possible votes tomorrow, the two major pieces of legislation that are still out there, and specifically the bill that went before the Rules Committee yesterday, roughly 2,500 pages.

One of the things we talked about is, if that bill were to come to the floor, currently there is no Congressional Budget Office or Joint Committee on Taxation score on those bills, would there be a score on those bills prior to them coming to the floor for a vote?

Mr. HOYER. Mr. Speaker, I thank the gentleman for the question, and then we will conclude. We hope to have not only a JCT score but also CBO scores. As the gentleman knows, the overwhelming majority of the bill has been pending for some time. Obviously, the CBO has been reviewing the individual items for some time. We expect to have very close to most of the bill.

It does not need a CBO score. It does need a CBO score, however, when it goes to the Senate, as the gentleman knows. That would be our intention, to have as much information available to Members as we have in hand. We do intend to move forward with the bill.

Mr. SCALISE. The JCT is obviously important, and I appreciate that the gentleman said there would be a JCT score, but on the CBO score, there have been some significant changes made in the Rules Committee since those CBO conversations.

Would that be revised to include the new version of the bill?

Mr. HOYER. We are working on that. We hope the CBO can accommodate that objective.

Mr. Speaker, I yield back the balance of my time.

FREDERICK P. STAMP, JR. FEDERAL BUILDING AND UNITED STATES COURTHOUSE

The SPEAKER pro tempore (Mr. BROWN of Maryland). Pursuant to clause 8 of rule XX, the unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 4660) to designate the Federal Building and United States Courthouse located at 1125 Chapline Street in Wheeling, West Virginia, as the "Frederick P. Stamp, Jr. Federal Building and United States Courthouse", on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon (Mr. DEFAZIO) that the House suspend the rules and pass the bill.

The vote was taken by electronic device, and there were—yeas 416, nays 4, answered "present" 1, not voting 12, as follows:
