The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-85. A joint resolution adopted by the Legislature of the State of Oklahoma urging the United States Congress, pursuant to Article V of the United States Constitution, to call a convention of the states for the purpose of proposing amendments to the United States Constitution related to balancing the federal budget, imposing fiscal restraints on the federal government, limiting the power and jurisdiction of the federal government, and limiting the terms of office for its officials and for members of Congress; to the Committee on the Judiciary.

SENATE JOINT RESOLUTION NO. 23

Section 1. NEW LAW A new section of law not to be codified in the Oklahoma Statutes reads as follows:

This Resolution shall be known and may be cited as the "United States Senator, Dr. Tom Coburn Resolution of 2021".

Whereas, the founders of the Constitution of the United States, through the enactment of Article V, empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty; of our people, particularly for the generations to come, by proposing amendments to the Constitution of the United States through a convention of

the states under Article V of the United States Constitution to place clear restraints on these and related abuses of power; and

Whereas, the citizens of the State of Oklahoma believe that it is in the best interest of the people of the United States to amend the United States Constitution in order to adopt a balanced budget amendment and to address the areas of overreach of the federal government; and

Whereas, as early as 1976, the Thirty-fifth Oklahoma Legislature enacted House Joint Resolution No. 1049, calling for an Article V Convention for the purpose of preparing and submitting to the states an amendment “requiring, in the absence of a national emergency, that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenue for that fiscal year”; and

Whereas, the Thirty-fifth Oklahoma Legislature acknowledged in House Joint Resolution No. 1049 the critical need for a federal balanced budget amendment with the prophetic statement “believing that fiscal irresponsibility at the federal level, with the inflation which results from this policy, is the greatest threat which faces our nation, we firmly believe that constitutional restraint is necessary to bring the fiscal discipline needed to restore fiscal responsibility”; and

Whereas, pursuant to the provisions of Article V of the Constitution of the United States, each state may request Congress to provide for a convention to propose amendments.

Now, therefore, be it
