STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. PADILLA (for himself, Mrs. SHAHEEN, Mrs. GILLIBRAND, Mrs. FEINSTEIN, Ms. HASSAN, and Mr. BLUMENTHAL):

S. 2994. A bill to list certain perfluoroalkyl and polyfluoroalkyl substances as hazardous air pollutants, and for other purposes; to the Committee on Environment and Public Works.

Mr. PADILLA. Mr. President, I rise to introduce the Prevent Release of Toxics Emissions, Contamination, and Transfer Act. The PROTECT Act would add certain PFAS chemicals to the list of hazardous air pollutants under the Clean Air Act.

The Environmental Working Group recently identified nearly 30,000 potential industrial dischargers of PFAS into the air and water. Yet there are currently no restrictions on industrial PFAS discharges under the Clean Water Act or the Clean Air Act, leaving communities vulnerable to the devastating impacts of PFAS pollution.

While it is well documented how toxic PFAS chemicals are prevalent in

the water supply, it is less well known that PFAS chemicals are also emitted into the air.

This legislation would add PFOA, PFOS, PFBS, and GenX to the list of hazardous air pollutants regulated under section 112(b) of the Clean Air Act. It would also direct the EPA to create a list of categories of major sources and area sources that emit PFAS within 2 years and give the EPA a 5-year deadline to finalize the subsequent regulations.

The EPA has acknowledged that "air emissions of PFAS from industrial sources is now recognized as a significant route for PFAS releases to the environment and is evidenced by deposition as well as their presence in rainwater." Yet PFAS air emissions aren't currently regulated under the Clean Air Act or any other anti-pollution law.

Adding PFAS to the EPA's hazardous air pollutants list would build upon work done by States to limit air emissions from industrial facilities and greatly expand the number of facilities that would have to adopt technology to reduce PFAS emissions.

I thank my colleague Senator SHAHEEN for her tireless leadership fighting PFAS contamination and protecting vulnerable communities and Congresswoman STEVENS for successfully shepherding this legislation through the House.

I look forward to working with my colleagues to enact the PROTECT Act as quickly as possible.

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 422—AUTHORIZING THE USE OF THE ATRIUM IN THE PHILIP A. HART SENATE OFFICE BUILDING FOR A BIPARTISAN HALLOWEEN DOG PARADE ON OCTOBER 27, 2021

Mr. TILLIS submitted the following resolution; which was considered and agreed to:—

S. RES. 422

Resolved,

SECTION 1. USE OF THE ATRIUM IN THE HART SENATE OFFICE BUILDING FOR A BIPARTISAN HALLOWEEN DOG PARADE.

The atrium in the Philip A. Hart Senate Office Building is authorized to be used on October 27, 2021, for a bipartisan Halloween dog parade.

SENATE RESOLUTION 423—EXPRESSING SUPPORT FOR THE DESIGNATION OF OCTOBER 2021 AS "NATIONAL YOUTH JUSTICE ACTION MONTH"

Mr. WHITEHOUSE submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 423

Whereas the historical role of the juvenile court system is to rehabilitate and treat young people while holding them account-

able and maintaining public safety, and the juvenile court system is therefore better equipped to work with youth than the adult criminal justice system, which is punitive in nature;

Whereas youth are developmentally different from adults, and those differences have been—

(1) documented by research on the adolescent brain; and

(2) acknowledged by the Supreme Court of the United States, State supreme courts, and many State and Federal laws that prohibit youth under the age of 18 from taking on major adult responsibilities such as voting, jury duty, and military service;

Whereas youth who are placed under the commitment of the juvenile court system are able to access age-appropriate services and education and remain closer to their families, which reduces the likelihood that those youth will commit offenses in the future;

Whereas every year in the United States an estimated 76,000 youths are tried, sentenced, or incarcerated as adults, and most of those youth are prosecuted for nonviolent offenses;

Whereas most laws allowing the prosecution of youth as adults were enacted before the publication of research-based evidence by the Centers for Disease Control and Prevention and the Office of Juvenile Justice and Delinquency Prevention of the Department of Justice demonstrating that prosecuting youth in adult court actually decreases public safety as, on average, youth prosecuted in adult court are 34 percent more likely to commit future crimes than youth retained in the juvenile court system;

Whereas youth of color, youth with disabilities, and youth with mental health issues are disproportionately represented at all stages of the criminal justice system;

Whereas it is harmful to public safety and to young people in the legal system to confine youth in adult jails or prisons where they are significantly more likely to be physically and sexually assaulted and often placed in solitary confinement;

Whereas youth sentenced as adults receive an adult criminal record that hinders future education and employment opportunities;

Whereas youth who receive extremely long sentences deserve an opportunity to demonstrate their potential to grow and change; and

Whereas, in October, people around the United States participate in Youth Justice Action Month to increase public awareness of the need to protect the constitutional rights of youth, establish a minimum age for arresting children, remove youth from adult courts and prisons, and end the practice of sentencing children to life, and de facto life, without parole and to provide people across the United States with an opportunity to develop action-oriented events in their communities: Now, therefore, be it

Resolved, That the Senate—

(1) acknowledges that the collateral consequences normally applied in the adult criminal justice system should not automatically apply to youth arrested for crimes before the age of 18;

(2) expresses support for the designation of October 2021 as "National Youth Justice Action Month";

(3) recognizes and supports the goals and ideals of National Youth Justice Action Month; and

(4) recognizes the importance of and encourages the Office of Juvenile Justice and Delinquency Prevention of the Department of Justice to fully implement the Juvenile Justice Reform Act of 2018 (Public Law 115-385; 132 Stat. 5123) in a manner in keeping with the spirit and intent of the law.
