SUBMITTED RESOLUTIONS

SENATE RESOLUTION 453—DESIGNATING NOVEMBER 17, 2021, AS “NATIONAL BUTTER DAY”

Ms. SMITH (for herself and Ms. KLOBUCHAR) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 453

Whereas, around the world, butter can be found in cuisines of every culture, each of which use butter to enhance recipes and enrich lives;

Whereas butter has been on the dinner table for individuals for hundreds of years;

Whereas butter has served as a staple for family recipes that have been passed down for generations;

Whereas the average individual in the United States eats 6.3 pounds, or about 25 sticks, of cow's butter each year;

Whereas butter sculptures have been used to celebrate scenes and individuals from across the United States since the 19th century;

Whereas butter is the crucial ingredient in mouth-watering sauces, rich cookies, creamy mashed potatoes, hearty casseroles, and much more;

Whereas butter producers, processors, and dealers have always ensured that butter was available for cooks across the United States; and

Whereas butter has improved the meals that have brought families and friends together: Now, therefore, be it

Resolved, That the Senate—

(1) designates November 17, 2021, as “National Butter Day”; and

(2) encourages the people of the United States to celebrate National Butter Day with their favorite buttery dishes and baked goods.

SENATE RESOLUTION 454—EXPRESSING SUPPORT FOR THE DESIGNATION OF NOVEMBER 21, 2021, AS “NATIONAL WARRIOR CALL DAY” AND RECOGNIZING THE IMPORTANCE OF CONNECTING WARRIORS IN THE UNITED STATES TO SUPPORT STRUCTURES NECESSARY TO TRANSITION FROM THE BATTLEFIELD

Mrs. SHAHEEN (for herself, Mr. COTTON, Ms. KLOBUCHAR, Mr. BLUMENTHAL, Ms. ROSEN, Mr. HOEVEN, and Mrs. HYDE-SMITH) submitted the following resolution; which was referred to the Committee on Armed Services:

S. RES. 454

Whereas establishing an annual “National Warrior Call Day” will draw attention to the members of the Armed Forces whose connection to one another is key to the veterans and first responders in the United States who may be dangerously disconnected from family, friends, and support systems;

Whereas the number of suicides of members of the Armed Forces serving on active duty increased to 377 in 2020, a figure up from 348 in 2019;

Whereas the suicide rate for veterans has steadily increased since 2006, with 6,261 veterans taking their own lives in 2019;

Whereas, after adjusting for sex and age, the rate of veteran suicide in 2018 was 27.5 per 100,000 individuals, higher than the rate among all United States adults at 18.3 per 100,000 individuals;

Whereas more veterans have died by suicide in the last 10 years than members of the Armed Forces who died from combat in Vietnam;

Whereas many of the veterans who take their own lives have had no contact with the Department of Veterans Affairs;

Whereas the Coronavirus Disease 2019 (COVID-19) pandemic can lead to increased isolation and disconnection, further exacerbating mental and physical ailments such as post-traumatic stress disorder and traumatic brain injury;

Whereas the Centers for Disease Control and Prevention note that law enforcement officers and firefighters are more likely to die by suicide than in the line of duty, and emergency medical services providers are 1.39 times more likely to die by suicide than members of the general public;

Whereas invisible wounds linked to an underlying and undiagnosed traumatic brain injury can mirror many mental health conditions, a problem that can be addressed through appropriate medical treatment;

Whereas additional research is needed to highlight the connection between traumatic brain injury as a root cause of invisible wounds and suicide by members of the Armed Forces and veterans; and

Whereas November 21, 2021, would be an appropriate day to designate as “National Warrior Call Day”: Now, therefore, be it

Resolved, That the Senate—

(1) supports the designation of November 21, 2021, as “National Warrior Call Day”;:

(2) encourages all individuals in the United States, especially members of the Armed Forces serving on active duty and veterans, to call up a warrior, have an honest con-

versation, and connect them with support, understanding that making a warrior call could save a life; and

(3) implores all individuals in the United States to recommit themselves to engaging with members of the Armed Forces through “National Warrior Call Day” and other constructive efforts that result in solutions and treatment for the invisible scars they carry.

S. RES. 455

Whereas palliative care and hospice services—

(1) can empower individuals to live as fully as possible, surrounded and supported by family and loved ones, despite serious illnesses or injuries; and

(2) are critical parts of the continuum of supports and services people with serious illness and their families need;

(B) palliative care; and

(C) advance care planning;

(2) disproportionately impacted residents of nursing homes and other long-term care facilities; and

(3) limited access to family caregivers who play a critical role in palliative care and hospice for their loved ones;

Whereas ensuring access to palliative care and hospice for all individuals in the United States in need, regardless of age, race, ethnicity, or socioeconomic status, is important;

Whereas palliative care and hospice aims to bring patients and family caregivers high-quality care delivered by an interdisciplinary team of skilled health care professionals, including—

(1) physicians;

(2) nurses;

(3) social workers;

(4) therapists;

(5) counselors;

(6) health aides;

(7) spiritual care providers; and

(8) other health care professionals;

Whereas there is a need to increase training opportunities for health care professionals to receive interdisciplinary team-based training in palliative care and hospice;

Whereas hospice focuses on quality of life through pain management and symptom control, caregiver assistance, and emotional and spiritual support, with the goal of allowing patients to live fully until the end of life, surrounded and supported by loved ones, friends, and caregivers;

Whereas trained palliative care and hospice professionals, during a time of trauma and loss, can provide grief and bereavement support services to individuals with a serious illness or injury, the family members of those individuals, and others;

Whereas palliative care is a patient and family-centered approach to care that—

(1) provides relief from symptoms and stress;

(2) can be complementary to curative treatments; and
