

complicit in actions or policies that threaten the peace, security, and stability of Burundi or undermine democratic processes or institutions in Burundi, or to have engaged in human rights abuses.

I have determined that the situation in Burundi that gave rise to the national emergency declared in Executive Order 13712 has been significantly altered by events of the past year, including the transfer of power following elections in 2020, significantly decreased violence, and President Ndayishimiye's pursuit of reforms across multiple sectors. For these reasons I have determined that it is necessary to terminate the national emergency declared in Executive Order 13712 and revoke that order.

I am enclosing a copy of the Executive Order I have issued.
