S. 448. A bill to amend title XXI of the Social Security Act to prohibit lifetime or annual limits on dental coverage under the Children's Health Insurance Program, and to require wrap-around coverage of dental services for certain children under such program; to the Committee on Finance.

Mr. CARDIN. Mr. President, I rise today to discuss two bills addressing oral health, which I am introducing today. These bills will provide incentives for dental and dental hygiene graduates to remain as dental school faculty and make the Children's Health Insurance Program (CHIP) more affordable for at-risk patients and families. We rely on dental faculty to train the next generation of oral health providers, but too often, these educators find themselves pushed to work in private practice in order to pay off their student loans. The Dental Loan Repayment Assistance Act will ease some of this financial burden and allow faculty members to stay where they are needed most by eliminating certain loan assistance benefits from counting as taxable income. For low-income children, the CHIP program provides access to affordable oral health care. The Ensuring Kids Have Access to Medically Necessary Dental Care Act makes oral
