

Mr. WEBSTER of Florida. I yield myself such time as I may consume.

Madam Speaker, S. 400, as amended, designates the United States Department of Transportation headquarters as the William T. Coleman, Jr. and Norman Y. Mineta Federal Building.

William Coleman had a long history of public service, including serving as the fourth Secretary of Transportation, as a civil rights leader and, early in his career, by serving the Nation during World War II.

Norman Mineta served as chair and ranking member of the Committee on Public Works and Transportation. He was later appointed as the 14th Secretary of Transportation under President George W. Bush and is the longest-serving Secretary of Transportation to date.

I think it is fitting to recognize the work and commitment of both Secretaries by naming the DOT headquarters after them. I urge support of the bill, and I reserve the balance of my time.

Mr. DEFAZIO. Madam Speaker, I reserve the balance of my time.

Mr. WEBSTER of Florida. Madam Speaker, I yield myself such time as I may consume.

In closing, I am proud to be a cosponsor of S. 400. This bill appropriately recognizes both Norm Mineta and William Coleman for their service to our country and the United States Department of Transportation.

I urge Members to support this bill, and I yield back the balance of my time.

Mr. DEFAZIO. Madam Speaker, I yield myself such time as I may consume to close.

I have already spoken strongly for this bill, for the Department of Transportation building to be named in honor of William T. Coleman and Norm Mineta.

I just want to add a personal note. I served with Norm Mineta for 8 years, and he was a great chairman and mentor. Between him and Jim Oberstar, I owe them a lot for my success in Congress and for the leadership in this committee, so I am really pleased that we can do this today. I would expect it will pass the House unanimously, but there are inane people on the other side of the aisle who insist on voting on everything for no apparent reason, so I expect we will end up with a recorded vote, but I expect that will be unanimous.

Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon (Mr. DEFAZIO) that the House suspend the rules and pass the bill, S. 400, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. ROSENDALE. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this motion are postponed.

Ms. WILLIAMS of Georgia. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of H.R. 5673. This bill will make technical corrections to the STORM Act, which was enacted in the 116th Congress.

The STORM Act is bipartisan and bicameral legislation that created a hazard mitigation revolving loan fund that helped States and Tribal governments finance mitigation projects. This bill corrects clerical errors in the enacted language of the STORM Act.

I urge my colleagues on both sides to join with me and support this legislation.

Madam Speaker, I reserve the balance of my time.

Mr. WEBSTER of Florida. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I am proud to be a cosponsor of H.R. 5673, the Safeguarding Tomorrow through Ongoing Risk Mitigation—STORM—Technical Corrections Act, which makes necessary corrections to the STORM Act passed late last Congress.

This bill recognizes and implements the latest two installments of the building code and makes additional corrections, including those related to definitions for insular areas, to the mitigation revolving loan fund created in the STORM Act last Congress to ensure parity.

This language reflects previously agreed-upon bipartisan language in the 116th House version of the STORM Act.

I thank Chair TITUS for her work and leadership on this bill, and I appreciate the bipartisanship found in this legislation.

I urge support of this legislation, and I reserve the balance of my time.

Ms. WILLIAMS of Georgia. Madam Speaker, I have no further speakers, and I reserve the balance of my time.

Mr. WEBSTER of Florida. Madam Speaker, I yield myself the balance of my time.

Madam Speaker, I urge that these corrections be added to the law and previously agreed-to corrections to the STORM Act as passed last Congress.

Madam Speaker, I urge support of this legislation, and I yield back the balance of my time.

Ms. WILLIAMS of Georgia. Madam Speaker, I urge my colleagues to support the legislation, and I yield back the balance of my time.

#### FEMA CASEWORKER ACCOUNTABILITY ACT

Ms. WILLIAMS of Georgia. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 5343) to direct the Administrator of the Federal Emergency Management Agency to submit a report to Congress on case management personnel turnover, and for other purposes, as amended.

The Clerk read the title of the bill.

#### GENERAL LEAVE

Ms. WILLIAMS of Georgia. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 5343, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Georgia?

There was no objection.

Ms. WILLIAMS of Georgia. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of H.R. 5343. This bill addresses the high rate of turnover for disaster case management personnel at FEMA.

FEMA's case management personnel are critical to the disaster recovery process. They help survivors access basic needs such as housing, childcare, and transportation assistance.

This legislation requires FEMA to provide a report to Congress with data on case management personnel turnover and any Agency plans to reduce turnover.

I urge my colleagues on both sides to join with me and support this legislation.

Madam Speaker, I reserve the balance of my time.

Mr. WEBSTER of Florida. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, H.R. 5343, the FEMA Caseworker Accountability Act, requires the Federal Emergency Management Agency to examine their case management turnover rates and the average length of employment for employees detailed to disaster response cases.

The goal of H.R. 5343 is to reduce the turnover rates for FEMA employees who have been detailed to disaster recovery.

Consistent turnover only hurts disaster victims as it can prolong the recovery process, especially for small rural communities.

Madam Speaker, I urge support of this legislation, and I reserve the balance of my time.

Ms. WILLIAMS of Georgia. Madam Speaker, I reserve the balance of my time.

Mr. WEBSTER of Florida. Madam Speaker, I yield 5 minutes to the gentleman from South Carolina (Mr. RICE).

Mr. RICE of South Carolina. Madam Speaker, I rise today in support of my bill, H.R. 5343, the FEMA Caseworker Accountability Act.

South Carolina's Seventh District is still recuperating from disaster after disaster. We experienced four flooding events in 8 years.

Over the years, I have learned some tough lessons. We have continuously heard and seen how case management staff turnover rates at FEMA have extended the process for our communities to receive the assistance they need after a disaster.

Sometimes it takes 4 or 5 years for FEMA to get people back in their homes, and it is far too long because, unfortunately, the people who are disproportionately affected by these disasters are people of low income and minorities. They lose everything that they had, what little they had, and they can't wait for 5 years for the government to respond.

I have heard complaints from disaster victims to local officials about the lack of coordination due to the high turnover rates at FEMA. This disorganization causes significant delays in processing claims and reimbursement of essential funds.

This bill will increase the transparency at FEMA following a disaster by requiring a report on their employees' turnover rate. It also requires a report to include the average length of employment for staff who are assigned to work on disaster recoveries.

FEMA must be held accountable to our communities and our taxpayers who rely on them following a disaster.

I thank Representative MACE and Resident Commissioner Gonzalez-Colon for their support on this legislation.

Madam Speaker, I urge my colleagues to vote in favor of this bill.

Ms. WILLIAMS of Georgia. Madam Speaker, I reserve the balance of my time.

Mr. WEBSTER of Florida. Madam Speaker, I yield myself the balance of my time.

Madam Speaker, this bill will assist FEMA by providing data to reduce turnover and provide more consistency for communities recovering from disasters.

Madam Speaker, I support this legislation, and I urge others to do the same.

Madam Speaker, I yield back the balance of my time.

Ms. WILLIAMS of Georgia. Madam Speaker, I urge my colleagues to support this legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Georgia (Ms. WILLIAMS) that the House suspend the rules and pass the bill, H.R. 5343, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. ROSENDALE. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this motion are postponed.
