LEGISLATIVE PROGRAM

Mr. HOYER. Mr. Speaker, the Senate has passed, and we have just had read, the passage of H.R. 7108, which is the Suspending Normal Trading Relations with Russia and Belarus Act. That passed 100 to zero in the United States Senate.

We expect at the end of this series of votes for that bill to be on the floor on suspension. So there will be no break. We will continue to that.

Thereafter, we expect the Suspending Energy Imports From Russia Act, which we voted on overwhelmingly, to be sent to us. That is currently 79 to zero in the United States Senate.

We are going to pass both of those bills in this House as soon as we get them, and it is my expectation that will complete the business for this week.

The SPEAKER pro tempore (Mr. TONKO). The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. LUETKEMEYER. Mr. Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 223, nays 203, not voting 4, as follows:

SUSPENDING NORMAL TRADE RELATIONS WITH RUSSIA AND BELARUS ACT

Mr. NEAL. Mr. Speaker, I move to suspend the rules and concur in the Senate amendment to the bill (H.R. 7108) to suspend normal trade relations treatment for the Russian Federation and the Republic of Belarus, and for other purposes.

The Clerk read the title of the bill.

The text of the Senate amendment is as follows:

Senate amendment:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Suspending Normal Trade Relations with Russia and Belarus Act".

SEC. 2. FINDINGS.

Congress finds the following:

(1) *The United States is a founding member of the World Trade Organization (WTO) and is*

committed to ensuring that the WTO remains an effective forum for peaceful economic engagement.

(2) *Ukraine is a sovereign nation-state that is entitled to enter into agreements with other sovereign states and to full respect of its territorial integrity.*

(3) *The United States will be unwavering in its support for a secure, democratic, and sovereign Ukraine, free to choose its own leaders and future.*

(4) *Ukraine acceded to the Marrakesh Agreement Establishing the World Trade Organization (WTO Agreement) and has been a WTO member since 2008.*

(5) *Ukraine's participation in the WTO Agreement creates both rights and obligations vis-à-vis other WTO members.*

(6) *The Russian Federation acceded to the WTO on August 22, 2012, becoming the 156th WTO member, and the Republic of Belarus has applied to accede to the WTO.*

(7) *From the date of its accession, the Russian Federation committed to apply fully all provisions of the WTO.*

(8) *The United States Congress authorized permanent normal trade relations for the Russian Federation through the Russia and Moldova Jackson-Vanik Repeal and Sergei Magnitsky Rule of Law Accountability Act of 2012 (Public Law 112-208).*

(9) *Ukraine communicated to the WTO General Council on March 2, 2022, urging that all WTO members take action against the Russian Federation and "consider further steps with the view to suspending the Russian Federation's participation in the WTO for its violation of the purpose and principles of this Organization".*

(10) *Vladimir Putin, a ruthless dictator, has led the Russian Federation into a war of aggression against Ukraine, which—*

(A) denies Ukraine and its people their collective rights to independence, sovereignty, and territorial integrity;

(B) constitutes an emergency in international relations, because it is a situation of armed conflict that threatens the peace and security of all countries, including the United States; and

(C) denies Ukraine its rightful ability to participate in international organizations, including the WTO.

(11) *The Republic of Belarus, also led by a ruthless dictator, Aleksander Lukashenka, is providing important material support to the Russian Federation's aggression.*

(12) *The Russian Federation's exportation of goods in the energy sector is central to its ability to wage its war of aggression on Ukraine.*

(13) *The United States, along with its allies and partners, has responded to recent aggression by the Russian Federation in Ukraine by imposing sweeping financial sanctions and stringent export controls.*

(14) *The United States cannot allow the consequences of the Russian Federation's actions to go unaddressed, and must lead fellow countries, in all fora, including the WTO, to impose appropriate consequences for the Russian Federation's aggression.*

SEC. 3. SUSPENSION OF NORMAL TRADE RELATIONS WITH THE RUSSIAN FEDERATION AND THE REPUBLIC OF BELARUS.

(a) *NONDISCRIMINATORY TARIFF TREATMENT.—Notwithstanding any other provision of law, beginning on the day after the date of the enactment of this Act, the rates of duty set forth in column 2 of the Harmonized Tariff Schedule of the United States shall apply to all products of the Russian Federation and of the Republic of Belarus.*
