

testimony, which can leave investigations weak or incomplete. This bill would give the inspector general the authority to subpoena those former employees.

However, this authority is not without checks and balances. The bill would require the IG to notify the Attorney General before using the subpoena. The Attorney General may object and prevent the IG from issuing the subpoena if doing so would interfere with an ongoing investigation.

This authority would sunset in May of 2025 and would require Congress to then evaluate the need for this authority and if it should be continued. This is a good bill to expand oversight of the VA, and it has my full support.

Madam Speaker, I encourage my colleagues to support this bill, and I yield back the balance of my time.

Mr. TRONE. Madam Speaker, I ask all of my colleagues to join me in passing S. 2687, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Maryland (Mr. TRONE) that the House suspend the rules and pass the bill, S. 2687.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. BISHOP of North Carolina. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this motion are postponed.

Mr. TRONE. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 7375) to direct the Secretary of Veterans Affairs to update the payment system of the Department of Veterans Affairs to allow for electronic fund transfer of educational assistance, administered by the Secretary, to a foreign institution of higher education.

The text of the bill is as follows:

(1) provides an approved course of education to an eligible recipient of such assistance; and

(2) does not have—

- (A) an employer identification number; or
- (B) an account with a domestic bank.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Maryland (Mr. TRONE) and the gentleman from Illinois (Mr. BOST) each will control 20 minutes.

The Chair recognizes the gentleman from Maryland.

GENERAL LEAVE

Mr. TRONE. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and to insert extraneous material on H.R. 7375.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Maryland?

There was no objection.

Mr. TRONE. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of H.R. 7375, introduced by Representative MIKIE SHERRILL.

This legislation directs VA to finally update its student payment systems to allow for educational assistance funds to be transmitted electronically to a foreign institution of higher education, as long as the institution is providing an approved course of study. Our committee has heard from students and schools about the impact of VA's inability to modernize its systems for student payments.

The bill has bipartisan support as well from Disabled American Veterans, Student Veterans of America, Veterans Education Success, and the Veterans of Foreign Wars.

Madam Speaker, Representative SHERRILL's legislation is a response to strong advocacy for our student veterans studying abroad who are often unsure how their benefits will translate overseas.

Madam Speaker, I thank her for offering this legislation, I urge support and passage, and I reserve the balance of my time.

Mr. BOST. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise today in support of H.R. 7375, a bill that would streamline the payment of GI Bill benefits.

Specifically, the bill would require that, within 90 days of enactment, VA update the electronic fund transfer system for education benefits. Without this change, an overseas school is required to maintain a U.S.-based bank account so that VA can electronically transfer payments for VA beneficiaries who attend their institution. This requirement has kept some schools from participating in the GI Bill. This leads to fewer educational choices for our veterans.

I am pleased that this bill would address this issue and expand opportunities for veterans to use their hard-earned education benefits.

Madam Speaker, I encourage all of my colleagues to support H.R. 7375, and I yield back the balance of my time.

Mr. TRONE. Madam Speaker, I ask all of my colleagues to join me in passing H.R. 7375, and I yield back the balance of my time.

Mr. BISHOP of North Carolina. Madam Speaker, on that I demand the yeas and nays.

GENERAL LEAVE

Mr. TRONE. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to insert extraneous material on H.R. 6376, as amended.

□ 1615

Mr. TRONE. Madam Speaker, I yield myself such time as I may consume.

I strongly support H.R. 6376, as amended, the Student Veteran Modernization Act, which would make much-needed improvements and modernizations to the VA work-study program.

This legislation will create a pilot program to allow part-time student veterans to access VA work-study programs for the next 5 years, ensuring they can complete their certification or degree without taking on unmanageable amounts of student debt and still care for themselves and their families.

I would prefer this be a permanent change in the law, but I understand the need to review these changes in a pilot program. I hope that when this pilot program concludes, and we have an idea of how many veterans were helped, Congress will make this change permanent.

Currently, student veterans must maintain a full class load to be eligible for work-study, which is not feasible for many veterans who are balancing families or other work obligations. With this change, part-time student veterans will be able to earn a paycheck while also earning workforce skills.

I thank Representative AXNE for her hard work on the introduction of this bill. I also thank student veterans and

the Department of Veteran Affairs for their feedback, which improved the bill and will bring more student veterans into the work-study program.

Madam Speaker, I urge my colleagues to support this legislation, and I reserve the balance of my time.

Mr. BOST. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise today in support of H.R. 6376, as amended, the Student Veteran Work Study Modernization Act.

This bill will make changes to the VA work-study program to allow student veterans who are using the GI bill part-time to take advantage of the work-study benefit. The work-study benefit provides veterans with the opportunity to be paid for helping other veterans on campus or VA facilities.

This is a win-win for the school and the veteran, as the school does not have to pay the veteran for their work, and the veteran receives a paycheck and great work experience.

I am pleased that my amendment at the markup of this bill was accepted and that the bill is now fully offset.

I encourage all of my colleagues to support H.R. 6376, as amended, and I yield back the balance of my time.

Mr. TRONE. Madam Speaker, I ask all my colleagues to join me and pass H.R. 6376, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey (Mr. TRONE) that the House suspend the rules and pass the bill, H.R. 6376, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. BISHOP of North Carolina. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this motion are postponed.

(B) the duties of the Secretary to assist and notify claimants.

(8) Automation should be carried out while taking all necessary measures to protect the privacy of claimants and their personally identifiable information.

(4) Cost estimates for the modernization of each information system identified under paragraph (1) for each fiscal year covered by the plan and in total.

(2) the Committee on Veterans' Affairs and the Subcommittee on Military Construction, Veterans' Affairs, and Related Agencies of the Committee on Appropriations of the Senate.
