PERMISSION FOR MEMBER TO BE  
CONSIDERED AS FIRST SPONSOR  
OF H.R. 2974

Mr. BEYER. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 2974, a bill originally introduced by Representative Delgado of New York, for the purpose of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

HONORING DR. ALEX JOHNSON ON  
HIS RETIREMENT

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Mr. Speaker, I rise today to honor Dr. Alex Johnson, who will soon be retiring after nearly a decade of service as Cuyahoga Community College's president.

Dr. Johnson retires as a pillar of the Cleveland community. His deep commitment to Tri-C's students and forward-thinking leadership helped shape graduates, like myself, who were prepared for a lifetime of success in northeast Ohio.

During Dr. Johnson's tenure, Tri-C produced a record number of graduates and increased its graduation rates, all while remaining committed to the school's core mission of delivering affordable higher education, providing equitable job opportunities, and ensuring successful degree completion. Meanwhile, throughout the tumult of the COVID-19 pandemic, Dr. Johnson served as a steady hand at the helm, ensuring students' continued success.

As a Tri-C graduate and the Representative for Ohio's 11th Congressional District, I deeply appreciate Dr. Johnson's extraordinary leadership, unparalleled vision, and lasting accomplishments. His legacy will only continue to grow through the countless students, teachers, and administrators he impacted.

REMEMBERING RUSSELL  
PETERSON

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today in memory of Russ Peterson, a remarkable Georgian.

Russ was born in Park Ridge, Illinois, and was the son of the late Russ and Helen Peterson, devoted husband to his wife, Louise Peterson, and loving father and grandfather.

Russ was known for his good sense of humor, his love for life, and contagious laughter among friends.

Russ earned his bachelor's degree from DePauw University in Greencastle, Indiana, and went to work with Allstate Insurance. He retired as a regional vice president after more than 35 years of service.

Russ was heavily involved in the betterment of his community, serving as president of the Landings Association. Russ also served on the Board of Marshes of Skidaway Island, St. Joseph's Hospital Foundation Board, the Chatham Leadership Board, and was involved in the American Cancer Society.

He played a major role in the building of the beautiful bridge to Skidaway Island and started a Parkinson's support group that continues to benefit people today. He was also very involved in the Republican Club of Skidaway Island.

A loving father and husband, outdoorsman, community advocate, and agent of change, Russ will be dearly missed.

## CELEBRATING 10 YEARS OF DACA

(Mr. AGUILAR asked and was given permission to address the House for 1 minute.)

Mr. AGUILAR. Madam Speaker, I rise today to recognize the 10th anniversary of the DACA program on June 15, 2022.

In the last decade, this program has allowed young Americans to pursue the American Dream in the only country they know to be their home. They have been able to live without fear of being separated from their families and have been able to pursue higher education and their dream jobs. They are our friends, our family members, trusted community leaders, coworkers, and fellow Americans in every way but on a piece of paper.

Madam Speaker, we need to do more. Since I have been in Congress, I have been proud to support the DACA recipients, including through introducing legislation to give them a pathway to citizenship and advocating for DACA recipients to work in Congress and across the Federal Government.

I am proud to work with my colleagues in the Hispanic Caucus to fight for immigrant communities and to urge the U.S. Senate to take up measures that the House has passed time and time again.

## A MILLION CRISES

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Madam Speaker, last week the Wall Street Journal reported that a whistleblower employee at Abbott Nutrition filed a complaint with the FDA in February of last year, months before the originally reported date of October. If true, President Biden and his FDA must answer for why they ignored these alarming claims.

Parents in middle Tennessee are struggling to find baby formula as the out-of-stock rate has skyrocketed to 92 percent.

Ultimately, this is just another crisis that has been made much worse by the Biden administration, about which one White House official on the Domestic Policy Council gave the excuse that the administration's plate was full with "a million crises going on."

Unfortunately, President Biden's failed far-left agenda caused the million crises. Those many crises very well may have distracted his administration from initially taking the baby formula shortage seriously, as well as contributed to the administration's inexcusably slow reaction to the crisis, allowing it to get much worse than it should have.

We must get to the bottom of this failure and hold those accountable responsible, but in any case, the President must do better.
