The SPEAKER pro tempore. Is there objection to the original request of the gentleman from New Jersey?

There was no objection.

PASSAGE OF THE RESTORING HOPE FOR MENTAL HEALTH AND WELL-BEING ACT

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, I rise today to applaud the passage of the Restoring Hope for Mental Health and Well-Being Act.

Millions of Americans live with a very serious mental health or substance abuse disorder. We must recognize their plight as part and parcel of providing overall health.

When we ignore the signs and symptoms of mental and substance abuse disorders, we are unable to attain the help that is available for millions, but help is available.

Now, thanks to this legislation, we will ensure more people have access to quality, affordable behavioral healthcare.

By increasing resources for proper diagnosis and recovery services, telehealth, mental health screenings, suicide prevention, we will improve lives and save lives all across our country.

Let us continue working to provide the care that is essential to daily life. Help is within reach. Let us make sure that those who need medical diagnoses on the behavioral front receive it. Finally.

As a member of the Mental Health Caucus and the Bipartisan Addiction and Mental Health Task Force, I thank the Committee on Energy and Commerce for their steadfast work to assure wellness for millions of Americans.

CONGRATULATING EAGLE SCOUT ANDREW RUGH

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the accomplishments of Mr. Andrew Rugh, an Eagle Scout from Troop 28 in Rocky Grove, Venango County, as he celebrates completing all 138 merit badges offered by the Boy Scouts of America.

Andrew has been a member of Troop 28 for more than 7 years and has had the support of his parents, Chad and Christina Rugh, throughout his time in Scouting.

Becoming an Eagle Scout is a great honor. Only 8 percent of all Scouts attain the rank of Eagle Scout, and less than half a percent of Scouts are estimated to have completed all available merit badges.

On his path to earning each merit badge, Andrew was challenged to learn various skills ranging from law and chess to archery and welding.

Alongside millions of young men and women in Scouting, Andrew embodies the values of patriotism, courage and self-reliance.

Madam Speaker, as an Eagle Scout myself, and a member of the Scouting community for more than 50 years, I can attest to the significance of Andrew's achievement.

Congratulations, Andrew, on your accomplishment in Scouting and your contribution to your community. Well done, Scout.

TODAY WE TOOK ACTION

(Mr. TRONE asked and was given permission to address the House for 1 minute.)

Mr. TRONE. Madam Speaker, today, I rise to applaud the passage of Restoring Hope for Mental Health and Well-Being Act of 2022, a comprehensive package of over 30 bills, 6 of which I proudly led.

Today, over 50 million Americans struggle with mental illness, and over 20 million Americans struggle with substance use disorder. We have lost nearly 1 million lives to suicide and over 1 million Americans to drug overdoses in the last 20 years.

Today, we are on course to lose another 1.2 million Americans in the next decade to drug overdoses. We cannot afford to wait until tomorrow, so today, we took action. This effort served as a first step of a continued journey to end these crises that have taken far too long and taken too many.

We proudly cast our vote to help save the lives of our fellow Americans. I thank Chairman FRANK PALLONE, Ranking Member McMorris Rodgers, Leader HOYER, and their teams for making this vision a reality.

ATTACKS ON PRO-LIFE ORGANIZATIONS

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Madam Speaker, more than 7 weeks ago, we woke up to headlines that the Supreme Court of the United States would likely overturn *Roe v. Wade*. I believe the leaker broke Federal law in an effort to change the outcome of the High Court's ruling.

We have seen protests outside Justices' homes. In Associate Justice Brett Kavanaugh's case, we have seen an assassination plot. We have also seen more than a dozen attacks on pro-life organizations across the country, including vandalism, destruction of property, and even firebombing.

This is why I joined more than 100 House Republicans in a letter urging the Department of Justice to investigate these attacks. They not only deserve to be a top priority for the DOJ, but we believe they should be investigated as instances of domestic terrorism.

We must make it clear that we are a Nation of laws, never mob rule.

PUTTING HIGHER EDUCATION WITHIN REACH

(Mr. PAPPAS asked and was given permission to address the House for 1 minute.)

Mr. PAPPAS. Madam Speaker, I rise today to mark the 50th anniversary of the Pell Grant Program.

Programs like Pell help break down longstanding, often systemic barriers to education so that everyone has the chance to reach their full potential.

In my district, over 65,000 students are receiving over \$165 million to pursue their higher education goals at our local colleges. The Pell grant is further leveraged by the University of New Hampshire Granite Guarantee program, which allows students who are Pell-eligible to attend UNH, Keene State, or Plymouth State tuition-free by leveraging Pell, Federal aid, and institutional support to ensure access to high-quality public education in New Hampshire.

Putting higher education within reach for more people has been a strong priority of mine since taking office, and we have worked to increase funding for Pell grants and provide the kind of resources that our students deserve.

The education these students receive will help them fulfill their dreams and develop their greatest abilities. I look forward to Congress continuing to support access to college through the Pell grant for another 50 years.

CELEBRATING ELEANOR OTTOSON'S 105TH BIRTHDAY

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today in honor of a beloved woman and an outstanding Georgian, Eleanor Ottoson.

Eleanor and her family were recently blessed to celebrate Eleanor's 105th birthday. Born on a warm day in May of 1917, Eleanor spread her love across New Jersey and Pennsylvania before finally finding a home in McIntosh County, Georgia.

Mrs. Ottoson diligently served her community as a registered nurse and now continues this service as an active member of Morgan's Chapel United Methodist Church.

A mother and a grandmother, Eleanor's heart holds no shortage of love. She shares this love by helping around her church, knitting bags, singing songs, and sharing her life with all those around her.

When asked about how she has lived to her outstanding age of 105, Eleanor spoke of her lifelong commitment to health. Mrs. Ottoson never smoked and never drank to excess. Instead, she made a point to eat well, sleep well, and treat others well.

I smile when I hear about the great joy going on in the lives of my constituents, and I am so thankful Eleanor's loved ones continue to have her with them through these years.

PELL GRANTS OPEN DOOR TO OPPORTUNITY

(Ms. MANNING asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MANNING. Mr. Speaker, 50 years ago, Congress launched the Pell Grant Program to provide direct financial aid to low-income students to increase access to higher education. This program has opened up the door of opportunity and made the dream of college a reality for millions of students across the country.

In North Carolina's Sixth District, over 30,000 students are utilizing nearly \$140 million in Pell grants to pursue their higher education goals at local colleges and universities. Nationwide, nearly 7 million students, or 40 percent of undergraduates, are Pell grant recipients.

As a member of the Education and Labor Committee, I am proud to share my support for Pell grants and to have supported a \$400 increase to the maximum annual award. By increasing the Pell grant award, we are ensuring that more students can attend college and join the skilled workforce in their desired career field.

I look forward to Congress continuing the bipartisan support for expanding student access to college through Pell grants for another 50 years.

RANDY MARION RECEIVES LIFETIME ACHIEVEMENT AWARD

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, I rise to recognize Randy Marion, the owner of Randy Marion Automotive Group and a true titan of entrepreneurship in North Carolina.

Recently, Randy was selected as the recipient of the 2022 Lifetime Achievement Award from the North Carolina Automobile Dealers Association. His automotive group is one of the largest car dealerships in the Carolinas, and he has built a reputation that is second to none.

This award is a testament to his entrepreneurial spirit, civic leadership, and commitment to furthering the automobile industry within the Tar Heel State, as well as his being a wonderful role model and citizen.

Congratulations, Randy, on this tremendous accomplishment. Here is to many more years of serving the State of North Carolina and continuing to serve as the great role model that you are.
