AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN EN-GROSSMENT OF H.R. 8294, TRANSPORTATION, HOUSING AND URBAN DEVELOPMENT, AND RELATED AGENCIES APPROPRIATIONS ACT, 2023

Ms. DeLAURO. Madam Speaker, I ask unanimous consent that, in the engrossment of H.R. 8294, the Clerk be authorized to correct section numbers, punctuation, spelling, and cross-references, and to make such other technical and conforming changes as may be necessary to reflect the actions of the House.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Connecticut?

There was no objection.

PERMISSION FOR MEMBER TO BE CONSIDERED AS FIRST SPONSOR OF H.R. 3231

Mr. STAUBER. Mr. Speaker, I ask unanimous consent that I may hereafter be considered as the first sponsor of H.R. 3231, a bill originally introduced by Representative Don Young of

Alaska, for the purpose of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore (Mr. MRVAN). Is there objection to the request of the gentleman from Minnesota?

There was no objection.

#### INVESTING IN COMMUNITIES

(Ms. BOURDEAUX asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BOURDEAUX. Mr. Speaker, I rise in support of the minibuss appropriations bill the House passed earlier today.

This legislation includes my bill to support the revitalization of vacant shopping malls like the Gwinnett Place Mall in my district. This provision would catalyze additional investment in these projects and enhance economic activity, access to housing, and mobility for local residents.

The minibuss also includes six of my community project funding requests, including funding for the acquisition of African-American books and historical artifacts at the Hooper-Renwick Memorial Library, as well as projects to increase wraparound services for Latino families and youth through Ser Familia, provide transportation to low-income students through Corners Outreach, and enhance access to transit and clean drinking water for many communities in Georgia's Seventh District.

Altogether, the T-HUD bill and the minibuss include important investments that will make our communities stronger.

#### HONORING BILL EDWARDS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today in honor of the inspiring career of Mr. Bill Edwards, who is a native resident of Savannah, Georgia.

After graduating from Groves High School, Bill went on to attend both the University of Mississippi and Armstrong Atlantic State University, completing his education with a master's in the arts and communications.

After serving in his high school JROTC, he furthered his interest in the Army by serving in the Army ROTC at Ole Miss and eventually joining the U.S. Army Signal Corps. He continued this career until he reached the rank of captain in a military intelligence unit in Savannah. Aside from his military career, Bill was blessed with a loving wife and seven grandchildren, whom he adores.

Once he left the service, Bill focused his energy into a successful career in radio broadcasting, eventually becoming host of what is now "AM Savannah" on News Radio. Bill's commit-

ment was rewarded when he was recognized by the Associated Press for sportscasting excellence and when he won the honor of Savannah's Favorite Talk Station for 3 years in a row.

I am so grateful for Bill Edwards and his tireless commitment to improving his community. Bill is an outstanding Georgian, and I thank him for all he does for his community.

#### WE WON'T GO BACK

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Mr. Speaker, life, liberty, and the pursuit of happiness. These inalienable rights have served as a compass in guiding us as we strive to create a more perfect Union.

Yet, recently, these rights have been the target of relentless political attacks by a Supreme Court that has seemingly abandoned the promises of our Constitution and by far-right extremists with a radical agenda to dismantle decades of progress to take us back, back to a time when people were ashamed and murdered because the person they chose to love didn't have a certain skin color or was of the same gender and back to a time when women could not access legal and safe reproductive healthcare measures.

Today, I stand in solidarity with the millions of Americans who have been angered by these disgraceful acts to say that I refuse to be taken back because we have come much too far.

#### FAKE HANDCUFFS WON'T SOLVE AMERICA'S PROBLEMS

(Mrs. BOEBERT asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BOEBERT. Mr. Speaker, fake handcuffs won't close the southern border. Fake handcuffs won't lower gas prices, curb inflation, harden the supply chain, put baby formula on our shelves, deter Russia, or fix our broken and weak reputation across the globe.

Mr. Speaker, fake handcuffs won't fix our education system, protect our students from CRT and grooming, or create opportunities to lift communities out of poverty.

Fake handcuffs won't increase domestic energy, increase recruitment for our military—go woke, go broke—or solve a single problem that the American people actually care about.

Mr. Speaker, fake handcuffs make for a good photo op, but they don't benefit the American people. Fake handcuffs only benefit those who pretend to wear them.

Mr. Speaker, this body should be delivering solutions for the American people not with fake handcuffs but without restraint.

#### HONORING ROBERT L. BOWSER

(Mr. PAYNE asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to honor a great mayor from my district, Robert Bowser, after his passing recently.

Mayor Bowser served as mayor of East Orange, New Jersey, from 1998 to 2014. He was the first African American to win a third and fourth term in office in the history of East Orange, and he founded the New Jersey Conference of Black Mayors and served on the board of the National Black Conference of Mayors.

But his legacy in East Orange is more than his time as mayor. He started a small engineering firm that became one of the largest minority-owned consulting firms on the East Coast. He was a board member for the local Girl Scouts organization and was active with the Lions Club and the Kiwanis Club. He even founded a local touch football league.

As we mourn his passing, we remember Mayor Bowser as a dedicated public servant, great businessman, and strong community leader.

#### FIND AND PROSECUTE COVID-19 ECONOMIC RELIEF FRAUD

(Mr. GOTTHEIMER asked and was given permission to address the House for 1 minute.)

Mr. GOTTHEIMER. Mr. Speaker, I thank the House Appropriations Committee for their hard work on this important piece of legislation.

I rise today in support of the passage of H.R. 8294, which contained a crucial amendment I introduced to help find and prosecute cases of fraud within COVID-19 economic relief.

My amendment provides critical investment for the Small Business Administration Office of the Inspector General to ensure that they continue to hold Economic Injury Disaster Loan and Paycheck Protection Program fraudsters accountable.

It is deeply disturbing to hear about the recent flurry of fraud convictions related to these two relief programs that provided vital resources to small businesses during the COVID-19 pandemic. These are dollars that were meant for small businesses struggling due to the pandemic, and to help their families, not to help greedy cheats looking to profit off the backs of their neighbors.

My amendment supports efforts for the SBA to identify and prosecute cases of EIDL and PPP fraud more aggressively. Applicants from businesses in my district may have been denied critical financial resources because of the actions of these crooks, and we owe it to all of our constituents to hold these bad actors accountable.

I strongly urge all my colleagues in the Senate to pass this critically important provision.
