COMMUNICATION FROM THE
REPUBLICAN LEADER

The SPEAKER pro tempore laid before the House the following communication from the Honorable KEVIN MCCARTHY, Republican Leader:

HOUSE OF REPRESENTATIVES,
Washington, DC, July 29, 2022.

Hon. NANCY PELOSI,
Speaker of the House,
Washington, DC.

DEAR MADAM SPEAKER: Pursuant to 29 USC § 780, I am pleased to appoint the following member to the National Council on Disability:

Mr. Shawn Kennemer, Bakersfield, California.

Thank you for your attention to this matter.

Sincerely,

KEVIN MCCARTHY,
Republican Leader.

LOWERING COSTS FOR
HARDWORKING AMERICANS

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Mr. Speaker, House Democrats have been fighting to lower costs for hardworking American families every day. From the gas pump to the grocery store checkout lines, we have reclaimed our commitment to our mission of creating a fair and balanced economy where Americans can thrive, and our efforts are starting to pay off in some areas.

For example, gas prices continue to drop across the Nation, which leaves a little more money in the pockets of American families, allowing them to spend more on necessities like putting food on the table.

We have passed a series of bills to lower everyday costs for Americans, including the Lower Food and Fuel Costs Act and the Consumer Fuel Price Gouging Prevention Act.

However, we need more.

We must continue to put people over politics and pass more comprehensive legislation to help Americans thrive.

WHY DO YOU WANT MY GUNS

(Mr. CAWTHORN asked and was given permission to address the House for 1 minute.)

Mr. CAWTHORN. Mr. Speaker, a right is not truly a right if it requires permission from the ruling class. Mr. Speaker, you and others in this body seek to strip us of the most sacred tenet of natural law. With H.R. 1808, this body is attempting to disarm Americans by outlawing basic rifles and handguns.

It seems only logical to think that a government intent on disarming its citizens is planning to do something that those same citizens would utilize firearms to prevent.

In response to this radical gun control bill, I submitted H.R. 8399, effectively known as the double tap to tyranny bill, to amend the Internal Revenue Code and repeal the National Firearms Act, thus removing infringements on our Second Amendment.

H.R. 1808 and the NFA both stem from the same class of totalitarianism. Our Founders understood that the first steps to tyranny begin by removing every safeguard that hinders its approach.

Mr. Speaker, let me ask you this: Why do you want my guns? You seem perfectly content sitting behind a squadron of armed guards while your constituents are slaughtered by gang violence in the streets. Perhaps your reason for taking away my rights to defend myself are not as well-intentioned as you present them to be.

CONGRATULATING KATELLA HIGH
SCHOOL

(Mr. CORREA asked and was given permission to address the House for 1 minute.)

Mr. CORREA. Mr. Speaker, today I rise to congratulate Katella High School in my district for winning the National Green Ribbon Award.

Katella High School is one of 36 high schools nationwide to win this honor. Katella High School has also been recognized as a California Green Ribbon School not once but twice; in 2020 earning the bronze award, and in 2021 earning the silver award.

From a Colonist to the Knights, congratulations. Keep up the good work.
