GENERAL LEAVE

Mr. STANTON. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days within which to revise and extend their remarks and include extraneous material on S. 5060.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. STANTON. Madam Speaker, I yield myself such time as I may consume.

I rise in support of S. 5060, a bill to designate the Federal building located at 212 Third Avenue South in Minneapolis, Minnesota, as the "Paul D. Wellstone Federal Building".

S. 5060 was introduced on October 25, 2022, 20 years to the day that Senator Wellstone; his wife, Sheila; his daughter, Marcia; his staff members, Todd Lopic, Mary McEvoy, and Will McLaughlin; and pilots, Richard Conry and Michael Guess, were killed in a plane crash near Eveleth, Minnesota.

Paul Wellstone was born in Washington, D.C., on July 21, 1944; attended Arlington, Virginia, public schools; received his BA from the University of North Carolina in 1965; earned a Ph.D. from the University of North Carolina in 1969; taught political science at Carleton College in Minnesota for 21 years; served as a director of the Minnesota Community Energy Program; was elected to represent Minnesota in the United States Senate in 1990, was reelected in 1996, and served from January 3, 1991, until his death in a plane crash on October 25, 2002.

Paul Wellstone was a champion college wrestler and a member of the National Wrestling Hall of Fame, a college professor for 21 years, a prolific legislator who sponsored 608 bills during his time in the U.S. Senate, and a mentor to generations of future public servants and advocates.

Upon introduction of S. 5060, Senator KLOBUCHAR said, "During his time as

an educator, an activist, and a United States Senator, Paul Wellstone touched the lives of people throughout Minnesota and across the country. That is because he stood up for people, persistently fighting against injustices, small and large. From his passionate advocacy for better care and services for those suffering from mental illness to his leadership on civil rights and campaign finance reform, Paul showed how getting involved in public service can make a real difference in improving people's lives."

Madam Speaker, I support S. 5060, and I urge my colleagues to join me.

I reserve the balance of my time.

Mr. CRAWFORD. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of S. 5060, which designates the Federal building located in Minneapolis, Minnesota, as the Paul D. Wellstone Federal Building.

Paul Wellstone served two full terms in the Senate before his life, as well as the lives of his wife, daughter, several campaign staff, and pilots were taken in a tragic plane crash in Minnesota.

Madam Speaker, I urge my colleagues to support this bill, and I reserve the balance of my time.

Mr. STANTON. Madam Speaker, I yield 3 minutes to the gentlewoman from Minnesota (Ms. OMAR).

Ms. OMAR. Madam Speaker, I rise today in support of S. 5060, to rename the Federal building in my district as the "Paul D. Wellstone Federal Building".

I am proud to honor and celebrate the legacy of the late Senator PAUL Wellstone as an activist, academic, author, and proud Senator from Minnesota.

Son of Ukrainian Jewish immigrants, Senator Wellstone was born in Washington, D.C., and grew up in Northern Virginia. He received his bachelor, masters, and Ph.D. from the University of North Carolina at Chapel Hill, and in 1969 went on to be hired as a professor in Northfield, Minnesota, where he taught until his election to the Senate in 1990.

□ 1500

While in the U.S. Senate, Wellstone was a proud, progressive in support of environmental protection, public housing, free school meals, labor groups, and healthcare reform.

He served in the Senate from 1991 until 2002, when he was tragically killed in a plane crash with his wife and daughter on board.

Paul Wellstone is a personal hero of mine. He was an organizer to his core. He showed what it meant to fight unapologetically for working people. And he showed that it is possible to stay true to your progressive values and lead a life of public service.

He always said, "We all do better when we all do better." I am honored to have the Federal building in my district, the same building where in May

1970, he was arrested for civil disobedience while protesting the Vietnam war named after the late Senator from Minnesota.

Madam Speaker, I urge my colleagues to join me in honoring his life and legacy by passing this bipartisan bill.

Mr. CRAWFORD. Madam Speaker, this bill recognizes Senator Wellstone's service to our country and dedication to the people of Minnesota.

Madam Speaker, I urge the support of this bill, and I yield back the balance of my time.

Mr. STANTON. Madam Speaker, in closing, this bill honors the life of a dedicated public servant, a United States Senator, Paul Wellstone.

Madam Speaker, I urge my colleagues to support this legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. STANTON) that the House suspend the rules and pass the bill, S. 5060.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

The Chair recognizes the gentleman from Arizona.

GENERAL LEAVE

Mr. STANTON. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days within which to revise and extend their remarks and to include extraneous material on S. 4017.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. STANTON. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I support the passage of S. 4017, a bill to name the United States Courthouse located at 111 South Highland Avenue in Jackson, Tennessee, the James D. Todd United States Courthouse.

Judge James Todd was born in Scotts Hill, Tennessee, in 1943. He received a bachelor of science from Lambuth College in 1965 and his juris doctorate from Memphis State University, now the University of Memphis, Cecil C. Humphreys School of Law in 1972.

He was in private practice in Jackson, Tennessee, from 1972 to 1983, and served as a judge on Tennessee's Circuit Court from 1983 to 1985.

In 1985, Judge Todd was nominated and confirmed to the U.S. District Court for the Western District of Tennessee where he served as chief judge from 2001 to 2007. Judge Todd assumed senior status in 2008.

Madam Speaker, I support S. 4017 to name a courthouse after the Honorable Judge Todd, and I reserve the balance of my time.

Mr. CRAWFORD. Mr. Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of the bill, S. 4017, which designates the United States Courthouse located in Jackson, Tennessee, as the James D. Todd United States Courthouse.

I thank my colleague Representative KUSTOFF for introducing the House version of this legislation, which has the support of the entire Tennessee delegation.

Judge Todd was first nominated to the United States District Court for the Western District of Tennessee in 1985 by President Reagan.

Judge Todd served in the District Court as chief judge from 2001 to 2007. After 36 years of public service for the judiciary, Judge Todd assumed inactive senior status in September 2021.

Madam Speaker, I urge my colleagues to support this bill, and I reserve the balance of my time.

Mr. STANTON. Madam Speaker, I continue to reserve the balance of my time.

Mr. CRAWFORD. Madam Speaker, I yield 5 minutes to the gentleman from Tennessee (Mr. KUSTOFF), the sponsor of the House companion to this legislation.

Mr. KUSTOFF. Madam Speaker, I thank my friend from Arkansas for yielding time.

Madam Speaker, I rise today in support of legislation to name the courthouse in honor of a good friend and a good man, the James D. Todd United States Courthouse located at 111 South Highland Avenue in Jackson, Tennessee.

As a native Tennessean, Judge Todd has dedicated his entire life to his community, to his State, and to this Nation.

A graduate of Lexington High School and Lambuth College, Judge Todd received his master's in combined sciences from the University of Mississippi in 1968.

He then went on to receive his law degree from the University of Memphis, the Cecil C. Humphreys School of Law in 1972.

From there, Judge Todd practiced law with the firm of Waldrop, Farmer, Todd and Breen for 9 years before being elected as a State circuit court judge where he served for 2 years.

Judge Todd was then nominated by President Ronald Reagan in June of 1985 to serve as a judge on the United States District Court for the Western District of Tennessee, and Judge Todd was confirmed by the United States Senate on July 10, 1985, with no objection.

For almost four decades, Judge Todd worked tirelessly for the people of Jackson and for West Tennessee and, really, for our entire State.

I will note as a point of personal privilege that Judge Todd administered my oath as the United States attorney for the Western District of Tennessee in 2006, a moment that I will never forget.

In addition to Judge Todd's time on the bench, he has been involved in the Tennessee Boys Club, was the Jackson Senior League baseball coach, served as the Lambuth College Alumni Association president, and was also chairman for the Goals of Jackson Committee.

Judge Todd has been a respected member of the judiciary in our community in West Tennessee. Judge Todd retired and took inactive status last year. I was proud to join our entire West Tennessee community congratulating him on his years of great work and dedicated service.

If I can for a moment, former Madison County Mayor Jimmy Harris, who retired earlier this year from Jackson, Tennessee, who is a friend of Judge Todd, commented when Judge Todd stepped down. This is what Mayor Harris said: "Respect and talent. There is law enforcement, judges, lawyers, the district attorney—you name it. They all have a healthy respect for Jim Todd. But he is the epitome of what a Federal judge ought to be. He makes decisions based on the law and the Constitution. That is all you can ask for."

In my opinion, Mayor Harris, his comments are spot on; and for all these reasons, I am proud to have introduced this legislation that honors Judge Todd. I think Chief Judge Tom Anderson of the Western District of Tennessee said it best when he said, "This is a historic and momentous event for West Tennessee to recognize one of our own and name this outstanding facility after Judge Todd."

Lastly, if I could, I thank every member of the Tennessee delegation, Senators MARSHA BLACKBURN and BILL HAGERTY, and all of my Tennessee colleagues for supporting this legislation.
