CONGRATULATING THE TERRAPINS MEN'S LACROSSE TEAM OF THE UNIVERSITY OF MARYLAND, COLLEGE PARK FOR WINNING THE 2022 NATIONAL COLLEGIATE ATHLETICS ASSOCIATION DIVISION I MEN'S LACROSSE NATIONAL CHAMPIONSHIP

Mr. SCHUMER. Mr. President, I ask unanimous consent that the Senate proceed to the consideration of S. Res. 699, submitted earlier today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The senior assistant legislative clerk read as follows:

A resolution (S. Res. 699) congratulating the Terrapins men's lacrosse team of the University of Maryland, College Park for winning the 2022 National Collegiate Athletics Association Division I men's lacrosse national championship.

There being no objection, the Senate proceeded to consider the resolution.

Mr. CARDIN. Mr. President, I rise today to congratulate the University of Maryland's Men's Lacrosse Team for winning the NCAA Division 1 championship. The Terrapins completed an historic undefeated season, winning 18 games—an NCAA record for the most victories in a season without a loss. The perfect season culminated with a 9-7 victory over Cornell University for the national championship.

Lacrosse is the oldest organized team sport in North America, dating back among Indigenous communities to 1100 AD. Jesuit missionaries in Canada documented the Mohawk people playing the game in 1757. Here in the United States, lacrosse is popular nationwide, but New York and Maryland remain the "hotbeds" of lacrosse. The game became popular in the Baltimore area in the 1890s. The NCAA began hosting a tournament to determine the national champion in 1971. In the 51 years since then—there was no tournament in 2020 because of the COVID-19 pandemic—the Terps have won four national championships, Johns Hopkins University—JHU—has won nine, and Loyola University Maryland has won one. Maryland universities have been national champion or runner-up in 37 of the 51 years the NCAA has hosted the tournament.

The Terps' championship season was particularly sweet, coming on the heels of a one-goal loss to the University of

Virginia—UVA—in last year's championship match. That was the team's only loss last season; over the last 2 years, the Terps have gone 33-1. This year's team was the first Division 1 team to go undefeated since 2006 and just the fourth undefeated team over the past 30 years, joining UVA, JHU, and Princeton in that exalted club. The championship is the second for head coach John Tillman, who has guided the Terps to the NCAA tournament all 11 years he has been the head coach.

Lacrosse is truly a team sport. There are a few players, however, whose contributions deserve special recognition. Logan Wisnauskas—attack—became the first Terp to record 100 points in a single season and then went on to win the Tewaaraton Award as the Nation's top collegiate player after a 61 goal, 42 assist, 103 point season. Anthony DeMaio—midfield—scored the 100th goal of his career during the national championship game and scored 17 goals in the postseason. He scored three straight goals during a span of 2:09—and four overall for his fifth hat trick in his last six games—as Maryland ended the first quarter on a 4-0 run to take a lead the team would not relinquish. Goalie Logan McNaney was the 2022 NCAA Tournament's Most Outstanding Player, making 17 saves against Cornell and 61 saves in the tournament. Wisnauskas, DeMaio, McNaney, Luke Wierman—faceoff—and Ajax Zappitello—defense—were named to the NCAA All-Tournament Team.

I congratulate all the players, coaches, and staff for guiding the Terps through a season for the record books and making all Marylanders proud. The players are: Noah Beacham, Colin Burlace, Jack Brennan, B.J. Burlace, Chace Cope, Joshua Coffman, Jonathan Donville, Anthony DeMaio, Bubba Fairman, Gabe Goforth, John Geppert, Garrett Gibbons, Jake Higgins, Geordy Holmes, Matthew Kopp, Charlie Koras, Keegan Khan, Jack Koras, Shea Keethler, Daniel Kelly, Kyle Long, Eric Malever, Drew Morris, Logan McNaney, Jackson Marshall, Daniel Maltz, Brett Makar, Jack McDonald, Owen Murphy, Roman Puglise, Owen Prybylski, Matt Rahill, Michael Roche, Nick Redd, King Ripley, Eric Spanos, Ryan Siracusa, Alex Smith, Westin Schmidt, Justin Sherrer, Gavin Tygh, Kevin Tucker, Logan Wisnauskas, Zach Whittier, Alex Wicks, Dawson Wynne, Luke Wierman, and Ajax Zappitello.

The coaches are: John Tillman, head coach; Bobby Benson, assistant coach; Jesse Bernhardt, assistant coach; and Carroll Kennedy, volunteer assistant coach. The staff includes: Tim Ahner, equipment manager; Heather Arianna, academic adviser; Anthony Benyarko, MS, ATC, CES—athletic trainer; Colleen Carrion, MS, RD, CDN, CSSD—sports nutrition; Ben Hoffman, strength and conditioning; Clara Hollander, director of operations; Sharle Kekuewa, marketing strategy and fan experience; Eric Mantz, facilities, operations and events; Josh Schmidt,

media relations; Sydnee Strong, student-athlete development; and Brian Thornburg, development.

Mr. SCHUMER. I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motions to reconsider be considered made and laid upon the table with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

MORNING BUSINESS

50TH ANNIVERSARY OF THE PELL GRANT PROGRAM

Mr. DURBIN. Mr. President, today marks the 50th anniversary of the Pell Grant Program, a program that has been the bedrock of our Nation's investment in higher education.

This bipartisan program has provided direct financial aid to low-income students since 1972, and there currently are 7 million students receiving a Pell grant. In my home State of Illinois, more than 208,000 Pell grants totaling nearly \$860 million were awarded in the 2020-2021 academic year. These Federal dollars help provide students and families access to higher education, well-paying jobs, and economic mobility.

But Pell grants have failed to keep up with the times. When it was created, the Pell grant covered more than 75 percent of the average cost of attendance at a 4-year public college. Today, Pell grants cover less than 30 percent of these expenses. This means that students are forced to take on student loans, exacerbating the student loan debt crisis. Forty-five million Americans owe \$1.7 trillion in student loan debt, which is second only to mortgages as the largest category of consumer debt.

Doubling the Pell grant would be an investment in our Nation's future and would help ensure students can access higher education. At the same time, the for-profit college industry—an industry with a track record of preying on low-income students—must continue to be held accountable so students and taxpayers are not being ripped off. The for-profit college industry enrolls only 8 percent of all post-secondary students in America, but accounts for 30 percent of all Federal student loan defaults. Too often, students and taxpayers are left holding the bag.

As we celebrate the 50th anniversary of Pell grants, I urge my colleagues to support low-income students by increasing these grants to cover a greater amount of college expenses and ensuring the most vulnerable students are protected from fraudulent for-profit colleges.

BUDGETARY REVISIONS

Mr. SANDERS. Mr. President, S. Con. Res. 14, the fiscal year 2022 congressional budget resolution, included a reserve fund in section 3003 to allow the chairman of the Committee on the Budget to revise budget aggregates and committee allocations for legislation that would not increase the deficit over the period of fiscal years 2022 to 2031.

The Senate will soon consider S. 2938, the Bipartisan Safer Communities Act, as proposed to be amended by Senate Amendment No. 5099, which meets the condition of not increasing the deficit over the relevant 10-year period. As such, I am filing a revision to the aggregates and committee allocations under the budget resolution, which were last revised on April 7, as well as the Senate pay-as-you-go scorecard. Specifically, the Congressional Budget Office estimates that Division A of the bill would increase 2022 budget authority by \$7.5 billion and increase 2022 outlays by \$1 million but decrease spending over the 5- and 10-year windows. Over the 2022–2026 period, the bill would decrease spending by \$5.7 billion and increase revenues by \$4 million. Over the 2022–2031 period, the bill would decrease spending by \$5.3 billion and increase revenue by \$10 million. Division B of the bill appropriates additional discretionary spending, but that spending is designated as an emergency and not subject to budget enforcement.

I ask unanimous consent that the accompanying tables, which provide de-

tails about the adjustment, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

NOTICE OF A TIE VOTE UNDER S. RES. 27

Mr. MENENDEZ. Mr. President, I ask unanimous consent to print the following letter in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

To the Secretary of the Senate:

PN1691, the nomination of The Honorable Elizabeth Frawley Bagley, of Florida, to be Ambassador Extraordinary and Plenipotentiary of the United States of America

to the Federative Republic of Brazil, having been referred to the Committee on Foreign Relations, the Committee, with a quorum present, has voted on the nomination as follows—

1.) on the question of reporting the nomination favorably with the recommendation that the nomination be confirmed, 11 ayes to 11 noes; and

2.) in accordance with section 3, paragraph (1)(A) of S. Res. 27 of the 117th Congress, I hereby give notice that the Committee has not reported the nomination because of a tie vote, and ask that this notice be printed in the Record pursuant to the resolution.

ARMS SALES NOTIFICATION

Mr. MENENDEZ. Mr. President, section 36(b) of the Arms Export Control Act requires that Congress receive prior notification of certain proposed arms sales as defined by that statute. Upon such notification, the Congress has 30 calendar days during which the sale may be reviewed. The provision stipulates that, in the Senate, the notification of proposed sales shall be sent to the chairman of the Senate Foreign Relations Committee.

In keeping with the committee's intention to see that relevant information is available to the full Senate, I ask unanimous consent to have printed in the RECORD the notifications which have been received. If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD–423.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

DEFENSE SECURITY
