Resolved (two-thirds of the Senators present concurring therein).

Section 1. Senate advice and consent subject to declarations and conditions.

The Senate advises and consents to the ratification of the Protocols to the North Atlantic Treaty of 1949 on the Accession of the Republic of Finland and the Kingdom of Sweden, which were signed on July 5, 2022, by the United States of America and other parties to the North Atlantic Treaty of 1949 (Treaty Doc. 117–3), subject to the declarations of section 2 and the condition of section 3.

countries in the North Atlantic area against all external threats;

- (B) through common action, the established democracies of North America and Europe that were joined in NATO persevered and prevailed in the task of ensuring the survival of democratic government in Europe and North America throughout the Cold War:

- (E) the security and prosperity of the United States is enhanced by NATO's collective defense against aggression that may threaten the security of NATO members; and
- (F) United States membership in NATO remains a vital national security interest of the United States.

- (D) extending NATO membership to Finland and Sweden will strengthen NATO, enhance stability in Europe, and advance the interests of the United States and its NATO allies.
- (3) Support for NATO's Open Door Policy.—The policy of the United States is to support NATO's Open Door Policy that allows any European country to express its desire to join NATO and demonstrate its ability to meet the obligations of NATO membership.

- (B) Requirement for Consensus and Ratification.—The Senate declares that no action or agreement other than a consensus decision by the full membership of NATO, approved by the national procedures of each NATO member, including, in the case of the United States, the requirements of Article II, section 2, clause 2 of the Constitution of the United States (relating to the advice and consent of the Senate to the making of trea-

(6) Support for 2014 Wales Summit Defense Spending Benchmark.—The Senate declares that all NATO members should continue to fulfill or move towards the guideline outlined in the 2014 Wales Summit Declaration to spend a minimum of 2 percent of their Gross Domestic Product (GDP) on defense and 20 percent of their defense budgets on major equipment, including research and development, by 2024.

Sec. 3. condition.

The advice and consent of the Senate under section 1 is subject to the following conditions

- (1) Presidential Certification.—Prior to the deposit of the instrument of ratification, the President shall certify to the Senate as follows:
- (A) The inclusion of Finland and Sweden in NATO will not have the effect of increasing the overall percentage share of the United States in the common budgets of NATO.
