

Whereas, the problem of born-alive infants being denied medically appropriate care following attempted abortions is a matter of official public record but still underreported; and

Whereas, to remedy the problem of under reporting of cases of infants born alive following attempted abortions, Congress introduced the Ensuring Accurate and Complete Abortion Data Reporting Act of 2019, which would make certain Medicaid family planning monies conditional on a state gathering and reporting to the United States Centers for Disease Control and Prevention comprehensive abortion data, and affirmatively requires that states report instances of unborn children surviving abortion attempts; Therefore, be it

Resolved, By the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Legislature strongly supports the enactment of the Born-Alive Abortion Survivors Protection Act.

2. That the Legislature strongly supports the enactment of the Ensuring Accurate and Complete Abortion Data Reporting Act of 2019.

That the Secretary of State of the State of Arizona transmit copies of this Resolution to the Governor of the State of Arizona, the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives and each Member of Congress from the State of Arizona.
