POM—242. A concurrent resolution adopted by the Legislature of the State of Louisiana urging the United States Congress to support the partnership between nonprofit organizations and the federal government; to the Committee on Homeland Security and Governmental Affairs.

HOUSE CONCURRENT RESOLUTION NO. 115

Whereas, the nonprofit sector in the United States includes nearly one million five hundred thousand organizations and employs over twelve million people, making it the third largest workforce in the United States; and

Whereas, nonprofit organizations in the United States contribute over one trillion dollars to the economy each year; and

Whereas, the public sector relies on nonprofit organizations to provide necessary services to citizens, especially during times of economic downturns; and

Whereas, nonprofit organizations of all sizes and missions helped communities across the United States face unprecedented challenges despite labor shortages, disrupted operations, and increased demands for assistance; and

Whereas, partnerships between the public sector and nonprofit sector allow both to leverage resources, relationships, and strengths to further serve communities; Therefore, be it *Resolved*, That the Legislature of Louisiana does hereby recognize the importance of nonprofit organizations and memorializes the United States Congress to support the partnership between nonprofit organizations and the federal government; and be it further

Resolved, That a copy of this Resolution be transmitted to the presiding officers of the Senate and the House of Representatives of the Congress of the United States of America and to each member of the Louisiana congressional delegation.

POM—243. A joint resolution adopted by the Legislature of the State of Wisconsin applying to the United States Congress, under the provisions of Article V of the United States Constitution, for the calling of a Convention of the States limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress; to the Committee on the Judiciary.

ASSEMBLY JOINT RESOLUTION NO. 9

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the States through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the States to protect the liberty of our people—particularly for the generations to come—by proposing amendments to the Constitution of the United States through a Convention of the States under Article V for the purpose of restraining these and related abuses of power; now, therefore, be it

Resolved by the assembly, the senate concurring, That the legislature of the State of Wisconsin hereby applies to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a Convention of the States limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress; and; be it further

Resolved, That for purposes of this joint resolution, the phrase “limit the power and jurisdiction” means to restrict and constrain the power and jurisdiction of the federal government, and that this joint resolution does not authorize a convention for proposing any amendments that expand federal power or jurisdiction, or that legitimize any current use of federal power that is unauthorized by the original Constitution; and, be it further

Resolved, That the secretary of state is hereby directed to transmit copies of this application to the president and secretary of the United States Senate and to the Speaker and clerk of the United States House of Representatives; to transmit copies to the members of the said Senate and House of Representatives from this state; and also to transmit copies hereof to the presiding officers of each of the legislative houses in the several States, requesting their cooperation; and, be it further

Resolved, That this application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two-thirds of the several States have made applications on the same subject.

POM—244. A joint resolution adopted by the Legislature of the State of Illinois that all resolutions, memorials, applications, or other enactments previously passed by the Illinois General Assembly, or either house thereof, petitioning Congress for a convention under Article V of the United States Constitution are rescinded, canceled, voided, nullified, and superseded upon passage of this resolution; to the Committee on the Judiciary.

SENATE JOINT RESOLUTION NO. 54

Whereas, Article V of the United States Constitution requires the Congress of the United States to convene a constitutional convention upon the application of two-thirds of the several states; and

Whereas, The Illinois General Assembly has made applications to the United States Congress to call one or more conventions to propose amendments concerning specific subjects to the United States Constitution, pursuant to Article V of the United States Constitution; and

Whereas, Some of the applications on file from the Illinois General Assembly are from more than 100 years in the past, and since that time Illinois has more than doubled in population and our laws and resolutions should keep pace with progress in the State; and

Whereas, A constitutional convention convened by Congress could make sweeping changes to the United States Constitution

and threaten the liberty of future generations of Illinoisans; and

Whereas, The Illinois General Assembly is aware that other state legislatures have made applications requesting that Congress convene a constitutional convention; and

Whereas, The Illinois General Assembly does not want its previous applications for a constitutional convention to be included with any unrelated applications made by other state legislatures for a constitutional convention; therefore, be it

Resolved, By the Senate of the One Hundred Second General Assembly of the State of Illinois, the House of Representatives Concurring Herein, that all resolutions, memorials, applications, or other enactments previously passed by the Illinois General Assembly, or either house thereof, petitioning Congress for a convention under Article V of the United States Constitution are rescinded, canceled, voided, nullified, and superseded upon passage of this resolution; and be it further

Resolved, That copies of this Joint Resolution be sent, within 30 days of passage, to the Clerk of the United States House of Representatives, the Secretary of the United States Senate, and each member of the Illinois Congressional delegation; and be it further

Resolved, That the members of the Illinois General Assembly request that this Joint Resolution be published in the Congressional Record and listed in the official tally of state legislative applications relating to calling for the United States Congress to call a convention to propose amendments to the United States Constitution.
