SENATE RESOLUTION 840—SUPPORTING AFTERSCHOOL PROGRAMS AND LIGHTS ON AFTERSCHOOL, A NATIONAL CELEBRATION OF AFTERSCHOOL PROGRAMS HELD ON OCTOBER 20, 2022

Ms. SMITH (for herself, Ms. COLLINS, Ms. WARREN, Mr. BRAUN, Mr. KAINE, and Mr. CASEY) submitted the following resolution; which was considered and agreed to:

S. RES. 840

Whereas more than 30,000,000 children in the United States have parents who work outside the home;

Whereas high-quality programs that expand learning opportunities for children, such as afterschool, before-school, summer, and expanded learning opportunities, provide safe, challenging, engaging, and fun learning experiences, including experiences that encourage the study of science, technology, engineering, and math that help children and youth develop social, emotional, physical, cultural, and academic skills;

Whereas, during the COVID-19 crisis, afterschool programs have risen to the moment to support children by—

- (1) innovating to provide virtual programming to keep children engaged;
- (2) caring for children of essential workers;
- (3) providing meals and learning supports;
- (4) supporting the well-being of children and families; and
- (5) helping students recover and accelerating learning;

Whereas high-quality afterschool programs and high-quality expanded learning opportunities provide students with hands-on, engaging lessons that are aligned with the school day;

Whereas high-quality afterschool programs complement regular and expanded school days and support working families by ensuring that the children of those families are safe and productive during the hours parents are working;

Whereas high-quality afterschool programs engage families, schools, and diverse community partners in advancing the well-being of children and youth in the United States;

Whereas high-quality afterschool programs that partner with high-quality community-based organizations build stronger communities by integrating schools with the larger community; and

Whereas Lights On Afterschool, a national celebration of afterschool, before-school, summer, and expanded learning opportunities programs was held on October 20, 2022, to highlight the critical importance of those high-quality programs to children and the families and communities of those children: Now, therefore, be it

Resolved, That the Senate supports Lights On Afterschool, a national celebration of afterschool programs held on October 20, 2022.

SENATE RESOLUTION 841—RECOGNIZING OCTOBER 2022 AS “NATIONAL PRINCIPALS MONTH”

Ms. SMITH (for herself, Ms. COLLINS, Mr. VAN HOLLEN, Ms. HIRONO, Mr. KING,

Mr. BRAUN, Mr. DURBIN, and Mr. BOOZMAN) submitted the following resolution; which was considered and agreed to:

S. RES. 841

Whereas the National Association of Secondary School Principals, the National Association of Elementary School Principals, and the American Federation of School Administrators have declared October 2022 to be “National Principals Month”;

Whereas principals are educational visionaries, instructional and assessment leaders, disciplinarians, community builders, budget analysts, facilities managers, and administrators of legal and contractual obligations;

Whereas principals work collaboratively with teachers and parents to develop and implement clear missions, high curriculum standards, and performance goals;

Whereas principals create school environments that facilitate great teaching and learning and continuous school improvement;

Whereas principals demonstrated leadership and played important roles in meeting the needs of students, families, and communities during the Coronavirus Disease 2019 (COVID-19) pandemic;

Whereas the vision, actions, and dedication of principals provide the mobilizing force behind any school improvement effort; and

Whereas the celebration of National Principals Month would honor elementary school, middle school, and high school principals and recognize the importance of principals in ensuring that every child has access to a high-quality education: Now, therefore, be it

Resolved, That the Senate—

- (1) recognizes October 2022 as “National Principals Month”;
- (2) honors the contributions of principals in elementary schools, middle schools, and high schools in the United States; and
- (3) supports the goals and ideals of National Principals Month.

Mrs. SHAHEEN (for herself and Ms. COLLINS) submitted the following resolution; which was considered and agreed to.:

S. RES. 842

Whereas, according to the Centers for Disease Control and Prevention (referred to in this preamble as the “CDC”)—

- (1) 37,300,000 individuals in the United States have diabetes; and
- (2) an estimated 96,000,000 individuals in the United States who are 18 years of age or older have prediabetes;

Whereas diabetes is a serious chronic condition that affects individuals of every age, race, ethnicity, and income level;

Whereas the CDC reports that—

- (1) Hispanic, Black, Asian, American Indian, and Alaska Native adults in the United States are disproportionately affected by diabetes and develop the disease at much higher rates than the general population of the United States; and
- (2) an estimated 23 percent of individuals with diabetes in the United States have not yet been diagnosed with the disease;

Whereas, in the United States, more than 11.3 percent of the population, including 29.2 percent of individuals who are 65 years of age or older, have diabetes;

Whereas, of the approximately 19,000,000 veterans in the United States, 1 in 4 are re-

ceiving care for diabetes from the Department of Veterans Affairs;

Whereas the risk of developing diabetes at some point in life is 40 percent for adults in the United States;

Whereas, according to the American Diabetes Association, the United States spent an estimated \$237,000,000,000 on direct medical costs for cases of diagnosed diabetes in 2017, and out-of-pocket costs for insulin have grown significantly in recent years for many patients;

Whereas the American Diabetes Association reports that care for people with diagnosed diabetes accounts for 1 in 4 health care dollars spent in the United States;

Whereas the cost of health care is estimated to be 2.3 times higher for individuals in the United States with diabetes than those without diabetes;

Whereas, as of November 2022, a cure for diabetes does not exist;

Whereas there are successful means to reduce the incidence, and delay the onset, of type 2 diabetes;

Whereas, with proper management and treatment, individuals with diabetes live healthy and productive lives; and

Whereas individuals in the United States celebrate American Diabetes Month in November: Now, therefore, be it

Resolved, That the Senate—

- (1) supports the goals and ideals of American Diabetes Month, including—

(A) encouraging individuals in the United States to fight diabetes through public awareness of prevention and treatment options; and

- (B) enhancing diabetes education;
- (2) recognizes the importance of awareness and early detection, including awareness of symptoms and risk factors such as—

- (A) being—
 - (i) older than 45 years of age; or
 - (ii) overweight; and
- (B) having—
 - (i) a particular racial and ethnic background;

- (ii) a low level of physical activity;
- (iii) high blood pressure;
- (iv) a family history of diabetes; or
- (v) a history of diabetes during pregnancy;

(3) supports decreasing the prevalence of type 1, type 2, and gestational diabetes in the United States through research, treatment, and prevention; and

- (4) recognizes the importance of addressing systemic barriers to health care that—

- (A) leave many vulnerable communities at a heightened risk for diabetes; and
- (B) limit access to health care resources that are needed to effectively prevent the onset, and to manage the condition, of diabetes.

SENATE RESOLUTION 843—EXPRESSING SUPPORT FOR THE DESIGNATION OF THE WEEK BEGINNING ON NOVEMBER 7, 2022 AS “NATIONAL SCHOOL PSYCHOLOGY WEEK”

Mr. PADILLA (for himself, Mr. CASSIDY, and Ms. SMITH) submitted the following resolution; which was considered and agreed to:

S. RES. 843

Whereas all children and youth learn best when they are healthy, supported, and receive an education that meets their individual needs;

Whereas schools can more effectively ensure that all students are ready and able to learn if schools meet all the needs of each student;

Whereas learning and development are directly linked to the mental health of children, and a supportive learning environment is an optimal place to promote mental health;

Whereas sound psychological principles are critical to proper instruction and learning, social and emotional development, prevention and early intervention, and support for a culturally diverse student population;

Whereas school psychologists are specially trained to deliver mental health services and academic support that lower barriers to learning and allow teachers to teach more effectively;

Whereas school psychologists facilitate collaboration that helps parents and educators to identify and reduce risk factors, promote protective factors, create safe schools, and access community resources;

Whereas school psychologists are trained to assess barriers to learning, utilize data-based decision making, implement research-driven prevention and intervention strategies, evaluate outcomes, and improve accountability;

Whereas State educational agencies and other State entities credential more than 35,000 school psychologists who practice in schools in the United States as key professionals that promote the learning and mental health of all children;

Whereas professional organizations, such as the National Association of School Psychologists and the American Psychological Association, help establish standards for the training and practice of school psychologists;

Whereas the people of the United States should recognize the vital role school psychologists play in the personal and academic development of children in the United States; and

Whereas the week beginning on November 7, 2022 would be an appropriate week to designate as National School Psychology Week: Now, therefore, be it

Resolved, That the Senate—

(1) supports the designation of National School Psychology Week;

(2) honors and recognizes the contributions of school psychologists to the success of students in schools across the United States; and

(3) encourages the people of the United States to observe the week with appropriate ceremonies and activities that promote awareness of the vital role school psychologists play in schools, in the community, and in helping students develop into successful and productive members of society.
