

The Hancock Port and Harbor Commission has consistently fulfilled its economic development mission, and Bill is a big reason why. Through his efforts, numerous companies have located on commission properties, including the U.S. Department of Defense contractor Tyonek Service Group, which performs a wide range of aircraft service operations and has been a vital catalyst in the success of the Stennis International Airport in attracting and serving military customers.

In conclusion, the value provided by Hancock Port and Harbor Commission has been made more appealing through Bill's leadership and hard work. The resulting economic growth and development is felt on multiple layers throughout Hancock County and has brought about a quality of life revered by residents and visitors alike.

With his retirement from the Hancock County Port and Harbor Commission, I thank Bill Cotter for his long and dedicated service to Hancock County, my State, and our Nation. I wish him a retirement filled with opportunities for him and his wife to spend time with their children and grandchildren.●

TRIBUTE TO COLONEL PAUL TAYLOR

● Mr. MORAN. Mr. President, today I want to recognize and pay tribute to a remarkable Kansan: retired U.S. Army COL Paul Taylor of Overland Park. Paul was recently awarded ZERO's 2022 Prostate Cancer Veterans Advocacy Award for his leadership in improving prostate cancer outcomes for veterans impacted by this disease.

Paul was first diagnosed with stage IV prostate cancer in 2012 at the age of 41 while preparing for deployment to Afghanistan. As is too often the case, he did not experience any notable symptoms warning of the disease. It was a routine predeployment medical screening that saved his life.

Unfortunately, Paul's story is not rare. With nearly 489,000 patients suffering from prostate cancer, this is one of the most common cancer diagnoses among American veterans. In fact, one in five veterans will develop prostate cancer in his lifetime.

With the support and encouragement of his superiors, Paul retained his command of 700 soldiers throughout his medical treatment consisting of hormone therapy, chemotherapy and surgery. He later retired from the Army and continued to serve his country in emergency management roles throughout regional and national crises.

Paul's cancer is now under control with treatment and is closely monitored. He credits his family and patient support groups for their care and encouragement throughout his cancer journey. They have been meaningful sources of emotional support and mentorship as he underwent treatment for the disease.

For those facing similar health challenges, he encourages them to find a

community to offer support and hope throughout the journey. He embodied this principle himself by choosing to sacrifice his own time and talents to help those facing prostate cancer.

Even as Paul battled this terrible disease himself, he dedicated his life to fighting prostate cancer through volunteer leadership to help all who suffer from this disease—but especially veterans.

Today, Paul lives in Overland Park, KS, with his wife Amy and three daughters. He is an active and dedicated advocate for veterans who suffer from prostate cancer.

His efforts have been instrumental in the progress of S. 2720, the Veterans' Prostate Cancer Treatment and Research Act. This legislation creates a clinical pathway for prostate cancer in the Department of Veterans Affairs and helps thousands of veterans manage their prostate cancer treatment process.

On behalf of the U.S. Senate, it is my honor to recognize Paul Taylor for his courage, sacrifice, and determination as he now offers hope and support to the nearly 3.1 million men living with prostate cancer in the United States.●

RECOGNIZING THE HARKNESS HOTEL

● Mr. RISCH. Mr. President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today, I am pleased to honor the Harkness Hotel as the Idaho Small Business of the Month for December 2022.

Aaron and Arianne Hunsaker opened the Harkness Hotel in July 2014. The Harkness Hotel was a personal project for the couple, who decided to move from Washington, DC, back to Aaron's home State and open a luxury hotel after they stayed in a memorable but mediocre establishment for their honeymoon.

They searched statewide for a historic building to renovate, before finally purchasing the old McCammon Investment Company in 2013. Built in 1906, the McCammon Investment Company was located less than a block away from the original Harkness Hotel, lost in a fire over 100 years ago. The Hunsakers drew inspiration from the legacy of the Harkness Hotel and set out to transform the old bank—which included apartments, a general mercantile store, and a post office—into an award-winning boutique hotel.

The Harkness Hotel blends the historic beauty of the past with modern comforts with an on-site spa and salon for the enjoyment of residents and visitors. Both ran and designed by the Hunsaker family, the Harkness Hotel serves as a symbol of pride for the McCammon community and highlights Idaho's natural beauty and genuine hospitality.

Congratulations to the Hunsakers and all of the employees at the Harkness Hotel for being selected as the Idaho Small Business of the Month for December 2022. Thank you for serving Idaho as small business owners and entrepreneurs. You make our great State proud, and I look forward to your continued growth and success.●

RECOGNIZING JEWISH FAMILY SERVICE

● Mr. ROMNEY. Mr. President, I rise today to honor Jewish Family Service on their remarkable sesquicentennial celebration, an organization whose spirited generosity and longstanding charity continues to benefit the health and well-being of our Utah communities.

Over two decades before Utah statehood, a group of Jewish women founded the Hebrew Women's Benevolent Society in 1872. During this time, many families journeyed West to escape persecution and build new lives, often with little to no resources. With open arms, the Hebrew Women's Benevolent Society welcomed new arrivals at their most vulnerable and ensured that their critical needs were met.

The organization abides by the same selfless mission today as Jewish Family Service, still grounded in the traditional values of tikkun olam, kavod, and tzedek—repair the world, honor, and justice. These values translate into action while the group runs food pantries, provides senior care, and offers mental health counseling to anyone in need, regardless of religious affiliation or financial means.

Today, we recognize and thank Jewish Family Service for their outstanding and indelible impact on Utahns as they continue to inspire us to turn outward and serve our brothers and sisters.●
