

Mr. MCGOVERN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question are postponed.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess for a period of less than 15 minutes.

Accordingly (at 1 o'clock and 15 minutes p.m.), the House stood in recess.

□ 1330

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. FLOOD) at 1 o'clock and 30 minutes p.m.

ANNOUNCEMENT BY SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Proceedings will resume on questions previously postponed.

Votes will be taken in the following order:

Ordering the previous question on House Resolution 260; and

Adoption of House Resolution 260, if ordered.

The first electronic vote will be conducted as a 15-minute vote. Pursuant to clause 9 of rule XX, the remaining electronic vote will be conducted as a 5-minute vote.

PROVIDING FOR CONSIDERATION OF H.R. 1, LOWER ENERGY COSTS ACT

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the vote on ordering the previous question on the resolution (H. Res. 260) providing for consideration of the bill (H.R. 1) to lower energy costs by increasing American energy production, exports, infrastructure, and critical minerals processing, by promoting transparency, accountability, permitting, and production of American resources, and by improving water quality certification and energy projects, and for other purposes, on which the yeas and nays were ordered.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. The question is on ordering the previous question.

The vote was taken by electronic device, and there were—yeas 218, nays 203, not voting 13, as follows:

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. LUTTRELL. Mr. Speaker, I was unable to vote on rollcall Nos. 165 and 166. Had I been present I would have voted "yea" on rollcall No. 165 and "yea" on rollcall No. 166.

LOWER ENERGY COSTS ACT

GENERAL LEAVE

Mr. WESTERMAN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on H.R. 1.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arkansas?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 260 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 1.

The Chair appoints the gentleman from California (Mr. ISSA) to preside over the Committee of the Whole.

□ 1412

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 1) to lower energy costs by increasing American energy production, exports, infrastructure, and critical minerals processing, by promoting transparency, accountability, permitting, and production of American resources, and by improving water quality certification and energy projects, and for other purposes, with Mr. ISSA in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

General debate shall not exceed 7 hours, with 6 hours equally divided among and controlled by the respective chairs and ranking minority members of the Committees of Energy and Commerce and Natural Resources or their respective designees and 1 hour equally divided and controlled by the chair and ranking minority member of the Committee on Transportation and Infrastructure or their respective designees.

The gentlewoman from Washington (Mrs. RODGERS) and the gentleman from Arkansas (Mr. WESTERMAN), the gentleman from New Jersey (Mr. PAL-LONE) and the gentleman from Arizona (Mr. GRIJALVA) each will control 90 minutes. The gentleman from Missouri (Mr. GRAVES) and the gentleman from Washington (Mr. LARSEN) each will control 30 minutes.

The Chair recognizes the gentleman from Arkansas, (Mr. WESTERMAN.)

Mr. WESTERMAN. Mr. Chair, I yield myself such time as I may consume.

Mr. Chair, I rise today in support of H.R. 1, the Lower Energy Costs Act.

As an engineer, I have learned that no issue is too difficult for American innovation and ingenuity to solve when we honestly identify the problem, develop a sound plan to solve it, and do the hard work to get the results we desire.

The truth we all know is America has an energy crisis. Energy is foundational to everything we do, and for the sake of our future, we must solve this problem.

Energy prices, in general, have gone up nearly 40 percent in a little over 2 years. High energy costs translate throughout the economy, causing inflated prices for every necessity of life, from the food we eat to the clothes we wear to the roof over our heads.

President Biden has said he is working to lower these costs. But his actions are drowning out his words. He has waged war on American producers, shutting down oil and gas leasing, banning mining development in certain areas, and insisting on keeping our Federal regulations permanently stuck in the past.

□ 1415

What are we getting in return?

We are getting more dependence on the worst polluters in the world while we wreck our own economy sending our wealth and jobs overseas.

Our current energy policies favor Putin, the Chinese Communist Party, and despots around the globe over the American people and freedom. Why would our friends across the aisle continue to put the worst polluters, human rights violators, and those who wish us harm above the American people?

No more. H.R. 1 is designed to solve our energy crisis. House Republicans are ready to show the world that American energy—not Saudi Arabian, not Venezuelan, not Chinese, or Russian energy—American energy is our future. American mining, American innovation, American processing and refining,
