### CONDOLENCES FOR I-55 CRASH VICTIMS

(Mrs. MILLER of Illinois asked and was given permission to address the House for 1 minute.)

Mrs. MILLER of Illinois. Mr. Speaker, I rise today with the Illinois Representatives to express our deep condolences for the victims of the tragic multi-vehicle accident last week on I-55, and to offer our sincere gratitude to the brave Illinois first responders who assisted motorists at the scene.

The dedication and commitment of our first responders has been unwavering, and we are keeping the victims, their families, and their friends in our hearts and our prayers during this difficult time.

Mr. Speaker, I yield to the gentlewoman from Illinois (Ms. Budzinski).

Ms. BUDZINKSI. Mr. Speaker, my heart continues to go out to the loved ones of those who lost their lives, as Congresswoman MILLER mentioned, in the tragic pile-up on I-55 last week.

I am also so appreciative of the first responders from across our region who were on the scene quickly for rescue efforts. They demonstrated incredible bravery in this response, and so I admire the important work that they do, as I do each and every day.

Thank you for your service to our communities and thank you to my colleagues joining with us today to remember the victims.

Mr. Speaker, I ask the House to observe a moment of silence.

COMMEMORATING THE 100TH ANNI-VERSARY OF THE THEODORE H. HERNANDEZ AMERICAN LEGION **AUXILIARY UNIT 54** 

(Mr. BEAN of Florida asked and was given permission to address the House for 1 minute.)

Mr. BEAN of Florida. Mr. Speaker, you know every birthday with a zero in it is special, but what about a birthday with double zeros? That makes it double special.

Such is the case for the 100th anniversary of the Theodore H. Hernandez American Legion Auxiliary Unit 54 in my hometown of Fernandina Beach, Florida. This auxiliary holds a special place in my heart, as my mother was a member for many, many years.

The auxiliary has supported and continues to support community organizations on the first coast such as the Nassau County Council on Aging, and Adopt-a-Soldier, and so many others.

On May 29, 2023, members will celebrate 100 years of serving our veterans, military, and their families in northeast Florida.

Hopefully, Mr. Speaker, they will celebrate with a very big cake.

I congratulate the Theodore H. Hernandez American Legion Auxiliary Unit Number 54 on 100 years of amazing service, and I can't wait to see what they do with the next 100.

### SECURE BORDERS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to discuss the Secure the Border Act.

A few years ago, Americans were horrified to see pictures and videos of immigrant children in cages. But the MAGA Republicans thought this policy was a great idea.

Thankfully, the Biden administration ended this cruel and inhumane practice, but these same MAGA Republicans want to bring it back. They want to punish children because their parents want to become U.S. citizens.

This bill would remove all the protections for immigrant children at the border, and it allows them to be detained in cages in Federal facilities indefinitely

The Statue of Liberty, the symbol of America, tells the world that our country is open to all people. It invites them to come here and fulfill their dreams.

However, this anti-American bill represents the opposite, and it is an embarrassment and shameful that it was introduced at all.
