

CELEBRATING BLACK VOICE NEWS' 50TH ANNIVERSARY

(Mr. AGUILAR asked and was given permission to address the House for 1 minute.)

Mr. AGUILAR. Mr. Speaker, I rise today to celebrate the 50th anniversary of the Black Voice News, which has reported on seeking justice in the Inland Empire through their reporting for decades.

For the last 50 years, the Black Voice News has addressed issues such as disparities in healthcare, wealth, and education. This dedicated team of talented journalists has chronicled some of the most important stories impacting Black lives in my community and given a voice to our residents.

They have lifted up the stories of middle-class families doing their best, through joys and sorrows, to carve out a better life for themselves and their families.

The Inland Empire residents deserve to have access to local news, and Black Voice News provides that.

I am so proud of everything this publication has accomplished over the last 50 years, and I am excited to see what is to come in the next 50.

ATF PISTOL BRACE RULE OVERREACHES

(Mr. MOORE of Alabama asked and was given permission to address the House for 1 minute.)

Mr. MOORE of Alabama. Mr. Speaker, on May 31, at midnight, 29 million Americans became instant felons, thanks to Biden's weaponization of the ATF.

The ATF's overreaching new rule, created by unelected bureaucrats, reclassifies pistols as short-barreled rifles if they have a stabilizing brace attachment. Many disabled veterans and other Americans rely on these braces to be able to correctly use their firearms.

Under this new rule, which several courts have already declared unconstitutional, lawful gun owners could face up to 10 years in jail and thousands of dollars in fines if they fail to register pistols with stabilizing braces.

This is a blatant assault on our Second Amendment rights that makes 29 million Americans, including many veterans, subject to up to 10 years in prison and numerous fines. I am glad to see the courts getting involved to temporarily halt this rule, but we need more permanent solutions.

Mr. Speaker, I urge my colleagues to vote for H.J. Res. 44, led by the gentleman from Georgia (Mr. CLYDE), to block this unconstitutional rule and ensure that lawful gun owners are not considered felons.

CELEBRATING WILBUR HARRY CLINE'S 100TH BIRTHDAY

(Mr. MILLS asked and was given permission to address the House for 1 minute.)

Mr. MILLS. Mr. Speaker, I rise today to celebrate Wilbur Harry Cline's 100th birthday and honor his service as a World War II veteran.

Eighty years ago, Wilbur answered the call to defend our freedoms and this great Nation. He served our great Nation in the 133rd Regiment, 34th Division, in the United States Army during World War II.

He received the Purple Heart, Good Conduct Medal, and Campaign Medal with three bronze stars for shedding his blood to defend this great Nation. He is a true patriot who marched through liberated Rome and faced horrendous battle conditions throughout his journey.

He is such a devout man that he is even known to have recited the Lord's Prayer as the German 88 artillery shells rained down around him and wounded him in 1944.

While he does not think of himself as a hero, he is to his son, Michael; his family; and this entire Nation. It is a privilege to recognize his service to our country and celebrate his 100th birthday.

I wish Mr. CLINE many more joyful years to come with his family. I thank him, and God bless.

ELECTING A MEMBER TO A CERTAIN STANDING COMMITTEE OF THE HOUSE OF REPRESENTATIVES

Mr. AGUILAR. Mr. Speaker, by direction of the Democratic Caucus, I offer a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 502

Resolved, That the following named Member be, and is hereby, elected to the following standing committee of the House of Representatives:

COMMITTEE ON THE JUDICIARY: Ms. Balint.

Mr. AGUILAR (during the reading). Mr. Speaker, I ask unanimous consent that the resolution be considered as read.

The SPEAKER pro tempore (Mr. FLOOD). Is there objection to the request of the gentleman from California?

There was no objection.

The resolution was agreed to.

A motion to reconsider was laid on the table.

NOTICE OF INTENTION TO OFFER RESOLUTION RAISING A QUESTION OF THE PRIVILEGES OF THE HOUSE

Mrs. LUNA. Mr. Speaker, pursuant to clause 2(a)(1) of rule IX, I seek recognition to give notice of my intent to raise a question of the privileges of the House.

The form of the resolution is as follows:

H. Res. 489, censuring and condemning ADAM SCHIFF, Representative of California's 30th Congressional District.

Whereas the allegation that President Donald Trump colluded with Russia to steal the 2016 Presidential election has been revealed as false by numerous in-depth investigations, including the recent report by Special Counsel John Durham, which documents how the conspiracy theory was invented, funded, and spread by President Trump's political rivals;

Whereas Representative ADAM SCHIFF, who served as ranking minority member and then chairman of the Permanent Select Committee on Intelligence of the House of Representatives, HPSCI, occupied positions of extreme trust, affording him access to sensitive intelligence unavailable to most Members of Congress;

Whereas for years Representative SCHIFF abused this trust by citing evidence of collusion that, as is clear from reports by Special Counsel Robert Mueller, Department of Justice Inspector General Michael Horowitz, and Special Counsel Durham, does not exist;

Whereas by repeatedly telling these falsehoods, Representative SCHIFF purposely deceived his committee, Congress, and the American people;

Whereas Representative SCHIFF lent credibility to the Steele dossier, a collection of debunked collusion accusations funded by President Trump's political rivals, by reading false Steele allegations into the CONGRESSIONAL RECORD at an HPSCI hearing on March 20, 2017;

Whereas once again abusing his privileged access to classified information, Representative SCHIFF composed a false memo justifying the Foreign Intelligence Surveillance Act, FISA, warrant application on Trump associate Carter Page, which Inspector General Horowitz later found was riddled with 17 major mistakes and omissions, provoking FISA court presiding Judge Rosemary Collyer to state unequivocally that the Federal Bureau of Investigation misled the FISC;

Whereas by publicly smearing Carter Page as a Russian collaborator and justifying spurious investigations of him, Representative SCHIFF contributed to the gross violation of a United States citizen's civil liberties, thereby committing the very abuses HPSCI is tasked with identifying and thwarting;

Whereas as HPSCI ranking minority member and chairman, Representative SCHIFF behaved dishonestly and dishonorably on many other occasions, including by falsely denying that his staff coordinated with a whistleblower to launch the first impeachment of President Trump;

Whereas as part of his impeachment efforts, during an HPSCI hearing on September 26, 2019, Representative SCHIFF recited a false, concocted rendition of a phone call between President Trump and Ukrainian President Volodymyr Zelenskyy;

Whereas Representative SCHIFF exploited his positions on HPSCI to encourage and excuse abusive intelligence investigations of Americans for political purposes;

Whereas Representative SCHIFF used his position and access to sensitive information to instigate a fraudulently based investigation, which he then used to amass political gain and fundraising dollars;

Whereas the American taxpayers paid \$32 million to fund the investigation into collusion that was launched as a result of Representative SCHIFF's lies, misrepresentations, and abuses of sensitive information; and

Whereas if it is determined by an investigation conducted by the Committee on Ethics that Representative SCHIFF lied, made misrepresentations, and abused sensitive information, he should be fined in the amount of \$16 million;

Now, therefore, be it

Resolved, that:

(1) the House of Representatives censures and condemns ADAM SCHIFF, Representative of California's 30th Congressional District, for conduct that misleads the American people in a way that is not befitting an elected Member of the House of Representatives;

(2) Representative ADAM SCHIFF will forthwith present himself in the well of the House of Representatives for the pronouncement of censure;

(3) Representative ADAM SCHIFF will be censured with the public reading of this resolution by the Speaker; and

(4) the Committee on Ethics shall conduct an investigation into Representative ADAM SCHIFF's lies, misrepresentations, and abuses of sensitive information.

The SPEAKER pro tempore. Under rule IX, a resolution offered from the floor by a Member other than the majority leader or the minority leader as a question of the privileges of the House has immediate precedence only at a time designated by the Chair within 2 legislative days after the resolution is properly noticed.

Pending that designation, the form of the resolution noticed by the gentleman from Florida will appear in the RECORD at this point.

The Chair will not at this point determine whether the resolution constitutes a question of privilege. That determination will be made at the time designated for consideration of the resolution.
