ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE The SPEAKER pro tempore (during the vote). There are 2 minutes remain-

#### $\Box$ 1607

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

#### RAISING A QUESTION OF THE PRIVILEGES OF THE HOUSE

Mrs. LUNA. Madam Speaker, I call up the resolution previously noticed.

The SPEAKER pro tempore. Clerk will report the resolution.

The Clerk read as follows:

#### H RES 489

Whereas the allegation that President Donald Trump colluded with Russia to steal the 2016 Presidential election has been revealed as false by numerous in-depth investigations, including the recent report by Special Counsel John Durham, which documents how the conspiracy theory was invented, funded, and spread by President's Trump's political rivals;

Whereas Representative Adam Schiff, who served as ranking minority member and then Chairman of the Permanent Select Committee on Intelligence of the House of Representatives (HPSCI), occupied positions of extreme trust, affording him access to sensitive intelligence unavailable to most Members of Congress;

Whereas for years Representative Schiff abused this trust by citing evidence of collusion that—as is clear from reports by Special Counsel Robert Mueller, Department of Justice Inspector General Michael Horowitz, and Special Counsel Durham—does not exist;

Whereas by repeatedly telling these falsehoods, Representative Schiff purposely deceived his Committee, Congress, and the American people;

Whereas Representative Schiff lent credibility to the Steele dossier—a collection of debunked collusion accusations funded by President Trump's political rivals—by reading false Steele allegations into the Congressional Record at a HPSCI hearing on March 20, 2017;

Whereas once again abusing his privileged access to classified information, Representative Schiff composed a false memo justifying the Foreign Intelligence Surveillance Act (FISA) warrant application on Trump associate Carter Page, which Inspector General Horowitz later found was riddled with 17 major mistakes and omissions, provoking FISA Court Presiding Judge Rosemary Collyer to state unequivocally that the Federal Bureau of Investigation "mislead the FISC":

Whereas by publicly smearing Carter Page as a Russian collaborator and justifying spurious investigations of him, Representative Schiff contributed to the gross violation of a United States citizen's civil liberties, thereby committing the very abuses HPSCI is tasked with identifying and thwarting;

Whereas as HPSCI ranking minority member and Chairman, Representative Schiff behaved dishonestly and dishonorably on many other occasions, including by falsely denying that his staff coordinated with a whistle-blower to launch the first impeachment of President Trump;

Whereas as part of his impeachment efforts, during an HPSCI hearing on September 26, 2019, Representative Schiff recited a false, concocted rendition of a phone call between President Trump and Ukrainian President Volodymyr Zelensky;

Whereas Representative Schiff exploited his positions on HPSCI to encourage and excuse abusive intelligence investigations of Americans for political purposes:

Whereas Representative Schiff used his position and access to sensitive information to instigate a fraudulently based investigation, which he then used to amass political gain and fundraising dollars:

Whereas the American taxpayers paid \$32 million to fund the investigation into collusion that was launched as a result of Representative Schiff's lies, misrepresentations, and abuses of sensitive information: and

Whereas if it is determined by an investigation conducted by the Committee on Ethics that Representative Schiff lied, made misrepresentations, and abused sensitive information, he should be fined in the amount of \$16,000,000: Now, therefore, be it

Resolved, That-

- (1) the House of Representatives censures and condemns Adam Schiff, Representative of California's 30th Congressional District, for conduct that misleads the American people in a way that is not befitting an elected Member of the House of Representatives;
- (2) Representative Adam Schiff will forthwith present himself in the well of the House of Representatives for the pronouncement of censure:
- (3) Representative Adam Schiff will be censured with the public reading of this resolution by the Speaker; and
- (4) the Committee on Ethics shall conduct an investigation into Representative Adam Schiff's lies, misrepresentations, and abuses of sensitive information.

# MOMENT OF SILENCE FOR VICTIMS OF PULSE NIGHTCLUB SHOOTING

(Mr. SOTO asked and was given permission to address the House for 1 minute.)

Mr. SOTO. Madam Speaker, 7 years ago this week, on June 12, 2016, our happy town of Orlando was the site of an act of gun violence and terrorism. We lost 49 angels and 53 were injured at the Pulse nightclub shooting.

While that was a terrible and violent act, we will always remember those we lost. We also came together to reject hate and to speak to those across the Nation about both preventing gun violence, about LGBTQ rights, and about making sure that we have love define our region.

For the 49 angels we lost and the 53 who were injured, the first responders, their families, and so many others in the Orlando community, I ask for a moment of silence.

#### RECOGNIZING IMPORTANCE OF STRATEGIC PARTNERSHIP BE-TWEEN UNITED STATES AND INDIA

(Mr. POSEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks)

Mr. POSEY. Mr. Speaker, last year marked the 75th anniversary of India's independence. The growing importance of the relationship between India and the United States cannot be overstated.

Our shared commitment to democracy and economic freedom serves to build peace and stability in the Indo-Pacific region and challenge an increasingly aggressive China.

Robust cultural, educational, and professional programs play a key role in strengthening our partnership in science, technology, education, medicine, cybersecurity, civil nuclear energy, and so much more.

Americans of Indian descent are an important part of the fabric of American life, including friends like Mike Shaw, who immigrated decades ago with less than \$100 in his pocket. Today, Mike is a very successful entrepreneur who has created a strong business and thousands of jobs.

This is a relationship to be celebrated as we welcome India's Prime Minister to Washington, D.C., next week

#### CELEBRATING CARIBBEAN AMERICAN HERITAGE MONTH

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to celebrate Caribbean American Heritage Month. It is a great time to celebrate the contributions of Caribbean Americans to this country.

It is a culture known for delicious food and drinks, such as Jamaican jerk chicken and the Cuban mojito, which is a drink that is wonderfully tasty. Caribbean artists brought influential music to America, such as reggae and calypso.

Some of our greatest Americans have Caribbean roots. Alexander Hamilton, America's first Treasury Secretary, was born in the Caribbean. Former Secretary of State Colin Powell was the son of Jamaican immigrants. Shirley Chisholm, the first Black woman to be elected to Congress and run for President, was the daughter of an immigrant from Barbados.

Today, Caribbean Americans are making a difference across the country, and we celebrate all of them this month.

## PAYING TRIBUTE TO SERGEANT CESAR SANDOVAL

(Mr. LaMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise today to recognize and pay a heartfelt tribute to Sergeant Cesar Sandoval of Willows, California.

Sergeant Sandoval's sudden and unexpected passing in April was a devastating blow not only to his family but also to the communities of Willows and Chico and all who knew him where he faithfully served as a law enforcement officer for 29 years.

His loss reverberated through the hearts of all those who knew him, leaving an indelible mark on his town, his neighbors, and the countless lives he touched.

Throughout his career, he displayed an unwavering dedication to the safety and well-being of the citizens he swore to protect. His commitment to service was outstanding, and his love for his people shone through every action he took as an officer and as an individual.

He worked diligently with Chico officials to tackle the issue of homelessness in northern California, helping lead the Chico Police Department's TARGET TEAM that worked closely with local resources to assist those with mental illness, drug, and alcohol issues.

While Sergeant Sandoval's life was tragically cut short, his legacy lives on in the hearts of his family, friends, colleagues, and the countless lives he touched in his years of service.

As we mark his 51st birthday today, June 14, Flag Day, we honor his memory and celebrate the legacy he left for the people in northern California with his service. God bless him and his family.

## CELEBRATING 95TH BIRTHDAY OF DAVID DE LA CRUZ

(Ms. GARCIA of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. GARCIA of Texas. Mr. Speaker, I rise today to celebrate the 95th birthday of David De La Cruz. He is 95 years old. His loving family and friends will gather to celebrate this Saturday.

He fought in World War II for 3 years, stationed in Germany. He returned to technical school for electronics and then was stationed in Korea to serve in the Korean war from 1950 to 1951.

David had a 57-year career in electronics, both in the Army and as a
