

Mr. Speaker, I urge all my colleagues to support the passage of the Emergency Wildfire Fighting Technology Act to combat and contain these fires in a quicker and more efficient way.

Mr. GRIJALVA. Mr. Speaker, I urge my colleagues to support the legislation, and I yield back the balance of my time.

Mr. WESTERMAN. Mr. Speaker, I again thank Mr. VALADAO for bringing this important piece of legislation. I thank the ranking member and the minority for their support on this bill.

Again, we must provide all necessary tools for the wildland firefighting agencies so that they can combat this wildfire crisis.

Mr. Speaker, I urge adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arkansas (Mr. WESTERMAN) that the House suspend the rules and pass the bill, H.R. 3324, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

#### EXTENDING THE AUTHORITY TO COLLECT SHASTA-TRINITY MARINA FEES THROUGH FISCAL YEAR 2029

Mr. WESTERMAN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3324) to extend the authority to collect Shasta-Trinity Marina fees through fiscal year 2029.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 3324

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. SHASTA-TRINITY MARINA FEES.

Section 422 of the Department of the Interior, Environment, and Related Agencies Appropriations Act, 2008 (Public Law 110-161; 121 Stat 2149) as amended, is further amended by striking “and each subsequent fiscal year through fiscal year 2019” and inserting “and each subsequent fiscal year through fiscal year 2029”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arkansas (Mr. WESTERMAN) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from Arkansas.

#### GENERAL LEAVE

Mr. WESTERMAN. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and to include extraneous material on H.R. 3324, the bill now under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arkansas?

There was no objection.

Mr. WESTERMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 3324. This is a good bipartisan effort being led by Representatives HUFFMAN and LAMALFA and will help to improve recreation opportunities to their constituents in northern California.

This bill extends the authority of the Shasta-Trinity National Forest to collect and retain existing marina fees for the purpose of enhancing recreation opportunities and improving access at the Whiskeytown-Shasta-Trinity National Recreation Area, which is located within Congressmen LAMALFA and HUFFMAN's districts.

The Whiskeytown-Shasta-Trinity National Recreation Area encompasses large reservoirs and abundant mountain terrain. This area is very popular with hunters, anglers, and outdoor recreationists.

The authority to collect and retain marina fees expired in 2019 but has been temporarily extended through appropriations legislation. The marina fees retained by the Forest Service are spent on recreation enhancement projects such as boat ramp improvements, lake cleanup efforts, maintaining recreational facilities, and improving access for visitors with disabilities. The Forest Service also provides educational programs with these funds.

This bill would not increase or otherwise affect the price of the current marina fees. H.R. 3324 simply continues a current authority that has yielded positive results for families who enjoy visiting this idyllic destination. I commend Representatives HUFFMAN and LAMALFA for their collaborative work on this effort.

Mr. Speaker, I support the bill, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 3324, introduced by my friend from California, Representative HUFFMAN, would extend the Forest Service's existing authority to collect and retain marina fees in the Shasta-Trinity National Forest.

The chairman has outlined the content of the legislation, and I won't repeat that again. It is a good bill and it is essential to the operation and the management of the recreation area. It is a critical tool that needs to be extended.

The continuation of this authority has been an ongoing priority for the Forest Service and the surrounding communities. I thank and congratulate Mr. HUFFMAN for his leadership on the issue.

Mr. Speaker, I urge my colleagues to vote “yes” on the bill, and I reserve the balance of my time.

Mr. WESTERMAN. Mr. Speaker, I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield such time as he may consume to the gentleman from California (Mr. HUFFMAN).

Mr. HUFFMAN. Mr. Speaker, I thank the ranking member for yielding time, and I thank the chairman and the ranking member for supporting this bill.

I appreciate the chance to just take a moment to talk a little more about the importance of this bill to my district.

The Shasta-Trinity National Recreation Area is in northern California, part of it in my district and part of it in Mr. LAMALFA's district. It spans 246,000 acres and includes the Shasta, Trinity, Lewiston, and Whiskeytown lakes.

It is a recreation paradise. Every year, more than 3½ million people visit this area for all manner of outdoor activities, such as fishing, camping, horseback riding, swimming, paddling, backpacking, and more.

The area is a fundamental part of our regions' identity and our economy. It is one of our most popular tourist attractions, and it is obviously a very vital economic driver.

The U.S. Forest Service and the National Park Service manage the Shasta-Trinity National Recreation Area and support a large variety of these recreation opportunities and improvement projects, such as boat ramp upgrades, public service announcements about boating and water safety, enhancing accessibility to the lakes for those with disabilities, floating restrooms, and interpretive and educational programs.

The marina fees that they use to complete this work also support fire prevention patrols and fund 15 permanent staff members and 9 seasonal employees who make it possible for everyone to enjoy the recreation area.

It is clear how important these fees are to the continued operation of this regional treasure. My bipartisan bill on the floor today will extend the Department of Agriculture's ability to collect and hold these marina fees through the year 2029, allowing them to continue enhancing recreation and improving access.

This fee retention authority was initially granted back in 2008, and we have been fortunate enough to extend it through annual appropriations. That is pretty tenuous funding, and it is not a good basis on which to plan and implement important, longer-term projects.

The authority we are providing in this bill will provide that long-term stability. It will go a long way toward ensuring certainty and consistent funding for future projects.

Most of Trinity County is made up of Federally owned public lands, and its local economy is heavily reliant on the success of this national recreation area. It is essential that we extend this authority to collect marina fees and carry out the significant services that they support.

Mr. Speaker, I thank my colleagues, especially Mr. LAMALFA, who has partnered with me on this legislation several years in a row now. I am grateful to colleagues on both sides of the aisle for working with us to support outdoor recreation in northern California.

Mr. Speaker, I urge support of the bill.

Mr. WESTERMAN. Mr. Speaker, I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I urge my colleagues to support this legislation, and I yield back the balance of my time.

Mr. WESTERMAN. Mr. Speaker, I commend Mr. HUFFMAN and Mr. LAMALFA for bringing this legislation forward. I think this could actually be a model that could be expanded on across the country so that recreation fees collected in a certain area could be retained and used to reinvest back into that area to provide Americans more access to our public lands.

Mr. Speaker, I urge adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arkansas (Mr. WESTERMAN) that the House suspend the rules and pass the bill, H.R. 3324.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. WESTERMAN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

#### RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 5 o'clock and 27 minutes p.m.), the House stood in recess.

□ 1830

tion to suspend the rules and pass the bill (H.R. 3152) to impose sanctions with respect to countries, individuals, and entities that engage in any effort to acquire, possess, develop, transport, transfer, or deploy Iranian missiles and related goods and technology, including materials and equipment, and for other purposes, as amended, on which the yeas and nays were ordered.

The Clerk read the title of the bill.
