

at a lectern and said that his own border patrol employees that work for him whipped Haitian migrants when he knew full well—both from the video evidence that we all saw with our eyes and a memo from his own people in the Department of Homeland Security—that was not true.

He knew it. And then he blamed it on systemic racism.

Has he apologized? No.

And the reason he hasn't apologized is because he is at war with the people of the United States and the fact that his job is supposed to be to secure the border.

And the President knows it.

The President goes down and does a photo op with a preset visit in El Paso where they literally go out and clean out the streets of the migrants who are piling up in El Paso and sets up a photo op, and then last night dares to come down here, lecture us, lie to the American people that we are trying to go after their Social Security and Medicare, and offer nothing about his constitutional duty as President of the United States to secure the border.

Mr. Speaker, I will yield back here in a minute. I assume my time is running short.

I will just close by saying this: The American people expect more out of the people's House.

They expect more out of the President of the United States than what we saw last night. It was not a State of the Union. It was a state of confusion.

We have an obligation to do our job and stop spending money we don't have, secure the border of the United States, and actually represent the people.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Members are reminded to direct their remarks to the Chair and not to a perceived viewing audience. Members are reminded to refrain from engaging in personalities toward the President.

ADJOURNMENT

Mr. ROY. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 7 o'clock and 49 minutes p.m.), under its previous order, the House adjourned until tomorrow, Thursday, February 9, 2023, at 9 a.m.
