

Whereas school buses comprise the largest mass transportation fleet in the United States;

Whereas, in an average year, 48 percent of all K-12 students ride a school bus for each of the 180 school days in a year, and school bus operators drive school buses a total of nearly 4,400,000,000 miles;

Whereas the Child Safety Network (referred to in this preamble as the “CSN”), which is celebrating 34 years of public service in the United States, supports the CSN Safe Ride campaign, which is designed to provide the school bus industry with driver training, the latest technology, and free safety and security resources, including resources to help parents raise safer and healthier children;

Whereas the designation of School Bus Safety Month will allow broadcast and digital media and social networking industries to commit to disseminating public service announcements that are produced to—

(1) provide free resources designed to safeguard children;

(2) recognize school bus operators and professionals; and

(3) encourage the driving public to engage in safer driving behavior near school buses when students board and disembark from school buses;

Whereas key leaders who deserve recognition during School Bus Safety Month and beyond have—

(1) provided security awareness training materials to more than 14,000 public and private schools;

(2) trained more than 118,139 school bus operators; and

(3) provided more than 166,798 counterterrorism guides to individuals who are key to providing both safety and security for children in the United States; and

Whereas School Bus Safety Month offers the Senate and the people of the United States an opportunity to recognize and thank the school bus operators and the professionals focused on school bus safety and security in the United States: Now, therefore, be it

Resolved, That the Senate designates September 2023 as “School Bus Safety Month”.

SENATE RESOLUTION 367—DESIGNATING SEPTEMBER 2023 AS “NATIONAL SPINAL CORD INJURY AWARENESS MONTH”

Mr. RUBIO (for himself and Ms. BALDWIN) submitted the following resolution; which was considered and agreed to:

S. RES. 367

Whereas approximately 302,000 individuals in the United States live with spinal cord injuries, which cost society billions of dollars in health care costs and lost wages;

Whereas there are approximately 18,000 new spinal cord injuries in the United States each year;

Whereas more than 42,000 individuals with spinal cord injuries are veterans;

Whereas motor vehicle accidents are the leading cause of spinal cord injuries;

Whereas almost half of all spinal cord injuries sustained by individuals 30 years of age or younger occur as a result of a vehicular accident;

Whereas the average remaining years of life for individuals living with spinal cord injuries has not improved significantly since the 1980s;

Whereas there is an urgent need to develop new neuroprotection, pharmacological, and regeneration treatments to reduce, prevent, and reverse paralysis; and

Whereas increased education and investment in research are key factors in improving outcomes for individuals living with spinal cord injuries, enhancing the quality of life of individuals with spinal cord injuries, and ultimately curing paralysis: Now, therefore, be it

Resolved, That the Senate—

(1) designates September 2023 as “National Spinal Cord Injury Awareness Month”;

(2) supports the goals and ideals of National Spinal Cord Injury Awareness Month;

(3) continues to support research to find better treatments, therapies, and a cure for spinal cord injuries;

(4) supports clinical trials for new therapies that offer promise and hope to individuals living with paralysis; and

(5) commends the dedication of national, regional, and local organizations, researchers, doctors, volunteers, and people across the United States who are working to improve the quality of life of individuals living with spinal cord injuries and their families.

SENATE RESOLUTION 368—SUPPORTING THE DESIGNATION OF THE WEEK OF SEPTEMBER 17 THROUGH SEPTEMBER 23, 2023, AS “TELEHEALTH AWARENESS WEEK”

Mr. SCHATZ (for himself, Mr. WICKER, Mr. CARDIN, Mr. THUNE, Mr. WARNER, and Mrs. HYDE-SMITH) submitted the following resolution; which was considered and agreed to:

S. RES. 368

Whereas telehealth allows a health care practitioner to furnish health care to a patient or a practitioner at a different physical location than the health care practitioner;

Whereas telehealth played a significant role in supporting access to quality health care for millions of patients during the COVID-19 public health emergency and continues to be important beyond the end of the public health emergency;

Whereas Medicare beneficiaries used 88 times more telehealth services during the first year of the COVID-19 pandemic than they did in the prior year;

Whereas more than 8,000,000 unique Medicare beneficiaries received at least 1 telehealth service in 2022;

Whereas, in 2022, over 90 percent of Medicare beneficiaries who received a telehealth service were satisfied with their experience;

Whereas, in 2022, telehealth was a routine health care modality with 15 percent of Medicare beneficiaries using telehealth in the last quarter of the calendar year;

Whereas, following the unprecedented use of telehealth services in response to the public health emergency, telehealth now represents a critical component of health care delivery;

Whereas legislative efforts to increase telehealth access have received bipartisan support in the Senate and the House of Representatives;

Whereas the United States has an opportunity to help improve access to health care for all individuals, including members of rural and underserved communities; and

Whereas “Telehealth Awareness Week” unites the efforts of patients, caregivers, health care providers, policymakers, and other stakeholders to advance the role of telehealth in health care: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week of September 17 through September 23, 2023, as “Telehealth Awareness Week”;

(2) recognizes the impact of telehealth in delivering health care for patients across the United States; and

(3) urges that steps should be taken to—

(A) raise awareness about the benefits of telehealth;

(B) highlight resources for health care providers and patients regarding telehealth;

(C) collect and analyze data on the impacts of telehealth; and

(D) promote continued access to telehealth for all communities and across settings.

SENATE RESOLUTION 369—EXPRESSING SUPPORT FOR THE DESIGNATION OF SEPTEMBER 2023 AS “SICKLE CELL DISEASE AWARENESS MONTH” IN ORDER TO EDUCATE COMMUNITIES ACROSS THE UNITED STATES ABOUT SICKLE CELL DISEASE AND THE NEED FOR RESEARCH, EARLY DETECTION METHODS, EFFECTIVE TREATMENTS, AND PREVENTATIVE CARE PROGRAMS WITH RESPECT TO COMPLICATIONS FROM SICKLE CELL DISEASE AND CONDITIONS RELATED TO SICKLE CELL DISEASE

Mr. BOOKER (for Mr. SCOTT of South Carolina (for himself, Mr. BOOKER, Mr. WARNOCK, Mr. LANKFORD, Mr. BROWN, Mr. RUBIO, Ms. STABENOW, Mr. YOUNG, Mrs. FEINSTEIN, Mrs. HYDE-SMITH, Mr. PADILLA, Mr. CARPER, and Ms. WARREN)) submitted the following resolution; which was considered and agreed to:

S. RES. 369

Whereas sickle cell disease (referred to in this preamble as “SCD”) is an inherited blood disorder that is a major health problem in the United States and worldwide;

Whereas SCD causes the rapid destruction of sickle cells, which results in multiple medical complications, including anemia, jaundice, gallstones, strokes, restricted blood flow, damaged tissue in the liver, spleen, and kidneys, and death;

Whereas SCD causes acute and chronic episodes of severe pain;

Whereas SCD affects an estimated 100,000 individuals in the United States;

Whereas approximately 1,000 babies are born with SCD each year in the United States, with the disease occurring in approximately 1 in 365 newborn Black or African-American infants and 1 in 16,300 newborn Hispanic-American infants, and can be found in individuals of Mediterranean, Middle Eastern, Asian, and Indian origin;

Whereas more than 3,000,000 individuals in the United States have the sickle cell trait and 1 in 13 Black or African Americans carries the trait;

Whereas there is a 1 in 4 chance that a child born to parents who both have the sickle cell trait will have the disease;

Whereas the life expectancy of an individual with SCD in the United States is often severely limited;

Whereas sickle cell anemia can shorten life expectancy by more than 20 years;

Whereas sickle cell anemia is a common cause of childhood stroke, and, in 2019, fewer than half of children with sickle cell anemia who were 2 to 16 years old received the recommended screening for stroke;

Whereas, in 2019, only 2 in 5 children with sickle cell anemia who were 2 to 9 years old used recommended medication that can prevent sickle cell anemia complications;

Whereas, in 2020, the National Academies of Science, Engineering, and Medicine developed a comprehensive strategic plan and blueprint for action to address sickle cell disease, which, among other things, cited the need for new innovative therapies as well as the need to address barriers that may impact delivery of and access to approved treatments;

Whereas, while hematopoietic stem cell transplantation (commonly known as “HSCT”) is currently the only cure for SCD and advances in treating the associated complications of SCD have occurred, more research is needed to find widely available treatments and cures to help individuals with SCD; and

Whereas September 2023 has been designated as Sickle Cell Disease Awareness Month in order to educate communities across the United States about SCD, including early detection methods, effective treatments, and preventative care programs with respect to complications from SCD and conditions related to SCD: Now, therefore, be it

Resolved, That the Senate—

(1) supports the goals and ideals of “Sickle Cell Disease Awareness Month”; and

(2) encourages the people of the United States to hold appropriate programs, events, and activities during Sickle Cell Disease Awareness Month to raise public awareness of the sickle cell trait, preventative care programs, treatments, and other patient services for those suffering from sickle cell disease, complications from sickle cell disease, and conditions related to sickle cell disease.

ORDERS FOR WEDNESDAY,
SEPTEMBER 27, 2023

Mr. SCHUMER. Mr. President, I ask unanimous consent that when the Senate completes its business today, it recess until 10 a.m. on Wednesday, September 27; that following the prayer and pledge, the time for the two leaders be reserved for their use later in the day and morning business be closed; that upon the conclusion of

morning business, the Senate resume consideration of the motion to proceed to H.R. 3935, postcloture; that the Senate recess from 12:30 to 2:15 p.m. to allow for the weekly caucus meetings; finally, that all time during adjournment, recess, morning business, and leader remarks count towards postcloture debate time.

The PRESIDING OFFICER. Without objection, it is so ordered.

RECESS UNTIL WEDNESDAY,
SEPTEMBER 27, 2023, AT 10 A.M.

Mr. SCHUMER. Mr. President, if there is no further business to come before the Senate, I ask that it stand in recess under the previous order.

There being no objection, the Senate, at 7:04 p.m., recessed until Wednesday, September 27, at 10 a.m.
