STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. PADILLA (for himself and Mrs. FEINSTEIN):

S. 683. A bill to modify the boundary of the Berryessa Snow Mountain National Monument to include certain Federal land in Lake County, California, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. PADILLA. Madam President, I rise to introduce the Berryessa Snow Mountain National Monument Expansion Act.

This legislation would expand the Berryessa Snow Mountain National Monument to include approximately 3,925 acres of adjacent public land managed by the Bureau of Land Management.

In 2015, President Obama established the Berryessa Snow Mountain National Monument, proclaiming that "once covered by ocean waters, it is a landscape shaped by geologic forces of staggering power overlain with bountiful but fragile biodiversity. Anchored in the north by Snow Mountain's remote forests and in the south by scenic Berryessa Mountain, this area stretches through unbroken wildlands and important wildlife corridors, a mosaic of native grasslands, picturesque oak woodlands, rare wetlands, and wild chaparral . . . This dramatic and diverse landscape is a biological hotspot providing refuge for rare plant and animal species and showcasing the human history of north-central California."

The Berryessa Snow Mountain National Monument is managed jointly by the Bureau of Land Management, BLM, and the U.S. Forest Service, USFS, and provides for unparalleled outdoor recreational opportunities, is home to rich biodiversity, and contains lands that are culturally significant to over two dozen federally recognized Tribes. This legislation would add over 3,900 acres of adjacent, BLM-administered land to the existing national monument.

This expansion would include portions of the land known previously as Walker Ridge in Lake County, CA. Importantly, the legislation renames "Walker Ridge" to "Condor Ridge", which is translated from Molok Luyuk in the indigenous Patwin language. For thousands of years, these sacred lands have been central to Tribal origin stories, and Condor Ridge is an area that retains deep cultural significance to the Patwin people and over two dozen Native American Tribes. The legislation also directs the BLM and USFS to complete the management plan for the national monument and to consult with federally recognized Tribes to do so.

I am proud that this legislation would better enable federally recognized Tribes to be involved in the day-
