## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

## □ 1437

Mr. CLINE changed his vote from “yea” to “nay.”

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

## PERSONAL EXPLANATION

Ms. PRESSLEY. Mr. Speaker, today I missed votes due to an illness. Had I been present, I would have voted “nay” on rollcall No. 96, “nay” on rollcall No. 97, and “yes” on rollcall No. 98.

## CREATING CONFIDENCE IN CLEAN WATER PERMITTING ACT

## GENERAL LEAVE

Mr. GRAVES of Missouri. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 7023.

The SPEAKER pro tempore (Mr. BARBARINO). Is there objection to the request of the gentleman from Missouri?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 1085 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 7023.

The Chair appoints the gentleman from Pennsylvania (Mr. MEUSER) to preside over the Committee of the Whole.

## □ 1445

## IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole

House on the state of the Union for the consideration of the bill (H.R. 7023) to amend section 404 of the Federal Water Pollution Control Act to codify certain regulatory provisions relating to nationwide permits for dredged or fill material, and for other purposes, with Mr. MEUSER in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

General debate shall be confined to the bill and amendments specified in section 6 of House Resolution 1085 and shall not exceed 1 hour equally divided and controlled by the chair and ranking minority member of the Committee on Transportation and Infrastructure or their respective designees.

The gentleman from Missouri (Mr. GRAVES) and the gentlewoman from California (Mrs. NAPOLITANO) each will control 30 minutes.

The Chair recognizes the gentleman from Missouri.

## □ 1445

Mr. GRAVES of Missouri. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, I am proud to rise in support of H.R. 7023, the Creating Confidence in Clean Water Permitting Act, which will make permitting processes under the Clean Water Act more efficient, consistent, and transparent while continuing to protect our Nation's water quality.

The Clean Water Act became law in 1972 with strong bipartisan support and an understanding that clean water supports healthy communities, as well as every industry across the United States, from farming to fishing to manufacturing.

Unfortunately, we have seen this important law become increasingly weaponized over the years to delay permits and prevent critical infrastructure and energy projects from moving forward without providing any additional environmental protection.

Ultimately, the weaponization harms the health and well-being of our Nation. This bill will address these problems and greatly benefit manufacturers, farmers, energy producers, road constructors, home builders, water treatment plants, and supply chain managers, among others, by providing clarity under the Clean Water Act.

Every person throughout the country relies on these industries and will also benefit from the regulatory flexibility and faster completion of these projects.

I emphasize that this bill does not overhaul or weaken the Clean Water Act. Instead, the Creating Confidence in Clean Water Permitting Act codifies longstanding, effective permitting practices and makes targeted, commonsense reforms.

Mr. Chairman, I thank all of my colleagues on the Transportation and Infrastructure Committee who worked on various aspects of this legislation.

Mr. Chairman, I urge support for this commonsense legislation that is going
