## CELEBRATING MONTANA AG WEEK

(Mr. ROSENDALE asked and was given permission to address the House for 1 minute and to revise and extend his remarks)

Mr. ROSENDALE. Mr. Speaker, I rise today in recognition and celebration of both National and Montana Ag Weeks.

Food security is national security, and across the Treasure State and the country, farmers work tirelessly to keep food supplies safe and plentiful so we don't have to rely on foreign nations to sustain our population.

Agriculture isn't just an industry in Montana. It is our way of life. It contributes an average of \$5.2 billion a year to the economy.

Producers' hard work, dedication, and resilience play an essential role in feeding our communities, sustaining our economy, and managing our land.

While ag production is a vital industry, it doesn't come without its challenges. Congress must first secure a strong crop insurance program that gives producers certainty and, secondly, pass my Land and National Defense Act, which would prohibit the Chinese Communist Party from buying farmland in our country.

Both initiatives can be included in this year's farm bill to show producers that folks here in Washington haven't forgotten about them and have their backs in times of need.

Ag producers deserve recognition for the work they do to take care of our great Nation.

# FUNDING THE PEOPLE'S GOVERNMENT

(Mr. HOYER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOYER. Mr. Speaker, today, we took the responsible step of funding the people's government. Unfortunately, we did not, however, fund our allies in Ukraine.

The Speaker has said publicly and privately that he is going to bring Ukraine to the floor when we come back. I rise to assure our Ukrainian allies and those brave young men and women and not-so-young men and women who are in the field at the point of the spear defending freedom and democracy that I believe that there are over 300 votes on this floor, as there have been seven times, to support them in their battle, which is our battle as well.

I urge all of us, as soon as we return, to defend freedom through our Ukrainian warriors.

CELEBRATING 100TH YEAR OF ORDER OF THE EASTERN STAR, STATE COLLEGE CHAPTER 388

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the Order of the Eastern Star State College Chapter 388.

On April 5, this group will celebrate 100 years of service and renew their commitment to the principles of free-masonry.

State College Chapter 388 is a Masonic appendant body, part of the Pennsylvania Order of the Eastern Star, which is part of the General Grand Chapter, the international order that stretches around the world and makes up the largest coed fraternal organization in the world.
