THE JOURNAL

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the question on agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

DENOUNCING THE BIDEN ADMINISTRATION'S OPEN-BORDERS POLICIES, CONDEMNING THE NATIONAL SECURITY AND PUBLIC SAFETY CRISIS ALONG THE SOUTHWEST BORDER, AND URGING PRESIDENT BIDEN TO END HIS ADMINISTRATION'S OPEN-BORDERS POLICIES

Mr. MORAN. Mr. Speaker, pursuant to House Resolution 969, I call up the resolution (H. Res. 957) denouncing the Biden administration's open-borders policies, condemning the national security and public safety crisis along the southwest border, and urging President Biden to end his administration's open-borders policies, and ask for its immediate consideration in the House.

The Clerk read the title of the resolution.

The SPEAKER pro tempore (Mr. NEWHOUSE). Pursuant to House Resolution 969, the resolution is considered read.

The text of the resolution is as follows:

H. RES. 957

Whereas the United States is in the midst of the worst border security crisis in the Nation's history;

Whereas, during every month of the Biden administration, U.S. Customs and Border Protection (CBP) has encountered more than 100,000 illegal aliens along the southwest border;

Whereas the total number of illegal aliens encountered along the southwest border during the Biden administration exceeds 7 million;

Whereas the Biden administration has released at least 3.3 million of those illegal aliens into the interior of the United States;

Whereas, during the Biden administration, more than 1.7 million known illegal alien “gotaways” have successfully evaded U.S. Border Patrol along the southwest border;

Whereas, during the Biden administration, an untold number of unknown illegal alien “gotaways” have evaded detection along the southwest border;

Whereas the record 312 illegal aliens on the Terrorist Screening Dataset encountered by Border Patrol along the southwest border during the Biden administration represents a more than 2,700-percent increase when compared to the total number of such aliens encountered during all four years of the previous administration;

Whereas the Biden administration created the illegal alien crisis at the southwest border by terminating the Migrant Protection Protocols, halting border wall construction, abusing parole authority, mass releasing millions of illegal aliens into the country, and implementing policies that incentivize illegal immigration, among other actions;

Whereas the Biden administration systematically dismantled immigration enforcement and restricted the ability of immigration officials to deport aliens who violate United States law, ensuring relatively few aliens, including criminal aliens, are removed from the country;

Whereas the Biden administration's lax immigration enforcement policies have resulted in numerous violent criminal aliens being released into United States communities;

Whereas the Biden administration's lax border enforcement policies have allowed fentanyl to saturate United States communities and kill Americans;

Whereas the Biden administration's historic border crisis has made every State a border State;

Whereas the Biden administration refuses to use tools already at its disposal to end the border crisis; and

Whereas the Biden administration's proposed solution to the historic border crisis—legislation to grant amnesty to tens of millions of illegal aliens—will do nothing but incentivize additional illegal immigration: Now, therefore, be it

Resolved, That the House of Representatives—

(1) denounces the Biden administration's open-borders policies;

(2) condemns the national security and public safety crisis that President Joe Biden, “Border Czar” Vice President Kamala Harris, Secretary of the Department of Homeland Security Alejandro Mayorkas, and other Biden administration officials have created along the southwest border; and

(3) urges President Biden to end his administration's open-borders policies.

The SPEAKER pro tempore. The gentleman from Texas (Mr. MORAN) and the gentleman from New York (Mr. NADLER) each will control 30 minutes.

The Chair recognizes the gentleman from Texas (Mr. MORAN).

GENERAL LEAVE

Mr. MORAN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and to include extraneous material on H. Res. 957.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. MORAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. MORAN. Mr. Speaker, I stand today in support of H. Res. 957, denouncing the Biden administration's open-borders policies, condemning the national security and public safety crisis along the southwestern border, and urging President Biden to end his administration's open-borders policies.

Mr. Speaker, we have a problem at our southern border. I represent the First District of Texas, which is a rural district located in northeast Texas comprised of 17 counties. It borders Louisiana and Arkansas, and although it is not physically adjacent to the southern border, my district is directly impacted by the open-border policies of the Biden administration, as is every corner of America today.

The text of my proposed House resolution is simple, straightforward, and to the point. It denounces the Biden administration's open-border policies, condemns the national security and public safety crisis caused by these policies, and urges President Biden to end them immediately.

Mr. Speaker, why do we need to actually have this resolution in the House today? I will tell you, Mr. Speaker. It is for two primary reasons. One is because we need to admit that there is a problem. This House needs to admit that there is a problem on the border. Number two, we need to identify the source of the problem itself. Why do we have open borders? It is because of the policies of this administration.

Those two things today, to admit and to identify, will help lead us to a solution from this House body and across the three branches of government.

The border numbers do not lie. In fact, they tell a clear story about the depth of the crisis and the proximate cause rooted in the Biden administration policies.

Consider that the total number of illegal aliens encountered along the southern border since President Biden took office exceeds 7 million. At the same time, the Biden administration has released at least 3.3 million of those illegal aliens into the interior of the United States. This number is larger than the entire population of States like Nevada, Arkansas, and Kansas. In fact, it exceeds the combined populations of Wyoming, Vermont, Alaska, and North Dakota together.
