

Mrs. CHERFILUS-McCORMICK. Mr. Speaker, I rise today in support of H.R. 3058, the Recruiting Families Using Data Act, introduced by Representative DAN KILDEE from the great State of Michigan.

I am proud to be an original cosponsor of this legislation because we know all too well that protecting America's foster children starts by recruiting and retaining the best foster families to provide safe and loving homes.

□ 1515

Mr. Speaker, I am a strong believer that we measure what we value. This bill takes a critical step to help States better meet the needs of the foster children in their care by replacing antiquated tactics with improved Family Partnership Plans to collect and utilize data to establish recruitment and retention goals while simultaneously tracking progress toward reaching these goals.

Even with the limited data that currently exists, we know that there is a severe shortage of foster parents across our country due to a lack of retention. By measuring what we value, we can better understand the root causes of low retention and help those willing to open their homes to those who need it the most.

We must never waver as a Congress and as a country to ensure America's foster families have what they need to keep our children safe and loved.

Mr. KILDEE. Mr. Speaker, I yield myself the balance of my time for closing.

I thank my colleague, Mr. FEENSTRA, for his work on this, as well as all my colleagues on the Ways and Means Committee and throughout Congress for supporting this legislation.

As I said, there is much we need to do to improve the foster care system, to recognize the needs of foster youth, to make sure that they have a safe and loving home, to put them on a path to be the best versions of themselves. This is a step in that direction. I encourage all my colleagues to support this legislation.

Mr. Speaker, I yield back the balance of my time.

Mr. FEENSTRA. Mr. Speaker, I yield myself the balance of my time.

Every year, thousands of families welcome foster children into their homes. Children in foster care need permanent, loving homes. Sadly, our Nation is facing a shortage of available foster homes, and children are left sleeping in hotels and hospitals and social workers' offices because they have nowhere else to go. These children need foster parents, and we need to show compassion and care for them as they face the trauma and hardship of being removed from their homes. We must do more to ensure that all children in foster care have safe and available placements.

This bill is so important that it has to get passed. I thank, again, Congressman KILDEE for all his work and sup-

port for this legislation. I also appreciate the comments that he just made. I truly urge my colleagues to support this bill.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Iowa (Mr. FEENSTRA) that the House suspend the rules and pass the bill, H.R. 3058, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. FEENSTRA. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.
