So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

## MOMENT OF SILENCE FOR FALLEN OFFICERS

(Mr. JACKSON of North Carolina asked and was given permission to address the House for 1 minute.)

Mr. JACKSON of North Carolina. Mr. Speaker, yesterday, in a horrific act of violence, four law enforcement officers were killed in Charlotte, and four more were injured as the U.S. Marshals Regional Fugitive Task Force sought to serve a warrant on a very dangerous person.

I rise today on behalf of Representative ADAMS who is back in her district, standing with the community following this tragic event.

I ask my colleagues to join us in a moment of silence to honor the four law enforcement officers who gave the ultimate sacrifice to keep our community safe, to support the four officers who were injured, and to recognize the courage of all the first responders who answered the call on that day.

## HONORING JAMES ERNEST STEWART, JR.

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to honor the life of James Ernest Stewart, Jr.

A lifelong resident of Waycross, Georgia, Jim graduated from Waycross High School and later pursued a finance degree at the University of Georgia.

After graduating, Jim served the Nation in the Army Intelligence Division in Europe and later took up his father's family business, Stewart Candy Company, where he served as chairman of the board for over 65 years.

In addition to the family business, Jim took on many leadership positions in his community. He served as chairman of the board of Commercial Bank of Waycross. He also was the founding chairman of the board of Waycross Bank & Trust, WB&T Bankshares, and Southwood School.

For his achievements and community involvement, Jim was selected for the Herrin Business Award and the Community Service Award from The Childers YMCA.

He was even granted an award in his honor, the James E. Stewart Award, for the service he lent to the community. Jim's community involvement will forever be remembered by friends, family, and all.

## EMPLOYMENT OPPORTUNITIES FOR EASTERN NORTH CAROLINA

(Mr. DAVIS of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of North Carolina. Mr. Speaker, in eastern North Carolina, there is a growing need for employment opportunities that can provide young people with careers.

To address this, I recently facilitated a meeting at our Greenville office between representatives from the Newport News shipyard, community colleges, and workforce development officials from across the region.

The objective was to explore ways of collaborating to create more job opportunities in our part of the State.

Given the increasing demand for Naval ships and submarines, everyone left optimistic about the potential for future collaboration. The meeting was productive and full of promise and hope.

Currently, more than 1,100 North Carolinians are employed at the shipyard. By working together, we can ensure that even more people from our region have access to good-paying jobs and can live the American Dream right in eastern North Carolina. We are taking positive steps toward creating a brighter future in the East.

## RECOGNIZING LAUREN CLICK

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Mr. Speaker, I recognize my dear friend Lauren Click for all of her hard work and dedication at Henry's Deli in Corryton, Tennessee.

Lauren first started working at Henry's Deli through a program at Gibbs High School where she got on-

the-job training. After she graduated, she walked back into Henry's and asked for a full-time job. She has been working there with Betty and Austin for 17 years now, and she is Henry's longest-standing employee. She takes care of stocking their chips, drinks, paper towels, and occasionally greeting me.

She absolutely loves her job, and she knows everyone coming in and out of the deli. Everyone knows her, too.

I would bring groups to the deli back when I was county mayor where I would see Lauren working there, and she and I got to be friends then. I still go in there, and she always has a big smile for me and a big hug whenever I walk in.

On February 5, she turned 39 years old. I was disappointed I had to be up here with you-all and couldn't go to the deli and wish her a happy birthday, because I was stuck up here with you-all, as I stated once before.

I will say it now here on the House floor: a very late and very happy birthday to Lauren. She brings a lot of joy to the folks at Henry's Deli, and I am glad that she and I are good friends.

I say a special thanks to the folks at Henry's for helping Lauren find a great place in life because she is wonderful, she is one of God's creatures, and she is perfect.

## SUPPORTING MANUFACTURING USA

(Ms. STEVENS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. STEVENS. Mr. Speaker, I rise today in support of Manufacturing USA, the network of research institutes that develop manufacturing technologies through public-private partnerships.

Ten years since the creation of Manufacturing USA through the American Manufacturing and Innovation Act, or the RAMI Act, we are seeing firsthand why these institutes and funding them is so critical to our country.

This was an initiative that started under President Obama and has carried forward through two Presidential administrations since. From MxD's ability to push the bounds of digital tools in manufacturing to ARM's ability to revolutionize the sector with robotics, to all of the amazing biomanufacturing institutes furthering materials science and biotechnology applications, to Remade's work of creating a circular economy, to PowerAmerica and its forthcoming sibling ensuring American leadership in the semiconductor industry, to my hometown hero, LIFT, creating technologies needed for an electric future.

My friends, this is Manufacturing USA. This is workforce development in action.
