Mr. KELLY of Mississippi. Mr. Speaker, I ask unanimous consent that

There was no objection.

#### PRESIDENT BIDEN'S EV MANDATE WILL HURT AMERICANS

(Mr. FULCHER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FULCHER. Mr. Speaker, President Biden's latest effort to push electronic vehicle mandates for truck usage is completely nonsensical.

Thanks to current administrative policy, we do not have the capability to implement the massive grid expansion needed to support the electrification of heavy-duty trucks. These vehicles consume about the same amount of electricity in just one charge as a typical American home uses in a week. The industry would need to invest upwards of \$620 billion in charging infrastructure alone.

Then there is the question of where would the electricity come from. The administration has famously prosecuted its war on fossil fuels, nuclear, and hydropower generation. It is even impossible for wind and solar facilities to produce domestically because restrictions the administration has placed on American mining means the needed raw materials have to come from foreign adversaries. It is China that dominates the supply chain.

Mr. Speaker, the President needs to look at the facts and stop prioritizing irresponsible energy ideology over Americans.

#### CELEBRATING MARY EATON DEAN THIS MOTHER'S DAY

(Ms. DEAN of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DEAN of Pennsylvania. Mr. Speaker, with Mother's Day coming, I am thinking about the one-in-a-million woman who raised my six siblings and me.

I have never before spoken about my mother on the House floor, but today I celebrate our beautiful mom, Mary Eaton Dean, here in a photo taken many years ago by my grandfather, William Dean.

Mary Dean was an only child who went on to become the mother of seven—five boys, two girls, one for every day's grace, and grandmother to 16. She gave freely of her kindness, her wisdom, and her friendship throughout our Glenside community.

Mary Dean was a woman of love. She loved our dad. She loved her life. She

was a woman of faith, of adventure, and of loyalty. When our father, Bob Dean, died at 58, my mom was our anchor, determined to live the best life for herself and for us.

Mr. Speaker, I will say to my siblings, Bob, Harry, Michael, Jim, Chris, Maryann, aren't we lucky?

This Mother's Day, may we celebrate the mothers in our lives and honor those no longer with us knowing their lessons of love are forever imprinted on our hearts.

#### RECOGNIZING CHIEF MAGISTRATE JUDGE JENNIFER LEWIS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Chief Magistrate Judge Jennifer Lewis.

Jennifer has recently been awarded the 2024 Magistrate of the Year award from the Georgia Council of Magistrate Judges.

The magistrate court functions as Georgia's small claims court, which allows residents to proceed with a case with or without an attorney.

Winning this award is a testament to Jennifer's character and it shows how seriously she takes her judicial service.

Like myself, Judge Lewis was a Georgia Bulldog. After school at Georgia, she later went to Florida Coastal School of Law. Following her education, Judge Lewis started working at the Camden County Magistrate Court in 1998.

In 2008, she was elected as chief magistrate and took office the following year. I look forward to witnessing Judge Lewis' future accomplishments and thank her for her service.

#### MOURNING THE LOSS OF W. CHARLES WELCH

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, northwest Ohio mourns the passing of W. Charles Welch, who passed on Sunday, April 21, 2024.

He became known far and wide simply as "Charlie Chuck."

Born in 1938 in Talladega, Alabama, he later moved to Detroit and joined Greater St. Peter AME Zion Church where he met his wife Marjorie Chester at choir rehearsal.

They became sweethearts at 13 and 14, eventually marrying and raising five children—Rosalind, Katrina, Debra, Charles Bernard, and Trina.

Charles played piano at Detroit nightclubs, but his true calling came when he started his radio career in the 1960s. He was working for free at WJLB when he was hired by Toledo's WKLR in 1969.

Charlie Chuck was off and running. He spent years in radio, later founding

The Juice FM 107.3 WJUC, the first African-American radio station in Ohio in 1997. It became known as the People's Station.

He lived by the credo that if you have a good idea about a dream, think of the three P's: prayer, perseverance, and patience.

May his inspiration bring comfort to his dear family, friends, and listening audience for whom he created a beloved community.

#### NURSES MAKE THE DIFFERENCE

(Mr. MEUSER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MEUSER. Mr. Speaker, I rise today to recognize National Nurses Week.

This year's theme is Nurses Make the Difference. Nurses fulfill diverse roles as caregivers, advocates, educators, and leaders, leaving a profound impact on their patients and communities.

In Congress, I am dedicated to strengthening America's nursing workforce. I have supported increased funding to title VIII nursing workforce programs, which include crucial funding to Nurse Corps Loan Repayment and Scholarship programs.

These programs will make nursing schools more accessible and help bolster the nursing workforce, especially in rural areas. I have also cosponsored the National Nursing Workforce Center Act, which seeks to curb burnout and address nurse retention issues.

I am also fighting to close the pay gap between clinical nurses and nursing educators.

Mr. Speaker, this week, let's thank a nurse in Pennsylvania's Ninth from Sayre to Pottsville, to Sunbury to Williamsport. We are so very grateful for our great nurses.

#### HOLOCAUST REMEMBRANCE DAY

(Mr. BOWMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOWMAN. Mr. Speaker, this week we recognize Yom HaShoah, Holocaust Remembrance Day, and the month of May as Jewish Heritage Month.

We honor the 6 million Jewish lives lost to anti-Semitism, hatred, and violence. The Holocaust is not a distant memory. It happened within the lifetime of many Jewish people.

We also must acknowledge that this year marks the first Holocaust Remembrance Day since the attacks on October 7. This remembrance day feels different and raw for many of our Jewish brothers and sisters.

Let us take the month of May to celebrate Jewish culture, history, and people. Let us also begin this month remembering the millions of souls lost to the Holocaust, acknowledging the many survivors of the horrific events
