

paying their insurance bill, when they are trying to buy a new car, when a young family is trying to get into their first home. In their wallets, in their communities, in the safety of their communities, they feel it. Democrats can't hide from the disaster they have created, and no amount of finger-pointing is going to change that.

Mr. Speaker, my colleagues on the other side of the aisle have made it clear that they would rather play political games as we work to fund the government and avoid a shutdown. They would rather hoot and holler about spending levels in one department than vote for a commonsense appropriations bill or to create a stopgap so that we can continue our work and make sure that we don't have a shutdown. They would rather stand in full-blown opposition to straightforward provisions that would deter voter fraud and ensure our elections are fair, free, and protected as a fundamental right of real American citizens.

My colleagues would also like to stand before us today and oppose commonsense legislation that ensures that we put America first in our dealings with our greatest adversary, China, and any entity or international organization that is connected or subservient to the Chinese Communist Party.

We must do what the Biden-Harris administration has time and time again refused to do in its policies toward China—put the interests and the needs and the security of the American people absolutely first.

Mr. Speaker, I strongly support the rule before us today.

The material previously referred to by Mr. MCGOVERN is as follows:

AN AMENDMENT TO H. RES. 1430 OFFERED BY
MR. MCGOVERN OF MASSACHUSETTS

In Section 6, after “accompanying this resolution” insert “and the amendment specified in section 7 of this resolution”.

At the end of the resolution, add the following:

SEC. 7. The amendment referred to in section 6 is as follows:

“Page 23, after line 5, insert the following new section:

In addition to amounts otherwise available for such purposes, there are appropriated, out of any money in the Treasury not otherwise appropriated, for investment in the delivery of veterans' health care associated with exposure to environmental hazards, the expenses incident to the delivery of veterans' health care and benefits associated with exposure to environmental hazards, and medical and other research relating to exposure to environmental hazards, as authorized by section 324 of title 38, United States Code, \$12,000,000,000, which shall remain available until September 30, 2029.”

Mr. LANGWORTHY: Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The SPEAKER pro tempore. The question is on ordering the previous question.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. MCGOVERN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question are postponed.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess for a period of less than 15 minutes.
