ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1613

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mrs. MILLER-MEEKS. Mr. Speaker, had I been present, I would have voted YEA on Roll Call No. 433.

Mr. SMITH of Nebraska. Mr. Speaker, on Roll Call No. 433, I was unavoidably detained. Had I been present, I would have voted YEA.

CONGRESSIONAL BASKETBALL GAME

(Mr. MOORE of Utah asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MOORE of Utah. Mr. Speaker, rest assured, House of Representatives, that the basketball trophy will be back in our Chamber for another year.

Congratulations to the Members of Congress for defeating the Downtown Lobbyists two nights ago. We took it to them.

The civil servants of our society took it to Downtown. A big congratulations to the Members of Congress for defeating them.

This is an awesome event that we do. It supports Hoops for Youth, a big charity that goes to help youth sports, along with many of the other sporting activities that we do.

Just to finish it off, I congratulate and particularly recognize our captain and this year's MVP, retiring Member BRAD WENSTRUP. Can we get a round of applause?

You may hear rumors from Downtown that it required Enes Freedom,

formerly Enes Kanter of the NBA, to help our team win, but that is unsubstantiated. We could have beaten them on our own.

CITIES ACT

GENERAL LEAVE

Mr. MCCLINTOCK. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 5717.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 1455 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 5717.

The Chair appoints the gentleman from Texas (Mr. CLOUD) to preside over the Committee of the Whole.

□ 1635

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 5717) to provide that sanctuary jurisdictions that provide benefits to aliens who are present in the United States without lawful status under the immigration laws are ineligible for Federal funds intended to benefit such aliens, with Mr. CLOUD in the chair.

The Clerk read the title of the bill.

The Acting CHAIR. Pursuant to the rule, the bill is considered read the first time.

General debate shall be confined to the bill and shall not exceed 1 hour equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary or their respective designees.

The gentleman from California (Mr. MCCLINTOCK) and the gentleman from New York (Mr. NADLER) each will control 30 minutes.

The Chair recognizes the gentleman from California.

Mr. MCCLINTOCK. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, in just 3½ years, President Biden and his border czar, KAMALA HARRIS, have allowed more than 7.6 million unvetted, illegal aliens into the United States. That is the equivalent of adding an entirely new State almost the size of Arizona, our 14th largest State, with nine congressional districts. Those not engaged in criminal activities are almost entirely destitute and are overwhelming public schools, hospitals, food banks, public housing, and social services.

This began the very first day of this administration, when Biden and HARRIS rescinded the remain in Mexico policy, ordered construction on the border wall halted, and literally instructed ICE to stop enforcing court-ordered deportations.

Today, ICE remains hog-tied in discharging its duty to remove even criminal illegal aliens from our midst. Before they can do so, they are now required to first develop a full profile of the criminal and to identify mitigating circumstances, such as if the criminal has high blood pressure or is a caregiver.

A former top ICE official told the Judiciary Committee that the Biden-Harris policies have made immigration enforcement more dangerous, more difficult to carry out, and less efficient overall. The flood of illegal mass migration at our southern border has thinned the ranks of ICE officers available to enforce laws within the interior because so many have been siphoned off to process illegals being allowed into our country.

When constituents ask me how this could be happening to their communities, I have to remind them that if they voted for Biden and HARRIS, this is exactly what they voted for, and if that surprises them, they weren't paying attention.

In 2019, KAMALA HARRIS told the ACLU she would slash funding for immigration detention and close private immigration detention centers. As ABC News has been forced to confess, HARRIS did, in fact, endorse taxpayer funding to provide transgender surgeries for illegal aliens detained in the United States.

Americans are beginning to realize the severe danger to public safety

posed by cities and States that refuse to notify ICE so that dangerous criminals can be turned over to them for deportation once they have served out their sentences, as the law requires. Instead, the woke left releases these criminals back onto our streets and into our communities to prey on new victims.

Instead of ICE being able to take these criminals into custody while they are disarmed and in custody, ICE agents, instead, must track them down and confront them when they are armed and at large. This is the very essence of the sanctuary policies that so many Democrats, including Biden and HARRIS, have supported and facilitated.

Although current law already prohibits jurisdictions from refusing to cooperate with Federal immigration officials, jurisdictions controlled by leftist officials continue to do so. This bill changes that.

The growing list of Americans victimized by criminal aliens released back onto our streets, in defiance of Federal law, is truly appalling.

According to ICE, Cook County, Illinois, saw law enforcement release 1,070 criminal aliens and immigration violators in fiscal year 2019 despite requests by ICE to notify the agency before they are released from local custody. One of those criminals was a Mexican national who had been arrested for theft. After his release from custody, that illegal alien lured a 3-year-old girl into a McDonald's bathroom and sexually assaulted her. Had Chicago authorities cooperated with Federal officials, that man, a convicted aggravated felon who previously had been deported, could have been in ICE custody and instead removed to Mexico.

In January 2023, a 27-year-old illegal alien from Mexico was allowed to remain in the United States through the Deferred Action for Childhood Arrivals, or DACA, program despite his arrest for domestic violence in New Jersey. Local law enforcement ignored an ICE detainer and released him, where he went on to murder his girlfriend and a married couple.

Without this legislation, we should brace ourselves for what is to come. In 2019, KAMALA HARRIS committed to ending ICE detainers. H.R. 5717 would prevent any jurisdiction from ever doing so again.

Specifically, this bill renders sanctuary jurisdictions ineligible to receive certain taxpayer dollars that would bankroll illegal immigration in American communities. By denying certain Federal funding to jurisdictions that prohibit or restrict their cooperation with Federal immigration officials, the bill encourages sanctuary jurisdictions to end their anti-enforcement policies in favor of working with the Department of Homeland Security.

Today, Democrats will present far-fetched hypotheticals about how Republicans want to strip funding from program after program. On the contrary—to continue to receive these
