

the suitability and feasibility of designating certain land as the Lahaina National Heritage Area, and for other purposes.

There being no objection, the Senate proceeded to consider the bills en bloc.

Mrs. FISCHER. I ask unanimous consent that the bills be considered read a third time and passed en bloc, and that the motions to reconsider be considered made and laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bills (H.R. 8413 and H.R. 8219) were ordered to a third reading, were read a third time, and passed.

SWANSON AND HUGH BUTLER RESERVOIRS LAND
CONVEYANCES ACT

Mrs. FISCHER. Madam President, working with the rest of the Nebraska delegation, as well as the Bureau of Reclamation, I have introduced legislation supported by all parties. It transfers ownership of the land from the Federal Government to local officials, benefiting everyone involved.

The residents and their local government officials support this bill. The Energy and Natural Resources Committee supported it, passing it earlier this year by a voice vote. The Bureau of Reclamation, which we worked with through this process, also supports my bill.

Chairman MANCHIN himself has even withdrawn his original concern about this bill's impact on a larger land package. I am grateful to him for understanding how important this issue is to my State.

I appreciate my colleagues for understanding the gravity of this situation. This bill will now be on its way to the President's desk.

I want to thank Representative ADRIAN SMITH and the entire Nebraska congressional delegation for their work over many years. It wouldn't have been possible without their collaboration and their support.

But, most importantly, I want to thank the citizens at Swanson and Red Willow, as well as the other local leaders. The love these Nebraskans have for their communities and their determination to save them, that made all the difference.

I also want to thank my colleague from Hawaii Senator HIRONO for putting forward a bill that will help her constituents and her State as well.

I yield the floor.

The PRESIDING OFFICER. The junior Senator from Hawaii.

LAHAINA NATIONAL HERITAGE AREA STUDY ACT

Ms. HIRONO. Madam President, I rise in support of H.R. 8219, the Lahaina National Heritage Study Act. This bill requires the Secretary of the Interior to study the potential for Lahaina to be designated as a national heritage area.

The August 2023 wildfires brought to the forefront how special Lahaina is to Maui, to Hawaii, to our country, and, indeed, the world. So many people responded with their support of the recovery of the people who were impacted by this horrific wildfire.

A national heritage area designation could bring important Federal resources to help to promote and manage the historic, national, and cultural resources that are unique to Lahaina.

And I want to thank Senator FISCHER for her partnership, and I thank my colleagues for joining me in passing this bill, along with her bill today, so that the President can sign them into law and the National Park Service can begin working with the partners—all of our partners—in this effort.

And just to listen to my colleague from Nebraska talk about all of the people that she worked with to get her bill onto this agenda tonight really shows the importance of this bill to her constituents.

And, of course, to the people of Lahaina, to provide this designation is a start in reinforcing how important Lahaina is historically. It was the capital of the Kingdom of Hawaii in the past.

So I recognize that a number of my colleagues also have public lands bills that they hoped would be included in an "end of the year" package. It now appears that such a package is not going to happen. And while that is unfortunate, we should not let that doom these two bills, both of which passed the House with broad bipartisan support and have no substantive opposition in the Senate.

Rather than seeing all similarly situated bills fail, we have passed these two bills tonight.

I yield the floor.

Mrs. FISCHER. Madam President, again, thank you to my colleague from Hawaii. Thank you for my colleagues here in the Senate for passing this unanimous consent tonight. I look forward to our two bills being signed by the President of the United States and having them in law in a few days.

I yield the floor.

The PRESIDING OFFICER (Mr. HICKENLOOPER). The majority leader.
