“(A) in the corresponding appropriation Act for such preceding fiscal year; or

“(B) if the corresponding appropriation bill for such preceding fiscal year did not become law, in a law making continuing appropriations for such preceding fiscal year.

“(2)(A) Appropriations and funds made available, and authority granted, for a program, project, or activity for any fiscal year pursuant to this section shall be at a rate of operations not in excess of the lower of—

“(C)(i) For purposes of determining an individual’s primary insurance amount pursuant to clauses (i) and (ii)(II) of subparagraph (B), the individual’s average indexed monthly earnings shall be determined by treating all recorded noncovered earnings (as defined in clause (ii)(I)) derived by the individual from noncovered service performed in each year after 1977 as ‘wages’ (as defined in section 209 for purposes of this title), which shall be treated as included in the individual’s adjusted total covered earnings (as defined in clause (ii)(II)) for such calendar year together with amounts consisting of ‘wages’ (as so defined without regard to this subparagraph) paid during such calendar year and self-employment income (as defined in section 211(b)) for taxable years ending with or during such calendar year.

Such methods shall provide for reliance on earnings information which is provided to the Commissioner by employers and which, as determined by the Commissioner, constitute a reasonable basis for treatment of earnings for noncovered service as recorded noncovered earnings. “(D) Upon the death of an individual whose primary insurance amount is computed or recomputed under this paragraph, such primary insurance amount shall be computed or recomputed under paragraph (1) of this subsection.

“(E) In the case of any individual whose primary insurance amount would be computed under this paragraph who first becomes entitled after 1985 to a monthly periodic payment made by a foreign employer or foreign country that is based in whole or in part upon noncovered service, the primary insurance amount of such individual shall be computed or recomputed under paragraph (7) or paragraph (1), as applicable, for months beginning with the first month of the individual’s initial entitlement to such monthly periodic payment.”.
