

E.O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under E.O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

We considered the environmental impact of this proposed rule and concluded that, under figure 2-1, paragraph (32)(e), of Commandant Instruction M16475.IC, this proposed rule is categorically excluded from further environmental documentation. This proposal will change an existing special drawbridge operating regulation promulgated by a Coast Guard Bridge Administration Program action. A "Categorical Exclusion Determination" is available in the docket where indicated under **ADDRESSES**.
