SEC. 635. (a) This section may be cited as “Amy Boyer’s Law”.

(b) Congress makes the following findings:

(1) The inappropriate display, sale, or use of social security numbers is a significant factor in a growing range of illegal activities, including fraud, identity theft, and, in some cases, stalking and other violent crimes.

(2) Because social security numbers are used to track financial, health care, and other sensitive information about individuals, the inappropriate sale or display of those numbers to the general public can result in serious invasions of individual privacy and facilitate the commission of criminal activity.

(3) The Federal Government requires virtually every individual in the United States to obtain and maintain a social security number in order to pay taxes, to qualify for social security benefits, or to seek employment. An unintended consequence of these requirements is that social security numbers have become tools that can be used to facilitate crime, fraud, and invasions of the privacy of the individuals to whom the numbers are assigned. Because the Federal Government created and maintains the social security number system, and because the Federal Government does not permit persons to exempt themselves from the requirements of that system, it is appropriate for the Federal Government to take steps to stem abuse of the system.

(4) A social security number is simply a sequence of numbers. In no meaningful sense can the number itself impart knowledge or ideas. Persons do not sell or transfer such numbers in order to convey any particularized message, nor to express to the purchaser any ideas, knowledge, or thoughts.

(5) No one should seek to profit from the display or sale to the general public of social security numbers in circumstances that create a substantial risk of physical, emotional, or financial harm to the individuals to whom those numbers are assigned.

(6) Various entities may display, sell, or use social security numbers, including the private sector, the Federal Government and State governments, and Federal and State courts. Whatever the source, the inappropriate display or sale to the general public of social security numbers should be prevented.

(7) Congress should enact legislation that will offer an individual assigned a social security number necessary protection from the display, sale, or purchase of the number in circumstances that might facilitate unlawful conduct or that might otherwise likely result in unfair and deceptive practices.

(c)(1) Part A of title XI of the Social Security Act (42 U.S.C. 1301 et seq.) is amended by adding at the end the following new section:

For purposes of the calculations under this subparagraph, a leased tract or portion of a leased tract shall be excluded if the leased tract or portion is located in a geographic area where a moratorium on new leasing was in effect on January 1, 2000, unless the lease was issued prior to the establishment of the moratorium and was in production on January 1, 2000.

(E) include requirements that appropriate parties submit to the Board any documents and assurances that are required for the administration of the provisions of this Act; and

(F) include such other provisions consistent with the purpose of this Act as the Board considers appropriate.

(3) CONSTRUCTION.—(A) Nothing in this Act shall be construed to prohibit the Board from requiring, to the extent and under circumstances considered appropriate by the Board, that affiliates of an applicant be subject to certain obligations of the applicant as a condition to the approval or maintenance of a loan guarantee under this Act.

(B) If any provision of this Act or the application of such provision to any person or entity or circumstance is held to be invalid by a court of competent jurisdiction, the remainder of this Act, or the application of such provision to such person or entity or circumstance other than those as to which it is held invalid, shall not be affected thereby.

(c) AUTHORITY LIMITED BY APPROPRIATIONS ACTS.—The Board may approve loan guarantees under this Act only to the extent provided for in advance in appropriations Acts, and the Board may accept credit risk premiums from a non-Federal source in order to cover the cost of a loan guarantee under this Act, to

the extent that appropriations of budget authority are insufficient to cover such costs.

(d) REQUIREMENTS AND CRITERIA APPLICABLE TO APPROVAL.—

(1) IN GENERAL.—The Board shall utilize the underwriting criteria developed under subsection (g), and any relevant information provided by the departments and agencies with which the Board consults under section 3, to determine which loans may be eligible for a loan guarantee under this Act.

(2) PREREQUISITES.—In addition to meeting the underwriting criteria under paragraph (1), a loan may not be guaranteed under this Act unless—

(A) the loan is made to finance the acquisition, improvement, enhancement, construction, deployment, launch, or rehabilitation of the means by which local television broadcast signals will be delivered to a nonserved area or underserved area;

(B) the proceeds of the loan will not be used for operating, advertising, or promotion expenses, or for the acquisition of licenses for the use of spectrum in any competitive bidding under section 309(j) of the Communications Act of 1934 (47 U.S.C. 309(j));

(C) the proposed project, as determined by the Board in consultation with the National Telecommunications and Information Administration, is not likely to have a substantial adverse impact on competition that outweighs the benefits of improving access to the signals of a local television station in a nonserved area or underserved area and is commercially viable;

(D)(i) the loan—

(I) is provided by any entity engaged in the business of commercial lending—

(aa) if the loan is made in accordance with loan-to-one-borrower and affiliate transaction restrictions to which the entity is subject under applicable law; or

(bb) if item (aa) does not apply, the loan is made only to a borrower that is not an affiliate of the entity and only if the amount of the loan and all outstanding loans by that entity to that borrower and any of its affiliates does not exceed 10 percent of the net equity of the entity; or

(II) is provided by a nonprofit corporation, including the National Rural Utilities Cooperative Finance Corporation, engaged primarily in commercial lending, if the Board determines that such nonprofit corporation has one or more issues of outstanding long-term debt that is rated within the highest 3 rating categories of a nationally recognized statistical rating organization;

(ii) if the loan is provided by a lender described in clause (i)(II) and the Board determines that the making of the loan by such lender will cause a decline in such lender's debt rating as described in that clause, the Board at its discretion may disapprove the loan guarantee on this basis;

(iii) no loan may be made for purposes of this Act by a governmental entity or affiliate thereof, or by the

Federal Agricultural Mortgage Corporation, or any institution supervised by the Office of Federal Housing Enterprise Oversight, the Federal Housing Finance Board, or any affiliate of such entities;

(iv) any loan must have terms, in the judgment of the Board, that are consistent in material respects with the terms of similar obligations in the private capital market;

(v) for purposes of clause (i)(I)(bb), the term “net equity” means the value of the total assets of the entity, less the total liabilities of the entity, as recorded under generally accepted accounting principles for the fiscal quarter ended immediately prior to the date on which the subject loan is approved;

(E) repayment of the loan is required to be made within a term of the lesser of—

(i) 25 years from the date of the execution of the loan; or

(ii) the economically useful life, as determined by the Board or in consultation with persons or entities deemed appropriate by the Board, of the primary assets to be used in the delivery of the signals concerned; and

(F) the loan meets any additional criteria developed under subsection (g).

(3) PROTECTION OF UNITED STATES FINANCIAL INTERESTS.—

The Board may not approve the guarantee of a loan under this Act unless—

(A) the Board has been given documentation, assurances, and access to information, persons, and entities necessary, as determined by the Board, to address issues relevant to the review of the loan by the Board for purposes of this Act; and

(B) the Board makes a determination in writing that—

(i) to the best of its knowledge upon due inquiry, the assets, facilities, or equipment covered by the loan will be utilized economically and efficiently;

(ii) the terms, conditions, security, and schedule and amount of repayments of principal and the payment of interest with respect to the loan protect the financial interests of the United States and are reasonable;

(iii) the value of collateral provided by an applicant is at least equal to the unpaid balance of the loan amount covered by the loan guarantee (the “Amount” for purposes of this clause); and if the value of collateral provided by an applicant is less than the Amount, the additional required collateral is provided by any affiliate of the applicant;

(iv) all necessary and required regulatory and other approvals, spectrum licenses, and delivery permissions have been received for the loan and the project under the loan;

(v) the loan would not be available on reasonable terms and conditions without a loan guarantee under this Act; and

(vi) repayment of the loan can reasonably be expected.

(e) CONSIDERATIONS.—

(1) TYPE OF MARKET.—

(A) PRIORITY CONSIDERATIONS.—To the maximum extent practicable, the Board shall give priority in the approval of loan guarantees under this Act in the following order:

(i) First, to projects that will serve households in nonserved areas. In considering such projects, the Board shall balance projects that will serve the largest number of households with projects that will serve remote, isolated communities (including noncontiguous States) in areas that are unlikely to be served through market mechanisms.

(ii) Second, to projects that will serve households in underserved areas. In considering such projects, the Board shall balance projects that will serve the largest number of households with projects that will serve remote, isolated communities (including noncontiguous States) in areas that are unlikely to be served through market mechanisms.

Within each category, the Board shall consider the project's estimated cost per household and shall give priority to those projects that provide the highest quality service at the lowest cost per household.

(B) ADDITIONAL CONSIDERATION.—The Board should give additional consideration to projects that also provide high-speed Internet service.

(C) PROHIBITIONS.—The Board may not approve a loan guarantee under this Act for a project that—

(i) is designed primarily to serve 1 or more of the top 40 designated market areas (as that term is defined in section 122(j) of title 17, United States Code); or

(ii) would alter or remove National Weather Service warnings from local broadcast signals.

(2) OTHER CONSIDERATIONS.—The Board shall consider other factors, which shall include projects that would—

(A) offer a separate tier of local broadcast signals, but for applicable Federal, State, or local laws or regulations;

(B) provide lower projected costs to consumers of such separate tier; and

(C) enable the delivery of local broadcast signals consistent with the purpose of this Act by a means reasonably compatible with existing systems or devices predominantly in use.

(3) FURTHER CONSIDERATION.—In implementing this Act, the Board shall support the use of loan guarantees for projects that would serve households not likely to be served in the absence of loan guarantees under this Act.

(f) GUARANTEE LIMITS.—

(1) LIMITATION ON AGGREGATE VALUE OF LOANS.—The aggregate value of all loans for which loan guarantees are issued under this Act (including the unguaranteed portion of such loans) may not exceed \$1,250,000,000.

(2) **GUARANTEE LEVEL.**—A loan guarantee issued under this Act may not exceed an amount equal to 80 percent of a loan meeting in its entirety the requirements of subsection (d)(2)(A). If only a portion of a loan meets the requirements of that subsection, the Board shall determine that percentage of the loan meeting such requirements (the “applicable portion”) and may issue a loan guarantee in an amount not exceeding 80 percent of the applicable portion.

(g) **UNDERWRITING CRITERIA.**—Within the period provided for under subsection (b)(1), the Board shall, in consultation with the Director of the Office of Management and Budget and an independent public accounting firm, develop underwriting criteria relating to the guarantee of loans that are consistent with the purpose of this Act, including appropriate collateral and cash flow levels for loans guaranteed under this Act, and such other matters as the Board considers appropriate.

(h) **CREDIT RISK PREMIUMS.**—

(1) **ESTABLISHMENT AND ACCEPTANCE.**—

(A) **IN GENERAL.**—The Board may establish and approve the acceptance of credit risk premiums with respect to a loan guarantee under this Act in order to cover the cost, as defined in section 502(5) of the Federal Credit Reform Act of 1990, of the loan guarantee. To the extent that appropriations of budget authority are insufficient to cover the cost, as so determined, of a loan guarantee under this Act, credit risk premiums shall be accepted from a non-Federal source under this subsection on behalf of the applicant for the loan guarantee.

(B) **AUTHORITY LIMITED BY APPROPRIATIONS ACTS.**—Credit risk premiums under this subsection shall be imposed only to the extent provided for in advance in appropriations Acts.

(2) **CREDIT RISK PREMIUM AMOUNT.**—

(A) **IN GENERAL.**—The Board shall determine the amount of any credit risk premium to be accepted with respect to a loan guarantee under this Act on the basis of—

(i) the financial and economic circumstances of the applicant for the loan guarantee, including the amount of collateral offered;

(ii) the proposed schedule of loan disbursements;

(iii) the business plans of the applicant for providing service;

(iv) any financial commitment from a broadcast signal provider; and

(v) the concurrence of the Director of the Office of Management and Budget as to the amount of the credit risk premium.

(B) **PROPORTIONALITY.**—To the extent that appropriations of budget authority are sufficient to cover the cost, as determined under section 502(5) of the Federal Credit Reform Act of 1990, of loan guarantees under this Act, the credit risk premium with respect to each loan guarantee shall be reduced proportionately.

(C) **PAYMENT OF PREMIUMS.**—Credit risk premiums under this subsection shall be paid to an account (the “Escrow Account”) established in the Treasury which shall

accrue interest and such interest shall be retained by the account, subject to subparagraph (D).

(D) DEDUCTIONS FROM ESCROW ACCOUNT.—If a default occurs with respect to any loan guaranteed under this Act and the default is not cured in accordance with the terms of the underlying loan or loan guarantee agreement, the Administrator, in accordance with subsections (i) and (j) of section 5, shall liquidate, or shall cause to be liquidated, all assets collateralizing such loan as to which it has a lien or security interest. Any shortfall between the proceeds of the liquidation net of costs and expenses relating to the liquidation, and the guarantee amount paid pursuant to this Act shall be deducted from funds in the Escrow Account and credited to the Administrator for payment of such shortfall. At such time as determined under subsection (d)(2)(E) of this section when all loans guaranteed under this Act have been repaid or otherwise satisfied in accordance with this Act and the regulations promulgated hereunder, remaining funds in the Escrow Account, if any, shall be refunded, on a pro rata basis, to applicants whose loans guaranteed under this Act were not in default, or where any default was cured in accordance with the terms of the underlying loan or loan guarantee agreement.

(i) LIMITATIONS ON GUARANTEES FOR CERTAIN CABLE OPERATORS.—Notwithstanding any other provision of this Act, no loan guarantee under this Act may be granted or used to provide funds for a project that extends, upgrades, or enhances the services provided over any cable system to an area that, as of the date of the enactment of this Act, is covered by a cable franchise agreement that expressly obligates a cable system operator to serve such area.

(j) JUDICIAL REVIEW.—The decision of the Board to approve or disapprove the making of a loan guarantee under this Act shall not be subject to judicial review.

(k) APPLICABILITY OF APA.—Except as otherwise provided in subsection (j), the provisions of subchapter II of chapter 5 and chapter 7 of title 5, United States Code (commonly referred to as the Administrative Procedure Act), shall apply to actions taken under this Act.

(B) FORM OF COLLATERAL.—Collateral required by subparagraph (A) shall consist solely of assets of the applicant, any affiliate of the applicant, or both (whichever the Board considers appropriate), including primary assets to be used in the delivery of signals for which the loan is guaranteed.

(C) REVIEW OF VALUATION.—The value of collateral securing a loan guaranteed under this Act may be reviewed by the Board, and may be adjusted downward by the Board if the Board reasonably believes such adjustment is appropriate.

(3) LIEN ON INTERESTS IN ASSETS.—Upon the Board's approval of a loan guarantee under this Act, the Administrator shall have liens on assets securing the loan, which shall be superior to all other liens on such assets, and the value of the assets (based on a determination satisfactory to the Board) subject to the liens shall be at least equal to the unpaid balance of the loan amount covered by the loan guarantee, or that value approved by the Board under section 4(d)(3)(B)(iii).

(4) PERFECTED SECURITY INTEREST.—With respect to a loan guaranteed under this Act, the Administrator and the lender shall have a perfected security interest in assets securing the loan that are fully sufficient to protect the financial interests of the United States and the lender.

(d) EXPIRATION OF LOAN GUARANTEE UPON STRIPPING.—Notwithstanding subsections (c), (e), and (h), a loan guarantee under this Act shall have no force or effect if any part of the guaranteed portion of the loan is transferred separate and apart from the unguaranteed portion of the loan.

(e) ADJUSTMENT.—The Board may approve the adjustment of any term or condition of a loan guarantee or a loan guaranteed under this Act, including the rate of interest, time of payment of principal or interest, or security requirements only if—

(1) the adjustment is consistent with the financial interests of the United States;

(2) consent has been obtained from the parties to the loan agreement;

(3) the adjustment is consistent with the underwriting criteria developed under section 4(g);

(4) the adjustment does not adversely affect the interest of the Federal Government in the assets or collateral of the applicant;

(5) the adjustment does not adversely affect the ability of the applicant to repay the loan; and

(6) the National Telecommunications and Information Administration has been consulted by the Board regarding the adjustment.

(f) PERFORMANCE SCHEDULES.—

(1) PERFORMANCE SCHEDULES.—An applicant for a loan guarantee under this Act for a project covered by section 4(e)(1) shall enter into stipulated performance schedules with the Administrator with respect to the signals to be provided through the project.

(2) PENALTY.—The Administrator may assess against and collect from an applicant described in paragraph (1) a penalty not to exceed 3 times the interest due on the guaranteed loan of the applicant under this Act if the applicant fails to meet its stipulated performance schedule under that paragraph.

(g) COMPLIANCE.—The Administrator, in cooperation with the Board and as the regulations of the Board may provide, shall enforce compliance by an applicant, and any other party to a loan guarantee for whose benefit assistance under this Act is intended, with the provisions of this Act, any regulations under this Act, and the terms and conditions of the loan guarantee, including through the submittal of such reports and documents as the Board may require in regulations prescribed by the Board and through regular periodic inspections and audits.

(h) COMMERCIAL VALIDITY.—A loan guarantee under this Act shall be incontestable—

(1) in the hands of an applicant on whose behalf the loan guarantee is made, unless the applicant engaged in fraud or misrepresentation in securing the loan guarantee; and

(2) as to any person or entity (or their respective successor in interest) who makes or contracts to make a loan to the applicant for the loan guarantee in reliance thereon, unless such person or entity (or respective successor in interest) engaged in fraud or misrepresentation in making or contracting to make such loan.

(2) FULLY SATISFYING OBLIGATIONS OWED THE UNITED STATES.—The Administrator may accept property in satisfaction of any sums owed the United States as a result of a default on a loan guaranteed under this Act, but only to the extent that any cash accepted by the Administrator is not sufficient to satisfy fully the sums owed as a result of the default.

(l) BREACH OF CONDITIONS.—The Administrator shall commence a civil action in a court of appropriate jurisdiction to enjoin any activity which the Board finds is in violation of this Act, the regulations under this Act, or any conditions which were duly agreed to, and to secure any other appropriate relief, including relief against any affiliate of the applicant.

(m) ATTACHMENT.—No attachment or execution may be issued against the Administrator or any property in the control of the Administrator pursuant to this Act before the entry of a final judgment (as to which all rights of appeal have expired) by a Federal, State, or other court of competent jurisdiction against the Administrator in a proceeding for such action.
