[H.R. 3917]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

Flight 93  
National  
Memorial Act.  
16 USC 431 note.

**SEC. 2. FINDINGS AND PURPOSES.**

(a) **FINDINGS.**—Congress finds the following:

(1) Passengers and crewmembers of United Airlines Flight 93 of September 11, 2001, courageously gave their lives, thereby thwarting a planned attack on our Nation’s Capital.

(2) In the months since the historic events of September 11, thousands of people have visited the Flight 93 site, drawn by the heroic action and sacrifice of the passengers and crew aboard Flight 93.

(3) Many are profoundly concerned about the future disposition of the crash site, including grieving families of the passengers and crew, the people of the region who are the current stewards of the site, and a broad spectrum of citizens across the United States. Many of these people are forming the Flight 93 Task Force as a broad, inclusive organization to provide a voice for all interested and concerned parties.

(4) The crash site commemorates Flight 93 and is a profound symbol of American patriotism and spontaneous leadership of citizen-heroes. The determination of appropriate recognition at the crash site of Flight 93 will be a slowly unfolding process in order to address the interests and concerns of all interested parties. Appropriate national assistance and recognition must give ample opportunity for those involved to voice these broad concerns.

(5) It is appropriate that the crash site of Flight 93 be designated a unit of the National Park System.
