

medication violation rules, Model Rules of Racing (version 6.2).

(B) Conflict of rules

In the case of a conflict among the rules described in subparagraph (A), the most stringent rule shall apply.

(3) Modifications to baseline rules

(A) Development by anti-doping and medication control standing committee

The anti-doping and medication control standing committee, in consultation with the anti-doping and medication control enforcement agency, may develop and submit to the Authority for approval by the Authority proposed modifications to the baseline anti-doping and medication control rules.

(B) Authority approval

If the Authority approves a proposed modification under this paragraph, the proposed modification shall be submitted to and considered by the Commission in accordance with section 3053 of this title.

(C) Anti-doping and medication control enforcement agency veto authority

The Authority shall not approve any proposed modification that renders an anti-doping and medication control rule less stringent than the baseline anti-doping and medication control rules described in paragraph (2) (including by increasing permitted medication thresholds, adding permitted medications, removing prohibited medications, or weakening enforcement mechanisms) without the approval of the anti-doping and medication control enforcement agency.

REFERENCES IN TEXT

This chapter, referred to in subsecs. (a)(2), (b)(4), and (c)(4)(D), was in the original “this Act” and was translated as reading “this title”, meaning title XII of div. FF of Pub. L. 116–260, to reflect the probable intent of Congress.

§ 3056. Racetrack safety program

(a) Establishment and considerations

(1) In general

Not later than the program effective date, and after notice and an opportunity for public comment in accordance with section 3053 of this title, the Authority shall establish a racetrack safety program applicable to all covered horses, covered persons, and covered horseraces in accordance with the registration of covered persons under section 3054(d) of this title.

(2) Considerations in development of safety program

In the development of the horseracing safety program for covered horses, covered persons, and covered horseraces, the Authority and the Commission shall take into consideration ex-

isting safety standards including the National Thoroughbred Racing Association Safety and Integrity Alliance Code of Standards, the International Federation of Horseracing Authority’s International Agreement on Breeding, Racing, and Wagering, and the British Horseracing Authority’s Equine Health and Welfare program.

(b) Elements of horseracing safety program

The horseracing safety program shall include the following:

(1) A set of training and racing safety standards and protocols taking into account regional differences and the character of differing racing facilities.

(2) A uniform set of training and racing safety standards and protocols consistent with the humane treatment of covered horses, which may include lists of permitted and prohibited practices or methods (such as crop use).

(3) A racing surface quality maintenance system that—

(A) takes into account regional differences and the character of differing racing facilities; and

(B) may include requirements for track surface design and consistency and established standard operating procedures related to track surface, monitoring, and maintenance (such as standardized seasonal assessment, daily tracking, and measurement).

(4) A uniform set of track safety standards and protocols, that may include rules governing oversight and movement of covered horses and human and equine injury reporting and prevention.

(5) Programs for injury and fatality data analysis, that may include pre- and post-training and race inspections, use of a veterinarian’s list, and concussion protocols.

(6) The undertaking of investigations at racetrack and non-racetrack facilities related to safety violations.

(7) Procedures for investigating, charging, and adjudicating violations and for the enforcement of civil sanctions for violations.

(8) A schedule of civil sanctions for violations.

(9) Disciplinary hearings, which may include binding arbitration, civil sanctions, and research.

(10) Management of violation results.

(11) Programs relating to safety and performance research and education.

(12) An evaluation and accreditation program that ensures that racetracks in the United States meet the standards described in the elements of the Horseracing Safety Program.

(c) Activities

The following activities shall be carried out under the racetrack safety program:

(1) Standards for racetrack safety

The development, by the racetrack safety standing committee of the Authority in section 3052(c)(2) of this title of uniform standards for racetrack and horseracing safety.

(2) Standards for safety and performance accreditation**(A) In general**

Not later than 120 days before the program effective date, the Authority, in consultation with the racetrack safety standing committee, shall issue, by rule in accordance with section 3053 of this title—

- (i) safety and performance standards of accreditation for racetracks; and
- (ii) the process by which a racetrack may achieve and maintain accreditation by the Authority.

(B) Modifications**(i) In general**

The Authority may modify rules establishing the standards issued under subparagraph (A), as the Authority considers appropriate.

(ii) Notice and comment

The Commission shall publish in the Federal Register any proposed rule of the Authority, and provide an opportunity for public comment with respect to, any modification under clause (i) in accordance with section 3053 of this title.

(C) Extension of provisional or interim accreditation

The Authority may, by rule in accordance with section 3053 of this title, extend provisional or interim accreditation to a racetrack accredited by the National Thoroughbred Racing Association Safety and Integrity Alliance on a date before the program effective date.

(3) Nationwide safety and performance database**(A) In general**

Not later than one year after the program effective date, and after notice and an opportunity for public comment in accordance with section 3053 of this title, the Authority, in consultation with the Commission, shall develop and maintain a nationwide database of racehorse safety, performance, health, and injury information for the purpose of conducting an epidemiological study.

(B) Collection of information

In accordance with the registration of covered persons under section 3054(d) of this title, the Authority may require covered persons to collect and submit to the database described in subparagraph (A) such information as the Authority may require to further the goal of increased racehorse welfare.

(Pub. L. 116-260, div. FF, title XII, §1207, Dec. 27, 2020, 134 Stat. 3267.)

§ 3057. Rule violations and civil sanctions**(a) Description of rule violations****(1) In general**

The Authority shall issue, by rule in accordance with section 3053 of this title, a description of safety, performance, and anti-doping

and medication control rule violations applicable to covered horses and covered persons.

(2) Elements

The description of rule violations established under paragraph (1) may include the following:

(A) With respect to a covered horse, strict liability for covered trainers for—

- (i) the presence of a prohibited substance or method in a sample or the use of a prohibited substance or method;
- (ii) the presence of a permitted substance in a sample in excess of the amount allowed by the horseracing anti-doping and medication control program; and
- (iii) the use of a permitted method in violation of the applicable limitations established under the horseracing anti-doping and medication control program.

(B) Attempted use of a prohibited substance or method on a covered horse.

(C) Possession of any prohibited substance or method.

(D) Attempted possession of any prohibited substance or method.

(E) Administration or attempted administration of any prohibited substance or method on a covered horse.

(F) Refusal or failure, without compelling justification, to submit a covered horse for sample collection.

(G) Failure to cooperate with the Authority or an agent of the Authority during any investigation.

(H) Failure to respond truthfully, to the best of a covered person's knowledge, to a question of the Authority or an agent of the Authority with respect to any matter under the jurisdiction of the Authority.

(I) Tampering or attempted tampering with the application of the safety, performance, or anti-doping and medication control rules or process adopted by the Authority, including—

- (i) the intentional interference, or an attempt to interfere, with an official or agent of the Authority;
- (ii) the procurement or the provision of fraudulent information to the Authority or agent; and
- (iii) the intimidation of, or an attempt to intimidate, a potential witness.

(J) Trafficking or attempted trafficking in any prohibited substance or method.

(K) Assisting, encouraging, aiding, abetting, conspiring, covering up, or any other type of intentional complicity involving a safety, performance, or anti-doping and medication control rule violation or the violation of a period of suspension or eligibility.

(L) Threatening or seeking to intimidate a person with the intent of discouraging the person from the good faith reporting to the Authority, an agent of the Authority or the Commission, or the anti-doping and medication control enforcement agency under section 3054(e) of this title, of information that relates to—
