(1) specifically transferred to or vested in him by or pursuant to this chapter;

(2) delegated to him by the President pursuant to specific authority vested in the President by law; and

(3) otherwise specifically vested in the Administrator by the Congress.

(b) Duties

To the extent authorized by subsection (a) of this section, the Administrator shall—

(5) promote stability in energy prices to the consumer, promote free and open competition in all aspects of the energy field, prevent unreasonable profits within the various segments of the energy industry, and promote free enterprise;

(6) assure that energy programs are designed and implemented in a fair and efficient manner so as to minimize hardship and inequity while assuring that the priority needs of the Nation are met;

The Administrator shall not allow costs attributable to changes in ownership and movement of propane gas where, in the opinion of the Administrator, such changes in ownership and movement occur primarily for the purpose of establishing a higher price; and

(12) perform such other functions as may be prescribed by law.

(c) Exercise of delegated discretion concerning exemptions

(1) The Administrator shall not exercise the discretion delegated to him by the President, pursuant to section 754(b)¹ of this title, to submit to the Congress as one energy action any amendment to the regulation under section 753(a)¹ of this title, pursuant to section 760a¹ of this title, which amendment exempts any oil, refined petroleum product, or refined product category from both the allocation and pricing provisions of the regulation under section 753¹ of this title.
